

**FRESHMAN****YOUR CLASS SCHEDULE**

- Focus on math and prerequisite science courses. Please note that the **Math sequence is dependent on which Math you begin with according to your entrance test scores.**
- Spread out your core courses to maintain a manageable workload and be prepared to take summer classes.
- Take Pre-Calculus MATH 1508 or Calculus I MATH 1411, ESCI 1301-1101, GEOL 1313-1103, & UNIV 1301 in the fall.
- Take ESCI 1310, GEOL 1314-1104, Calculus I MATH 1411 or Calculus II Math 1312, CHEM 1305-1105 & RWS 1301 in the spring.
- Take HIST 1301 in summer I & HIST 1302 in summer II

ACADEMIC ADVISING

- Register for first available New Student Orientation.
- Complete all College of Science CORE office advising requisites.
- Visit your Undergraduate Advisor in April or late March for fall advising.
- Visit your Undergraduate Advisor in mid-October for spring advising.

ENRICHING EXPERIENCES

- Explore student organizations such as **SEEDS Environmental Advocates** or the **Association of Women in Geoscience.**
- Cultivate research experience in the field with an NSF Research Experience for Undergraduates.
- Apply to year round internships and summer opportunities available to undergraduates.
- Check your UTEP email frequently to learn about scholarships, fellowships, and department opportunities.

LIFELONG SUCCESS

- Strive for high grades to become eligible for the College of Science Dean's List and Honor Societies.
- Explore the Campus Office of Undergraduate Research Initiatives (COURI).
- Discover tutoring resources such as the **University Writing Center and the Math Resource Center for Students.**
- Register at the **Career Center** and obtain on-campus employment.
- Discover professional opportunities at the **UTEP Career Expo.**

SOPHOMORE

- Take ESCI 2204, STAT 2480, GEOL 2309-2109 & GEOL 3312-3112 in the fall.
- Take ESCI 2201 and ESCI 2105, CHEM 1306-1106, GEOL 3215-3115, & RWS 1302 in the spring.
- Take ART 1300 in summer I & PSYC 1301 in summer II.
- Note that the university core courses listed are examples; refer to the **Undergraduate Catalog for all core class options.**

- Complete all College of Science CORE office advising requisites.
- Visit your Undergraduate Advisor in April or late March for fall advising.
- Visit your Undergraduate Advisor in mid-October for spring advising.
- Register for 15 credit hours if you have a scholarship or a max of 12 credit hours if you are working 20 hours a week, 9 credit hours if you are working 30 hours, or 6 credit hours if you are working 40 hours a week.

- Investigate opportunities that allow you to study abroad or gain research experience abroad.
- Participate in Earth Day Outreach activities in the spring semester and Earth Science Week activities in the fall semester.
- Attend the Geological Sciences Student Research Colloquium in March.
- Continue exploring NSF Research Experiences and COURI opportunities.

- Apply for membership in UTEP Student Government and promote campus-wide STEM involvement and participation.
- Cultivate healthy lifestyle habits by visiting the **Student Recreation Center.**
- Participate in department career workshops for resume tips and begin developing your college
- Visit the University Career Center and begin developing your resume.

JUNIOR

- Take PHYS 2320-2120, ESCI 3192, GEOL 3326-3126, & GEOL 3323-3123 in the fall.
- Take PHYS 2230, POLS 2310, GEOL 4376, & PHIL 2306 in the spring.
- Complete GEOL 4375 & 4376 before your Junior year has ended.
- Take COMM 1301 & ESCI 4398 (internship) in the summer.

- Complete all College of Science CORE office advising requisites.
- Visit your Undergraduate Advisor in April or late March for fall advising.
- Visit your Undergraduate Advisor in mid-October for spring advising.

- Attend and present your research at conferences, symposiums, colloquiums and workshops.
- Find a professor whose class you enjoy and approach them about volunteering in their lab.
- Fulfill ESCI 4398 Internship requirements by choosing your own organization, such as the Texas Parks & Wildlife, or have faculty select the organization you work with to complete this course.

- Research and prepare for necessary graduate exams and certification exams.
- Continue to strive for a high GPA in both your major and overall to qualify for the Dean's List and any Graduate Fast Track programs you seek to pursue.
- Attend networking open houses in various industry sites and be community-minded.
- Discover professional opportunities at the **UTEP Career Expo.**

SENIOR

- Take ESCI 4320, POLS 2311 and either GEOP 4336 or GEOL 4385, as well as Upper Division Electives in the fall.
- Take ESCI 4301, Upper Division Elective in the spring.
- Complete all remaining degree requirements as needed.

- Complete all College of Science CORE office advising requirements, graduation workshops, and graduation clearance.
- Check your emails frequently for graduation preparation deadlines and approvals.
- Visit your Undergraduate Advisor in mid-October for spring advising.
- Finalize career counseling and complete any exit interviews/surveys

- Cultivate leadership roles in student organizations.
- Continue engaging in community outreach and volunteer events.
- Continue to engage and take a lead in department events and conferences.
- Attend and present your research at conferences, symposiums, colloquiums and workshops.

- Complete applications by November if pursuing graduate school.
- Investigate licensure as needed in the state you are seeking employment.
- Build and maintain professional network contacts.
- Acquire letters of reference and recommendations from faculty and mentors.
- Discover professional opportunities at the **UTEP Career Expo.**

UPDATED 02/20/2019

Checklist for success

- Create a Job Mine account.
- Check in with your advisor.
- Review your degree plan to stay on track. (degreeplans.utep.edu)
- Attend a financial literacy workshop.
- Visit the Student Engagement & Leadership Center (SELC). (sa.utep.edu/selc)

Seek UT

The UT System has developed **SeekUT** to provide valuable data about employment earnings for the first five years after graduation, as well as average student loan debt for graduates by degree major.

- View information about your degree major with this **free**, on-line tool.
- Get real data about employment earnings based on more than 210,000 UTEP and other UT institution graduates working in Texas.
- Explore graduate school data, too.

www.utsystem.edu/seekUT
