All applicants must submit the following materials to apply:

- Graduate Degree Program Application (including non-refundable application fee).
- Official transcripts of all undergraduate and graduate coursework completed. While preferred, a master's in business or related field is not required to apply. Students who enter the program without a master's degree will be required to take additional coursework known as Business Foundations before entering doctoral coursework.
- Graduate Management Admission Test (GMAT) scores. Although GMAT scores are preferred, Graduate Records Examination (GRE) scores will be accepted in some cases. Test scores may not be more than five years old. Information about the GMAT can be found at gmac.com.
- At least two letters of recommendation from academic or professional sources familiar with the applicant's background.
- A current resume or curriculum vitae.
- A personal statement of academic interests and goals.
- International students must also submit acceptable scores on the Test of English as Foreign Language (TOEFL). Test scores may not be more than two years old. Those with a degree from a country where English is the official language are exempt from this requirement.

AACSB Accreditation

UTEP offers the only AACSB Accredited business programs in the El Paso border region. The UTEP College of Business Administration has earned AACSB Accreditation for both its Business Administration and Accounting programs.

Less than 5 percent of business schools world-wide have earned this prestigious designation from AACSB International – The Association to Advance Collegiate Schools of Business – which provides global leadership in advancing management education. So you know the degree you’ll earn from UTEP Business is of high quality—and highly regarded by the business community.
Ph.D. in Business Administration

Our Doctor of Philosophy (Ph.D.) Program in Business Administration is designed to prepare new generations of faculty from diverse backgrounds, to meet critical research and teaching challenges projected in business education.

The full-time program emphasizes strong quantitative research methods and business core sequences, as well as opportunities for research in accounting, finance, information systems, management, and marketing. Within the context of these specializations, students are provided a strong base in theoretical knowledge, state-of-the-art methodological skills and an extensive library of databases.

Students teach in their field of interest while in the program and are placed in academic positions fully qualified to teach as specified under Southern Association of Colleges and Schools (SACS) faculty qualification provision.

Why a Ph.D. in Business Administration at UTEP

HIGH PROGRAM QUALITY
• A one-to-one faculty to student ratio. Students work closely with faculty members in their area of concentration. This enhances their portfolio of research and teaching which is critical to advancing their careers.
• Accredited by AACSB International. UTEP College of Business Administration (COBA) is among the less than 5% of Business schools worldwide who have obtained this designation.
• A highly qualified and diverse faculty. COBA faculty come from all over the world, have vast professional experience in their fields, and have published research in top scholarly journals which include but are not limited to:

Accounting: Journal of Accounting Research; Journal of Accounting Auditing & Finance; International Journal of Accounting Research
Finance: Review of Financial Studies; Journal of Financial & Quantitative Analysis
Information Systems: MIS Quarterly; Information Systems Research; Communications of the ACM; Journal of Management Information Systems; Artificial Intelligence
Marketing: Journal of Marketing; Journal of Marketing Research; Journal of Marketing Science; Journal of Consumer Psychology
Management: Strategic Management Journal; Academy of Management Journal; Journal of Management; Strategic Organization; Personell Psychology; Journal of Applied Psychology

FINANCIAL SUPPORT
• Stipends. Ph.D. students currently receive a $19,000 annual stipend as part of a research and teaching assistantship. Depending on the department, there is also the option to teach in the summer and earn an additional $4000-$6000.
• Competitive fellowships. Available on a competitive basis and cover the cost of tuition.
• Health Insurance: Included with the stipend.

LOCATION
• Friendly and safe international city with a low cost of living. El Paso is part of a vibrant binational, tri-state metropolitan area that comprises Las Cruces, New Mexico and Ciudad Juarez and ranks not only as one of the safest cities in the U.S. but also as one of the most affordable.
