Application Process

All applicants must submit the following materials to apply:

- Graduate Degree Program Application (including non-refundable application fee).
- Official transcripts of all undergraduate and graduate coursework completed. While preferred, a master's in business or related field is not required to apply. Students who enter the program without a master's degree will be required to take additional coursework known as Business Foundations before entering doctoral coursework.
- Graduate Management Admission Test (GMAT) scores. Although GMAT scores are preferred, Graduate Records Examination (GRE) scores will be accepted in some cases. Test scores may not be more than five years old. Information about the GMAT can be found at: gmac.com
- At least two letters of recommendation from academic or professional sources familiar with the applicant's background.
- A personal statement of academic interests and goals.
- A current resume or curriculum vitae.

International students must also submit acceptable scores on the Test of English as Foreign Language (TOEFL). Test scores may not be more than two years old. Those with a degree from a country where English is the official language are exempt from this requirement.
