Workshops

The Academy of Distinguished Teachers (ADT) at UTEP, founded in 2019 in recognition of the Regents' Outstanding Teaching Award, celebrates and advances excellence in teaching across campus. More than an honor, the ADT is a community and resource for faculty—supporting professional growth, fostering collaboration, and promoting innovative, student-centered teaching. By equipping students with the knowledge and skills to transform their lives and communities, the ADT helps faculty amplify the lasting impact of great teaching.
