

UNDERGRADUATE CURRICULUM CHANGE MEMO

Date: 01/26/2024

From: Annie Tremblay, Chair, Latin-US and Linguistics 

Through: Anadeli Bencomo, Dean, College of Liberal Arts

To: Selfa A. Chew Meléndez, Chair, College of Liberal Arts Curriculum Committee

Proposal Title: Arabic Language Courses

We are in the process of standardizing the language courses that we offer, including Arabic courses. We offer four Arabic courses. The first two courses are 5-credit-hour courses (ARAB 1501 'Elementary Arabic I', ARAB 1502 'Elementary Arabic II'), and the next two courses are 4-credit-hour courses (ARAB 2401 'Intermediate Arabic I,' ARAB 2402 'Intermediate Arabic II'). These Arabic courses are 5- and 4-credit-hour courses, in part because the classes included a mandatory lab that students needed to complete. In recent years, this lab component has not been consistently enforced; students were instead given the option to meet with the instructor virtually if they needed additional help. Hence, there is no strong motivation for offering these courses as 5- and 4-credit-hour courses. This also hurts our enrollment since these courses are more expensive to take and more difficult to fit into students' schedule.

We propose to delete these Arabic courses and instead offer 3-credit-hour Arabic courses that line up in content with the other language courses that we offer (French, German, Italian, Spanish). The proposed new course sequence is as follows:

- $\emptyset \rightarrow$ ARAB 1301 (3 cr.)
- $\emptyset \rightarrow$ ARAB 1302 (3 cr.)
- ARAB 1501 (5 cr.) $\rightarrow \emptyset$
- ARAB 1502 (5 cr.) $\rightarrow \emptyset$
- $\emptyset \rightarrow$ ARAB 2301 (3 cr.)
- $\emptyset \rightarrow$ ARAB 2302 (3 cr.)
- ARAB 2401 (4 cr.) $\rightarrow \emptyset$
- ARAB 2402 (4 cr.) $\rightarrow \emptyset$

These changes will allow us to standardize our offering of Arabic courses so that they are equivalent to the other lower-level language courses we offer (French, Spanish, Italian, German).

If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Class Communication

I have mentioned this already in the earlier parts of the syllabus, but it warrants repetition: I will always communicate with you through Blackboard or through UTEP email. It is extremely important that you check your email daily, especially on days we have class. I do not plan on it, but there may be moments in the semester where I will have to make emergency changes to the class meetings or how the assignments will be completed. I will always communicate these changes through Blackboard and by emailing to your student email (ending in @miners.utep.edu). If you do not have access to Blackboard or to your student email, you need to contact the Help Desk and fix that as soon as possible.

COURSE DESCRIPTION

This is the third course in Arabic offered at the University of Texas at El Paso. Students should only take this course after they have complete the pre-requisite Arabic One and Two or have taken an equivalent placement test. The target proficiency level of this course is intermediate-low. At the intermediate level, students should be able to understand the main idea of familiar topics, ask and answer a variety of questions on familiar topics and communicate information, make presentations and express their thoughts on familiar topics. You can read more about ACTFL Proficiency Levels [here](#).

A NOTE ABOUT THIS COURSE:

This course is designed for non-native speakers / novice learners of the Arabic language. Students enrolled in this course who have experience with the Arabic language from previous academic courses must report to the instructor and take a placement test to assess their appropriate level of Arabic. Failure to adequately self- report can result in removal from the course.

CLASS THEME

Based on the Sustainable Development Goals of the United Nations, each Arabic course at UTEP is thematically designed to relate to a particular goal. You can read more about the UN's SDG Goals [here](#). The theme of this class is Sustainable Cities and Communities. In addition to continuing to build on the elementary knowledge of the Arabic language, students will learn about cities and communities in the Arab world, discovering cultural similarities along the way. Arabic Three is the third of four courses that are thematically focused and designed to introduce students to the Arabic language and cultural and societal frameworks that exist in the Arab world.

Class Communication Statement

I have mentioned this already in the earlier parts of the syllabus, but it warrants repetition: I will always communicate with you through Blackboard or through UTEP email. It is extremely important that you check your email daily, especially on days we have class. I do not plan on it, but there may be moments in the semester where I will have to make emergency changes to the class meetings or how the assignments will be completed. I will always communicate these changes through Blackboard and by emailing to your student email (ending in @miners.utep.edu). If you do not have access to Blackboard or to your student email, you need to contact the Help Desk and fix that as soon as possible.

Final Note: Policies in this syllabus are all subject to change at instructor's discretion. I will notify you in writing if anything in this syllabus is updated.
