Parents & guardians: Approving your daughter/ward for the NCWIT Award for Aspirations in Computing

**Step one:** Your daughter must Apply or Register for the NCWIT Award for Aspirations in Computing, and enter your valid email address in the parent email address slot.

**Step two:** Follow emailed instructions; click on the link sent via email.

You will then be taken to this page where you can log in:
If you don’t receive an email go to www.aspirations.org/user/password, to request that a new link be emailed to you. Please make sure to add aspirations@ncwit.org as a contact and check your spam filters to make sure that our automated emails are getting through to your inbox.

**Step three:** Once you have logged in you’ll need to change your password and fill out the rest of your profile.

At the end of your profile, you must agree to the privacy policy, terms of use, and the consent & release forms as outlined.
Step four: Approve your daughter/ward’s profile. You should then be taken to “My Dashboard.” You can always get to this page via the “my dashboard” link at the top of the screen. Read through the consent & release page, and click on “Approve.”

Click on the Approve button and Submit button if you agree to allow your daughter to participate in the NCWIT Aspirations in Computing program.

If you do not approve your daughter will not be allowed to participate in the NCWIT Aspirations in Computing program and will not be eligible for the NCWIT Award for Aspirations in Computing.
This is what you should see on your dashboard if you have successfully endorsed her application:

You are now complete and have successfully endorsed your daughter/ward’s application! If you have any questions please contact aspirations@ncwit.org.

Winners will be announced in mid-December.
