

# SERVICE LEARNING SIGN-UP

Service Learning is a form of **experiential education** that integrates **meaningful, real-world** community service with **course** goals and objectives. The experience involves students participating in **reflection** activities that enrich the **mutually beneficial** outcomes of students and the **needs** of the El Paso community.

**“Real, sustainable community change requires the initiative and engagement of community members.”**

-Helene D. Gayle

## Benefits for students:

**Learning Outcome** - Improves students' ability to apply what they have learned in "the real world".

**Personal Outcomes** - Greater interpersonal development, particularly the ability to work well with others, and build leadership and communication skills.

**Social Outcomes** - Reduced stereotypes and greater inter-cultural understanding.

**Career Development** - Connections with professionals and community members for learning and career opportunities.

## Selecting your site:

While reviewing the site options for your course please keep in mind the following:

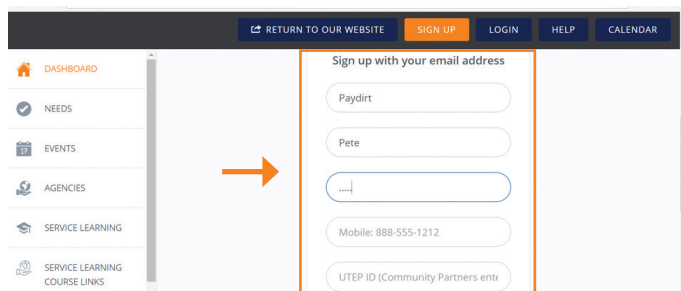

**Your schedule and time availability** - do the hours of operation match your availability?

**Area of town** - what area of town do you prefer? Near campus? Near your work? Near your home?

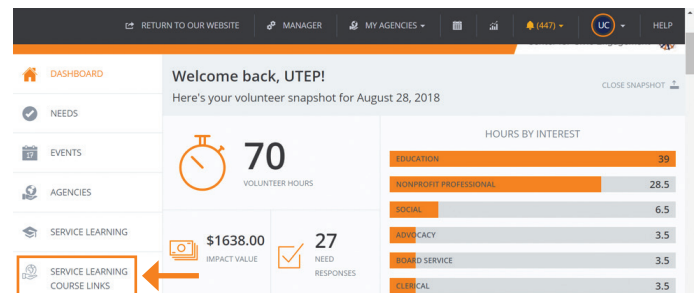

**Your passion and interests** - what do you hope to learn and experience? What talents or skills can you develop?

**Community issues** - what community issues are you interested in learning more about?
