

BS/MBA FAST-TRACK PROGRAM

BS in Industrial and Systems Engineering/MBA

The College of Engineering and the College of Business Administration have partnered to offer a fast-track program for undergraduate students pursuing a B.S. in Industrial and Systems Engineering who are also interested in pursuing a Master of Business Administration Degree. B.S.-Industrial and Systems Engineering students are required to have a 3.3 cumulative GPA and 90 credit hours toward their major in order to apply for admission to the UTEP MBA program. Once admitted to the UTEP MBA, BS/MBA fast-track students will be allowed to take:

- 1) up to 9 credit hours of MBA core coursework that will count toward completion of the BS-ISE and 6 credit hours in graduate Engineering coursework that will count toward completion of the MBA
- 2) up to 9 credit hours in graduate Engineering coursework that will count toward completion of the MBA and 6 credit hours in mba core coursework that count toward completion of the B.S.-ISE

The table below lists the MBA core courses which count dually.

Fast-track students taking full advantage of this program will need only 7 more graduate courses to earn a UTEP MBA after completion of the B.S. degree.*

MBA CORE COURSES ELIGIBLE FOR FAST TRACK DUAL CREDIT
