

# BS/MBA FAST-TRACK PROGRAM

## BS in Physics - Applied Physics Concentration/MBA

The College of Science and the College of Business Administration are partnering to offer a fast track program for undergraduate students pursuing a BS in Physics – Applied Physics Concentration who are also interested in pursuing a Master of Business Administration Degree. BS Physics – Applied Physics Concentration students are required to have a 3.3 cumulative GPA and 90 credit hours toward their major in order to apply for admission to the UTEP MBA program. Once admitted to the UTEP MBA, BS/MBA fast-track students will be allowed to take 9 credit hours of MBA core coursework, which will count dually toward the BS elective requirements and the MBA core requirements.

The table below lists the MBA core courses which count dually.

**After completion of the BS degree, fast-track students will need only 9 more courses to earn a UTEP MBA!**
