

GRADUATE ACCOUNTANCY PROGRAMS AT A GLANCE

UTEP's Graduate Accountancy Programs include the Masters of Accountancy (MAcc) and the Certificate of Accountancy (CA). The UTEP MAcc is for individuals preparing for careers in professional accounting fields or for practicing accountants wishing to increase their expertise. **Completion of the MAcc degree meets the educational requirements to take the CPA exam in Texas.** Requirements consist of 36 semester hours of courses in accounting, business law, economics, quantitative methods, marketing and finance. These courses may be waived for students who have completed equivalent courses at a university accredited by the Association to Advance Collegiate Schools of Business International (AACSB).

The UTEP CA is for individuals who wish to enhance their education and complete courses in research, communication, and ethics requirements. Individuals with a bachelor's degree in a field other than accounting may qualify for admission by completing specific undergraduate business and accounting leveling courses.
