

# BS/MBA FAST-TRACK PROGRAM

## BS in Biological Sciences-Biomedical Concentration/MBA

The College of Science and the Woody L. Hunt College of Business are partnering to offer a fast track program for undergraduate students pursuing a BS in Biological Sciences – Biomedical Science Concentration who are also interested in pursuing a Master of Business Administration Degree. BS in Biological Sciences – Biomedical Science Concentration students are required to have a 3.3 cumulative GPA and 90 credit hours toward their major in order to apply for admission to the UTEP MBA program. Once admitted to the UTEP MBA, BS/MBA fast-track students will be allowed to take 12 credit hours of MBA core coursework which will count dually toward the BS elective requirements and the MBA core requirements.

The table below lists the MBA core courses which count dually.

**After completion of the BS degree, fast-track students will need only 6 more courses to earn a UTEP MBA!**
