

MASTER OF ACCOUNTANCY

The UTEP Master of Accountancy (MAcc) is for individuals preparing for careers in professional accounting fields or for practicing accountants wishing to increase their knowledge. **Completion of the MAcc degree meets the educational requirements to take the CPA exam in Texas.**

The MAcc degree requirements consist of 3 semester hours of graduate level coursework including:

- 12 semester hours of accounting core courses
- 12 semester hours of accounting concentration courses
- 3 semester hours of accounting or business elective courses
- 3 semester hours of accounting capstone

There are two components to the Master of Accountancy program. Degree in accounting from AACSB accredited business schools are required to complete leveling courses. Leveling courses consist of 36 semester hours of courses in accounting, business law, economics, quantitative methods, marketing, and finance.

*For more information please contact:
Accounting & Information Systems Department Manager
Carmen B. Medellin, M.Ed.
(915)747-7737, cbsanchez@utep.edu*

The AIS Department is accredited by the Association to Advance Collegiate Schools of Business, AACSB International. The College of Business Administration has earned accreditation for both its Business Administration and Accounting programs. Less than 5% of Accounting business schools world-wide have earned this prestigious designation from AACSB International which provides global leadership in advancing management education.
