Welcome to UTEP College of Liberal Arts

With nearly 7,000 students, the College of Liberal Arts is the largest college on the UTEP campus, with degree programs in the visual and performing arts, the humanities and the social sciences. The college also provides most of the UTEP core curriculum to students in all colleges. Excellence is found throughout the college's programs, from its online bilingual M.F.A. in Creative Writing – the first of its kind in the country – to its doctoral degrees in Borderlands History, Rhetoric and Composition, and Psychology. Faculty engages in interdisciplinary research in Hispanic health disparities, social justice, border studies and environmental communication. The Patricia and Paul Yetter Law School Preparation Institute, a program that helps prepare UTEP students for law school, is nationally known for its success. In several degree programs, students have the opportunity to enroll in internships, which provide valuable experience in their areas of interest. Students also benefit from an increasing number of study abroad opportunities, including courses taught by college faculty in Rome, London and Seville, Spain. The college's new honors program began in 2012 with a variety of academic enrichment components and an honors minor.
