

Anna Gonzalez is an El Paso native. She is a first-generation college student and graduated from UTEP in 2020 with a Bachelor of Social Work degree. As a proud Miner, Gonzalez is continuing her education to pursue a Master of Social Work. Currently, she is working as a graduate teaching assistant and case investigator for the Texas COVID-19 Statewide Contact Tracing Project. She is also a board member for the Student Association of Social Workers and an advocate for the local community, with over 8 years of volunteering experience in Ciudad Juarez and El Paso.
