# Executive Coaching Program

# Executive MBA Program Exclusive

The **Executive Coaching Program** is a 12-month opportunity for Executive MBA students at the **University of Texas - El Paso**, who are leading now or preparing to step into an expanded role. It's designed to help you grow your impact and pursue new opportunities, all while balancing work, school, and personal commitments.

You'll be matched with a **certified Executive Coach from Right Management** who specializes in executive career transitions and leadership development, providing personalized guidance to strengthen your leadership presence and career strategy, from refining your personal brand to building a focused job search and networking plan.

### What you'll Receive:

#### 1:1 Executive Career Coaching

- Personalized coaching with a certified Executive Coach.
- Unlimited access throughout the 12-month program.
- Support for resume refinement, branding, and career strategy.

### Access to NEXT platform includes:

#### Learning Opportunities

- Live learning opportunities with peers and employers on a rotating weekly calendar.
- Access to 1000s of on-demand leadership, career mobility classes and webinars.

#### Job Search Tools & Resources

- Professional resume formatting services.
- Branding & LinkedIn communication templates.
- Interview & networking preparation guides.

#### Networking Opportunities

- Virtual job fairs & employer spotlights.
- Access to exclusive monthly networking groups.

### Program Benefits

- Strengthened leadership capability.
- Enhanced skills for job search and transition.
- Direct visibility with employer partners.

### Ideal for:

- Executive MBA students preparing for leadership growth or transition.
- Professionals seeking comprehensive career readiness support.

*"My Right Management Executive Coach challenges me in the best ways. They are thoughtful, direct, and never complacent or sugar-coating, which is exactly the kind of "tough love" I need at this stage. They believe in me, support me, and truly understand both the opportunities and the realities I'm facing. That combination has been incredibly motivating and grounding."*

- Current ISU Executive MBA Student
