The UTEP Master of Accountancy (MAcc) is for individuals preparing for careers in professional accounting fields or for practicing accountants wishing to increase their knowledge. **Completion of the MAcc degree meets the educational requirements to take the CPA exam in Texas.**

The MAcc degree requirements consist of 30 semester hours of graduate level coursework including:

- 12 semester hours of accounting core courses
- 12 semester hours of accounting concentration courses
- 3 semester hours of accounting or business elective courses
- 3 semester hours of accounting capstone

There are two components to the Master of Accountancy program. Students who have completed a bachelors degree in accounting from AACSB accredited business schools are not required to complete leveling courses. Leveling courses consist of 36 semester hours of courses in accounting, business law, economics, quantitative methods, marketing, and finance.
