WHY YOUR SPONSORSHIP MATTERS

When you sponsor the UTEP Alumni Association Golf Tournament, you're not just supporting a premier event, you're making a meaningful investment in student success. Proceeds benefit the Alumni Association Endowed Scholarship Fund and support alumni engagement activities.

Your partnership empowers future generations of Miners. Together, we can create lasting impact and build a stronger community, one Miner at a time.

Meet Genevieve Gomez, Class of 2026

"My scholarship motivates me to succeed by allowing me to prioritize my studies while staying active as a member of UTEP's Cheerleading Team. It helps me focus and excel in my classes as I work toward my goal of becoming a special agent in the DEA. As a criminal justice major, I am passionate about serving my community, providing protection, and ensuring justice is being served.

In the future, I hope to give back to the Alumni Association of UTEP Endowed Scholarship Fund that has supported me throughout my studies and inspire other students to follow their dreams and make a difference. "
