

2015 NATIVE PLANT SALE
UTEP CENTENNIAL MUSEUM CHIHUAHUAN DESERT GARDENS
Available Species List

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Acacia farnesiana Sweet Acacia, 'Sierra Sweet'	Small Tree 20' x 20'	L/M 15-20'	F 15° F	Seeds/ Nuts	Fragrant yellow spring flowers, thorns, deciduous, light shade.
Acacia greggii Catclaw Acacia	Tree 15' x 20'	L 20'	F 0° F	Bees	Small deciduous tree covered with fragrant cream flowers in spring. Has recurved thorns.
Achillea filipendulina 'Coronation Gold' Fern-Leaf Yarrow 'Coronation Gold'	Perennial 2-3' x 1-2'	L/M 1-2'	F/P -40° F	B	Yellow flowers. Silvery filigree foliage. Deer resistant.
Agave chrysantha Goldenflower Century Plant; Golden-flowered Agave	Accent 3' x 3'	L 3-4'	F 10° F		Golden-yellow flowers. Flower stalk to 20'. Sharp spines at tip and leaf margins. Sonoran desert species for the collector.
Agave geminiflora Twin Flowered Agave	Accent 3' x 3'	L 3'	F/P 15° F		Dense rosette of dark green, sharp tipped leaves. Nice symmetrical shape. Tolerates full sun and partial shade
Agave havardiana Big Bend Agave	Accent 3' x 3'	L 4'-5'	F/P 10° F		Medium size. Wide blue-green leaves. Will take light shade.
Agave murpheyi 'Rodney' Murphey's Agave, 'Rodney'	Shrub 3' x 3'	L 3'	F 10° F		Blue green to gray green leaves with striking bud imprints. Produces offsets and plantlets on flower stalk. Dies after flowering.
Agave parryi ssp. neomexicana New Mexican Century Plant	Accent 18- x 18- 24" 24"	L 18-24"	F 10° F		Silver-gray foliage. Good for containers. Spines and sharp edges, Handle with care.
Agave parryi v. couesii Agave	Accent 1-2' x 2'	L/M 2'	F/P 0° F		Spiny tip and leaf margins. Blue-green foliage.
Agave parryi v. truncata Artichoke Agave	Accent 3' x 3'	VL 3'	F/P 10° F		Very xeric, thick toothed leaves in a tight whorl. Good in containers.
Agave victoriae-reginae 'Compacta' Compact Queen Victoria Agave	Accent 12" x 12"	L 12"	F 10° F		Small, compact, slow growing. Good in pots
Anisacanthus quadrifidus v. wrightii Mexican Flame, 'Mexican Fire'	Shrub 4-5' x 4-5'	L/M 5'	F 0° F	H	Summer humming favorite, orange flowers, xeric, deciduous.
Aptenia cordifolia Hearts and Flowers	Perennial .25 x 3'	M 2'	F/S 15° F		Low growing succulent ground cover with dark green fleshy, heart shaped leaves and a bright red to pink flowers
* Aquilegia chrysantha Golden Columbine	Perennial 3' x 3'	M/H 3'	PSh/ FSh -30° F		Needs moist soil, showy yellow flowers spring to fall.
Artemisia absinthium 'Powis Castle' Wormwood 'Powis Castle'	Shrub 2-3' x 4-6'	L 4-6'	F/P -15° F		Silvery and fuzzy foliage. Inconspicuous yellow flowers.
* Artemisia filifolia Sand Sage	Shrub 3' x 3'	L 3-4'	F -10° F		Silver foliage, sand loving, xeric plant. Use as a color foil.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
* Atriplex canescens Four Wing Saltbush	Shrub 5' x 5'	L 6'	F -35° F	Seeds	Salt & clay tolerant. Seeds excellent for quail. Male and female plants.
* Baileya multiradiata Desert Marigold	Perennial 1' x 1'	L 1'	F 10° F	B	Local, short-lived, yellow flowers. Reseeds. Needs good drainage
Bauhinia lunarioides (B. congesta) Anacacho Orchid Tree	Small Tree/Shrub 12' x 10'	L 10'	F/P 10° F		Nice small patio tree with white or pink flowers in spring.
Bauhinia macranthera (grafted) Chihuahuan Orchid Tree, Pink Orchid Tree	Small Tree/Shrub 15' x 8'	M 10'	F/P 0° F		Nice small patio tree with pink flowers in spring.
* Berlandiera lyrata Chocolate Flower	Perennial 1' x 2'	L 2'	F/P -20° F	B	Very fragrant (chocolate) yellow flowers spring to fall. Good bedding plant.
Bignonia capreolata Tangerine Crossvine	Vine 10-30' x 10-30'	M 9-12"	F/P 10° F	B, Bees, Birds	Red/Yellow to Orange/Yellow flowers.
* Bouteloua curtipendula Sideoats Grama	Grass 2' x 2'	L 2-3'	F -10° F	Seeds	Bunching Perennial/ Grass/ with large drooping seeds. Good for wildlife.
* Bouteloua gracilis Blue Grama	Grass 2' x 2'	L/M	F -30° F	Seeds	Soft Perennial/ bunch Grass/ with eyelash seed heads - can be mowed occasionally.
* Bouteloua gracilis 'Blond Ambition' Blue Grama, 'Blond Ambition'	Grass 2.5-3' x 2.5-3'	L/M 2.5-3'	F -20° F	Seeds	Soft Perennial/ bunch Grass/ with eyelash seed heads and chartreuse flowers.
Buddleja marrubifolia Wooly Butterfly Bush	Shrub 5' x 5'	L 3'	F 15° F	B	Silver foliage, balls of orange flowers, xeric. Attracts butterflies.
Bulbine frutescens Orange bulbine, 'Tiny Tangerines', 'Hallmark'	 1' x 2'	L 2'	F/P 10° F		South African succulent, blooms orange all summer. Do not over water.
Caesalpinia gilliesii Yellow Bird of Paradise	Shrub 6-10' x 4-6'	L 6'	F 5° F		Naturalized South American native, very xeric, hardy.
Caesalpinia mexicana Mexican Bird of Paradise, 'Sierra Sun'	Shrub 5' x 5'	L	F 15° F		Marginal, freezes to ground, root hardy, yellow flowers,
Caesalpinia pulcherrima Red Bird of Paradise	Shrub 4' x 5'	L 5-6'	F 25° F		Marginal, freezes to ground, root hardy, red-orange flowers.
Calliandra californica x eriophylla Hybrid Red Fairy Duster	Shrub 3-4' x 3-4'	L/M 3-4'	F/P 15° F		Vase shaped shrub, with bright red puff-like blooms, with small, tiny leaflets, possible frost sensitive.
* Calliandra eriophylla Pink Fairy Duster	Shrub 3' x 3'	L 3'	F 5° F	H	Xeric, spring bloomer, delicate ball of long pink stamens.
Calylophus berlandieri Berlandier's Sun Drops	Ground cover 1' x 2'	L/M 2'	F/S 5° F		Showy, yellow flowers 2" across with four broad crinkled petals. This bushy plant has narrow, spiny-toothed leaves
Calylophus hartwegii Sun Drops	Perennial 1-2' x 1-2'	L/M 1-2'	F/P 20° F	Moths	Mound of bright yellow flowers. Mass plant for effect.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Caryopteris x clandonensis 'Dark Knight' Blue Mist	Shrub 3' x 4'	M	F/P -30° F	B, Bees	Long, narrow grey-green aromatic leaves, blue flowers. Summer bloomer, well-drained soils. Deer resistant.
Cedrus deodara Deodar Cedar	Tree 50' x 30'	M 20'	F 10° F		Evergreen with pyramidal shape, soft gray-green needles with drooping horizontal branches
* Celtis laevigata v. reticulata Canyon Hackberry	Tree 30' x 30'	L/M 20'	F 0° F	Fruit	Local arroyo tree, excellent for bird food & nesting.
Cercis canadensis v. mexicana Mexican Redbud	Small Tree 20' x 20'	L/M 15'	F 0° F		Beautiful rose pink spring bloomer, multi-trunk, xeric. Good patio tree.
Cercis canadensis v. texensis Texas Redbud	Small Tree 15' x 20'	L 15'	F 0° F		Multi-trunk tree with rose-pink spring flowers, lush looking leathery green leaves, yellow fall color. Good patio tree.
* Chilopsis linearis Desert Willow	Small Tree 25' x	L 15'	F 0° F	H	Good xeric color tree, shades of pink.
Chilopsis linearis Desert Willow, 'Art's Seedless'	Small Tree 25' x 25'	L 15'	F 0° F	H	Good xeric color tree, shades of pink, and a seedless selection.
Chilopsis linearis Desert Willow, 'Bubba'	Small Tree 20' x	L 15'	F 0° F	H	Good xeric color tree, shades of purple.
Chilopsis linearis Desert Willow, 'Lucretia Hamilton'	Small Tree 25' x 25'	L 15'	F 0° F	H	Good xeric color tree, shades of pink.
Chilopsis linearis Burgundy Desert Willow, 'Sweet Katie Burgundy'	Tree 30' x 20'	L 20'	F -10° F		Dense, round-headed shape with narrow leaves and deep burgandy flowers from spring to fall
Chilopsis linearis Desert Willow, 'Warren Jones'	Small Tree 25' x	L 15'	F 0° F	H	Good xeric color tree, shades of pink.
* Chilopsis linearis 'Timeless Beauty' PP11,078 Desert Willow, 'Timeless Beauty'	Small Tree 25' x 8-10'	L 6-8'	F 10° F	H	Good xeric color tree, shades of pink.
* Chrysactinia mexicana Damianita	Shrub 2' x 2'	L 2'	F 0° F	B	Petite xeric, evergreen, subshrub, fragrant foliage, yellow flowers.
* Conoclinium greggii Blue Mist Flower, 'Boot Hill'	Groundcover 2' x 2-3'	M 2-3'	F/P 0° F	B	Rhizomatous, cut to ground in winter. Excellent for butterflies. Lavendar-blue flowers.
Cordia boissieri Mexican Olive. Anacahuita, Texas Wild Olive	Tree 15-25' x 15-25'	L 15-25'	F/P 20° F	H, Fruit	Gorgeous white flowers for patios. Water to establish otherwise matures xeric & hardy.
Cordia parvifolia Little-leaf Cordia	Shrub 6' x 8'	L	F 10° F		Xeric, sprawling shrub with white flowers.
Cuphea llavea Bat-Faced Cuphea	Perennial 2-3' x 2-3'	M 2-3'	F/P 20° F		Water loving perennial native of Mexico. Red and purple flowers March to October in warm areas. Good substitute for annual color. Frost tender in colder areas. Good for containers. Protect from elements.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Cupressus arizonica Arizona Cypress	Tree 30' x 20'	L 20'	F 0° F		Evergreen, windbreak tree.
Dalea bicolor v. bicolor Blue Dalea, 'Monterrey Blue'	Shrub 5' x 6'	L 5'	F 10° F		Blooms in winter to early spring with rich blue flowers.
Dalea capitata 'Sierra Gold'	Groundcover 10- x 4' 12"	L 3-4'	F 10° F		Yellow lemon scented flowers, groundcover. Rabbit resistant.
Dalea greggii Trailing Dalea, Trailing Indigo Bush	Groundcover 2' x 6'	L 2-3'	F 10° F	B	Good groundcover on drip irrigation in well-draining soil.
Dasyllirion quadrangulatum Toothless Desert Spoon, Mexican Grass Tree, Longleaf Sotol	Shrub 6-9' x 5'	L/M 5'	F/P 15° F		Unusual fountain shape, long thin leaves without teeth. Tree form with age.
* Dasyllirion texanum Green Sotol	Shrub 5' x 5'	L 2-3'	F -25° F		Xeric green accent; leaves with serrated margins.
* Dasyllirion wheeleri Desert Spoon, Grey Sotol	Shrub 6-9' x 5'	L/M 8'	F/P 0° F		Xeric blue-green accent; leaves with serrated margins.
Delosperma cooperii 'Lavender Ice' Hardy Purple Ice Plant, 'Lavender Ice'	Groundcover 6" x 3'	L	F		Vigorous spreader, good rock garden or rock mulch plant. Needs well-drained soil.
Delosperma dyeri 'Fire Spinner' 'Fire Spinner', Hardy Peach-red Ice Plant	Groundcover 6" x 6-8"	L 8"	F -10° F		Deep pink/orange flowers. Vigorous spreader, good rock garden or rock mulch plant.
Delosperma dyeri 'Psdold' 'Psdold', Hardy Peach-red Ice Plant	Groundcover 6" x 3'	L	F		Vigorous spreader, good rock garden or rock mulch plant.
Delosperma X 'John Proffit' 'John Proffit', Hardy Purple Ice Plant	Groundcover 6" x 3'	L	F		Vigorous spreader, good rock garden or rock mulch plant.
Dichondra argentea Silver Ponysfoot	groundcover .25' x 1'	M/H 1'	F/P 15° F		Very low growing, spreading groundcover. Round, silver colored leaves about 1/2 inch wideform along the spreading stems
Drosanthemum speciosum Ice plant, 'Rosea'	Groundcover 1' x 3'	L/M	F 20° F		Succulent plant, roots at stem nodes, pink flowers.
Ebenopsis ebano Texas Ebony	Small Tree 25' x 25'	L	F 18° F		Semi-evergreen when young. Creamy flowers, large pods.
* Ericameria (Chrysanthamnus) nauseous Rubber Rabbitbush	Shrub 6' x 6'	L 6'	F -20° F	B	Silver-gray evergreen foliage, yellow fall flowers for Santa Fe look.
Ericameria laricifolia 'Aguirre'™ Turpentine Bush	Shrub 2-3' x 2-3'	L 3'	F -10° F		Autumn blooming evergreen xeric shrub. Bright yellow flowers.
Eriogonum fasciculatum 'Little Rascal' Buckwheat 'Little Rascal'	Shrub 2-3' x 2-3'	L/M 2-3'	F/P -20° F		White blooms.
Euphorbia antispyphilica Candelilla	Shrub 3' x 1'	L	F		Leafless succulent, spreads slowly in dry, hot locations. Xeric accent.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Euphorbia rigida Gopher Spurge	Perennial 4' x 2'	L	F		Showy succulent accent. Cut back after blooming.
* Fallugia paradoxa Apache Plume	Shrub 3-8' x 3-8'	L 5'	F -30° F		White flowers in spring, attractive seed plumes. Xeric. Semi-evergreen.
Foresteria neomexicana New Mexican Privet, Desert Olive	Shrub 16' x 12'	M 12'	F/P -30° F	Birds, berries	Deciduous. Blue-black berries. Dioecious.
Fouquieria splendens Ocotillo	Shrub/Accent 12' x 5'	L	F	H	Seed grown in containers. Not wild harvested.
Gaillardia X grandiflora Firewheel, Blanketflower, 'Arizona Sun'	Perennial 1' x 2'	L/M	F	B	Common perennial flowering bedding plant. Reddish petals tipped with yellow.
Gaura lindheimeri Butterfly Gaura, Whirling Butterflies, 'Pink Cloud'	Perennial 2' x 3'	M/H 3'	F/P 0° F	B	White/pink flowers on long stems, cut to winter rosette. Will tolerate heavy soils.
Gaura lindheimeri Butterfly Gaura, Whirling Butterflies, 'Siskiyou Pink'	Perennial 2' x 3'	M/H 3'	F/P 0° F	B	White/pink flowers on long stems, cut to winter rosette. Will tolerate heavy soils.
Gaura lindheimeri 'White' Butterfly Gaura, Whirling Butterflies	Perennial 2' x 3'	M/H 3'	F/P 0° F	B	White/pink flowers on long stems, cut to winter rosette. Will tolerate heavy soils.
Gaura lindheimeri 'Mr Liko' Butterfly Gaura, Whirling Butterflies, 'Mr Liko'	Perennial 2-3' x 2-4'	M/H 2-4'	F/P 10° F	B	This is a selection of 'Pink Cloud' with blush pink flowers and reddish foliage.
Gazania krebsiana Terracotta gazania	Perennial 1' x 2'	L 3'	F 10° F		Drought and heat tolerant, somewhat spreading, with large orange-red flowers, attractive to pollinators
Gazania rigens Treasure Flower or Clumping Gazania, 'Sun Gold'	Perennial 1' x 1'	L/M 1'	F 20° F		Multi-colored yellow and bronze flowers, bloom under the harshest of conditions. Blooms attractive to many different insects.
Glandularia gooddingii Fragrant Verbena, Sonoran Verbena	Perennial 1' x 1'	L 1'	F 20° F	B	Short lived, purple flowering bedding plant for groundcover. Good for butterflies.
Glandularia pulchella Purple Verbena, Rock Verbena	Perennial 1' x 2'	M	F 15° F	B	Bright flowers. Short lived groundcover.
Glandularia rigida Sandpaper Verbena	Groundcover 2' x 4'	L 3'	F 0° F	B	Coarse leaved, purple flowers, spreads by rhizomes. Root hardy.
Hamelia patens Texas Firecracker Bush, 'Sierra Red'	Shrub 5' x 5'	H	F 20° F	H, Fruit	Marginally cold hardy, fiery flowers, good in large pots.
Helianthus maximilliani Maximillian's Sunflower		M 3'	F 0° F		Rhizomatous spreading, summer/fall perennial sunflower.
Hesperaloe funifera Giant Hesperaloe	Shrub 6' x 6'	L 6'	F -10° F		Green-lavender flowers on tall 12' spikes. Big clumps
Hesperaloe nocturna Nightblooming Hesperaloe	Shrub 4-5' x 5'	L	F/P 0° F		Large accent, night bloomer. Flower spikes to 12'

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Hesperaloe parviflora 'Perpa' Brakelights (r) USPP	Shrub	L	F	H	Evergreen clumps of thin leaf blades. Bright red flowers.
Red False Yucca, 'Brakelights'	2' x 2'	2'	-20° F		
Hesperaloe parviflora 'Red'	Shrub	L	F	H	Evergreen clumps of thin leaf blades. Pinkish-red flowers.
Red False Yucca	3' x 3'	3'	-20° F		
Hesperaloe parviflora 'Yellow'	Shrub	L	F		Yellow Yucca is a carefree, low maintenance plant for desert gardens. Long-lasting yellow flower spikes rise above the clumping leaves in the summer months. It works well in the ground or in containers.
Yellow Yucca	3' x 3'	3'	-20° F		
Hesperaloe x 'Perfu' Pink Parade USPP#21728	Shrub	L	F	H	Evergreen clumps of thin leaf blades. Pinkish-red flowers.
Pink False Yucca	3-4' x 3-4'	3'	-10° F		
* Juniperus monosperma	Tree	L	F		Excellent evergreen for wildlife, screen, or windbreak.
One-seed Juniper	x				
Juniperus scopulorum	Small Tree	L	F	Berry	Excellent evergreen for wildlife, screen, windbreak.
Rocky Mountain Juniper	12- x 3- 36' 15'	3-25'	-20° F		
Justica spicigera	Perennial	M	P		Semi-evergreen perennial with bright orange tubular flowers. Best in filtered sun. Supplemental irrigation is needed.
Mexican Honeysuckle	3' x 3'	3'	15° F		
* Krascheninnikovia lanata	Perennial/Shrub	L	F	Seeds	Xeric, silver colored foliage, seed head in winter. Takes poor soil. Accent plant.
Winterfat	2' x 3'	2-3'	-30° F		
Lantana camara	Shrub	L	F	B	Red-orange selection. Great butterfly plant.
'Dallas Red'	3' x 3'				
Lantana montevidensis	Perennial	L/M	F	B	Good color but barely hardy, treat as annual. Purple flowers.
Purple Trailing Lantana	2' x 2'		20° F		
Lantana X species hybrid		L/M	F	B	Hybrid, mass for colorful groundcover, root hardy. Yellow flowers.
'New Gold'	18- x 2-3' 24"	2-3'	10° F		
* Larrea tridentata	Shrub	L	F		Very xeric evergreen. Can be sheared for hedges. Tolerates poor, thin soils, hot locations.
Creosote	5' x 5'	5'	-10° F		
Leucaena retusa	Small Tree	M	F		Small multi-trunk patio tree with 1" yellow globe flowers. Brittle wood so protect from wind.
Goldenball Lead Tree	20' x 8'	15'	0° F		
Leucophyllum frutescens	Shrub	L	F		Very xeric, silver to green leafed, needs good drainage, blooms after summer rains.
Texas Ranger/Cenizo	6' x 6'	3-4'	10° F		
Leucophyllum frutescens 'Compacta'	Shrub	L	F		Very xeric. Gray leafed. Does need good drainage. Blooms after summer rains with rich pink flowers. This selection is more compact for a neater plant.
'Compacta' Texas Sage	5' x 5'	5'	10° F		
Leucophyllum frutescens 'Convent'	Shrub	L/M	F/P		Dark rosy-purple flowers. Silver foliage.
Convent Cenizo; Convent Texas Ranger	5-6' x 5-6'	5-6'	10° F		
Leucophyllum frutescens 'Green Cloud'	Shrub	L	F		Very xeric. Green leafed. Does need good drainage. Blooms after summer rains.
'Green Cloud'	6-8' x 6-8'	6-8'	10° F		

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Leucophyllum frutescens X laevigatum 'Heavenly Cloud'	Shrub	L	F		Very xeric, needs good drainage, blooms after summer rains.
'Heavenly Cloud'	6' x 6'	3-4'	10° F		
Leucophyllum laevigatum	Shrub	L	F		Lavendar flowers, Very xeric, needs good drainage, blooms after summer rains.
Chihuahuan Rain Sage	6' x 6'	3-4'	10° F		
Leucophyllum laevigatum 'Summer Snow'™	Shrub	L	F		White flowers, Very xeric, needs good drainage, blooms after summer rains.
Chihuahuan Rain Sage, 'Summer Snow'	6' x 6'	3-4'	10° F		
Leucophyllum langmaniae 'Lynn's Legacy'	Shrub	L	F		Clone w/frequent and profuse flower displays. Rich green foliage and lavender flowers. Not as dependent on relative humidity change for flowering as other selections. Very xeric, needs good drainage.
'Lynn's Legacy'	5' x 5'	5'	10° F		
Leucophyllum langmaniae 'Rio Bravo'	Shrub	L	F		Very xeric, needs good drainage, excellent bloomer after summer rains.
'Rio Bravo', 'Brave River'	5' x 5'	5'	10° F		
Leucophyllum pruinsum	Shrub	L	F		Very xeric, fragrant flowers after summer rains, needs good drainage.
Fragrant Rainsage, 'Sierra Bouquet'	6' x 6'	6'	10° F		
Leucophyllum zygophyllum	Shrub	L	F		Very xeric, attractive silver-leafed, needs good drainage.
'Blue Ranger', 'Cimarron'	5' x 5'	3'	15° F		
* Linum lewisii	Perennial	L/M	F		Mixes well in grass for meadow effect, blue flowers.
Blue Flax	12" x 12"	1'	-10° F		
Lobelia laxiflora	Perennial	M	F/P	H	Low rhizome spreader for rock gardens, red flowers, root hardy.
Looseflower Lobelia, Drooping Lobelia	2' x 1'	1'	20° F		
Lycium fremontii	Shrub	L/M	F/P	Birds	White to purple flowers and edible fruits.
Wolfberry	5-9' x 6-8'	6-8'	20° F		
Maireana sedifolia	Shrub	L	F/P		Silvery foliage.
Pearl Bluebush	2-3' x 2-3'	2-3'	-20° F		
Malephora lutea	Groundcover	L	F		Hardy, vigorous, yellow flwrs, holds slopes.
Rocky Point Iceplant	12" x 6'		25° F		
Malvaviscus arboreus var. drummondii x 'Big Momma'	Shrub	M	F/P	H, B, Bees, Birds	Root hardy. Red cigar-shaped flowers. This plant is attractive to bees, butterflies and/or birds.
Hummingbird Mallow, 'Big Momma'	6-8' x 6'	3-4'	5° F		
Manfreda maculosa	Perennial	L/M	F/P	H	Lily-like, creamy flowers on 3' stalks.
Texas Tuberose	24" x 12"		0° F		
Melampodium leucanthum	Perennial	L	F/P	B	Short-lived perennial. Low mounding habit. White daisy-like flowers all summer. Give good drainage. Likes hot locations.
Blackfoot Daisy	12" x 15-18"	1'	-20° F		
Muhlenbergia capillaris	Grass	L/M	F	Seeds	Bunch perennial, attractive pink seed plumes in fall.
Pink Muhly, 'Regal Mist'	3' x 3'	3'	-10° F		
* Muhlenbergia emersleyi	Grass	L/M	F	Seeds	Perennial clumping Accent. Tolerates saline soils.
Bull Grass, 'El Toro'	3' x 3'	3'	0° F		

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Muhlenbergia lindheimeri Big Muhly, Blue Muhly, 'Autumn Glow'	Grass 4' x 4'	L/M 4-5'	F -10° F	Seeds	This ornamental grass produces tall spikes of wheat colored flowers in the fall. These spikes rise above the 4-5' mound of gen foliage. Autumn Glow softens boulders, and looks great around water features. Combine with Regal Mist.
* Muhlenbergia rigens Deer Grass	Grass 4-5' x 4-5'	M 4-5'	F -10° F	Seeds	Large tidy mounding perennial bunch grass. Seeds will feed wildlife. Lush accent plant.
* Muhlenbergia rigida Purple Muhly, 'Nashville'	Grass 2' x 2'	L/M 2'	F/P -10° F	Seeds	Perennial grass with attractive purple seed heads in Fall. Bunching.
Muhlenbergia x 'Pink Flamingo' 'Pink Flamingo'	Grass 4-5' x 2'	M 2'	F/P -10° F		This is a bunch grass with pink inflorescence for accent and mass planting.
Nassella (Stipa) tenuissima Mexican Needlegrass, Mexican Feathergrass	Grass 18" x 12"	M 1'-2'	F/P -10° F	Seeds	Soft bunching grass. Short lived but reseeds readily, mass for best effect.
Nepeta x faassenii Catmint	Perennial 1-2" x 1-3'	L/M 1-3'	F/P -30° F	B, H	Fragrant. Blue/lavendar flowers. Sensitive to humidity. Rabbit/Deer resistant.
Nepeta X faassenii Nepeta 'Select Blue', Catmint	Perennial 18- x 12- 24" 24"	L/M 12-24"	F/P -30° F	B	Fragrant, blue flowers. This is a compact sterile hybrid.
Nolina matapensis Sonoran Tree Beargrass	Shrub/Tree 12- x 6' 15'	L	F/P 15° F	Bees	Large slow growing multi-headed trunk, long sharp-edged leaves.
Nolina microcarpa Beargrass	Shrub 4' x 4'	L 4-5'	F 0° F	Seeds	Mounded grass-like foliage in large clump.
Nolina nelsoni Tree Beargrass	Shrub 6' x 4'	L	F 0° F		Spectacular plumes of white flowers, bluish leaves
* Nolina texana Texas Beargrass	Shrub 3' x 3'	L 3'	F 0° F	Seeds	Small clumping grass-like evergreen foliage mounds.
Oenothera caespitosa Tufted Evening Primrose	Perennial 2' x 2'	L	F 0° F	M	Clumping foliage. Large white flowers at night. Needs good drainage, sandy soil.
Oenothera fremontii 'Shimmer' PP 19663 Evening Primrose 'Shimmer'	Perennial 6-8" x 15"	L/M 15"	F -20° F	B	Deer resistant. Three inch lemon-yellow blooms Spring though Summer. Grey-green to silver foliage.
Oenothera macrocarpa 'Comanche Campfire' Bigfruit evening-primrose, 'Comanche Campfire'	Perennial 6- x 12" 12"	L/M 12"	F -30° F		Bright yellow flowers and silver-gray foliage.
* Oenothera speciosa v. berlandieri Mexican Evening Primrose	Groundcover 6- x 2-3' 12"	L/M 2'-3'	F/P -10° F	M	Aggressive spreading pink Buttercup. Confine by hardscape.
* Opuntia engelmannii Prickly Pear, 'Texas Red'	Shrub 6' x 8'	L	F 10° F	Fruit	Large pads, edible fruit & unusual red-orange flowers. Spines.
Opuntia gomei 'Old Mexico' Old Mexico Prickly Pear	Shrub 4-5' x 5-8'		f 10° F		Yellow flowers. Spineless.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Opuntia macrocentra Purple Prickly Pear, Black-Spine Prickly Pear	Cactus 2-3' x 3-4'	L 3-4'	F 10° F		Purple pads with black spines. Yellow flowers.
Opuntia santa-rita Purple Prickly Pear	3' x 5'	L	F 15° F		Purple padded accent plant, spines.
Opuntia turpinii Pinecone Prickly Pear	Shrub 1' x 2'	L	P 15° F		Spineless. Best in light shade and well-drained pots.
Panicum virgatum Shenandoah Red Switch Grass	Grass 4' x 3'	M 3'	F/S 5° F		Upright, dense foliage with green leaves that turn red with a red inflorescence. Good fall color.
Parkinsonia X aculeata 'Desert Museum' Palo Verde	Tree 25' x 25'	L 30'	F 15° F		Mostly thornless, yellow flowers spring through fall. Fast growing. Green bark.
Parthenocissus species Woodbine, 'Hacienda Creeper'	Vine 25' x	L/M	F/P 15° F	Fruit	Vigorous deciduous vine. Red stems. Mexico variety.
Pedilanthus macrocarpus Lady's Slipper	Perennial 3' x 3'	L 3'	F/P 30° F		Use as a container plant in protected areas. Orange-red flowers. Leafless lime-green stems.
Penstemon baccharifolius Shrub Penstemon, Rock Penstemon, 'Diablo'	Perennial 2' x 2'	L 1'-2'	F 10° F	H	Long lived sub-shrub with rose flowers.
Penstemon eatonii Firecracker Penstemon, Eaton's Penstemon	Perennial 1' x 2'	L 3-4'	F -10° F	H	Bright scarlet red flowers.
Penstemon parryi Parry's Penstemon	Perennial 3-4' x 1-2'	L 1'-2'	F/P 15° F	H	Popular Arizona species, pink flowers in spring. Mass for effect.
Penstemon pinifolius Pineleaf Penstemon	Perennial 2' x 1'	L 1'-2'	F -10° F	H	Mass for color. Red orange flowers, fine foliage. Sub-shrubby. Needs good drainage.
* Penstemon pseudospectabilis Desert Penstemon	Perennial 2' x 3'	L 1'-2'	F 0° F	H	Rose-red flowers, clasping foliage on shrubby plant.
Penstemon superbus Superb Penstemon	Perennial 4-6' x 1-2'	L/M 1'-2'	F/P 5° F	H	Tall, stunning coral-red flowers in spring.
Pinus cembroides Mexican Pinyon Pine	Tree 40' x 30'	L/M 30'	F -10° F		Pyramidal drought resistant evergreen with blue green needles in bundles of 2 or 3. Nuts are edible when formed.
Pinus pinea Italian Stone Pine	Tree 35-60' x 35-45'	M 35-45'	F 10° F		Pine nuts are edible.
Pistacia texana Texas Pistache	Tree 30' x 20'	L/M 20'	F 10° F		Bushy evergreen with small leaflets. Burgandy fall foliage color with red to black 1/4 inch seed. Fruit is inedible
Pistacia X 'Red Push', Red-tipped Pistache	Medium Tree 35' x 25'	L/M	F 0° F		Well-adapted shade tree. Red/orange fall color.
Platanus mexicana Mexican Sycamore	Tree 40' x 40'	L/M 40'	F/P 0° F		Moderately fast growing broad-leaved shade tree.
Plumbago scandens 'Summer Snow', White Plumbago	Perennial 3' x 3'	M 3'	S 15° F		Tropical plant good for shade, white flowers, frost tender, root hardy.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Poliomintha maderensis Oreganocillo, Lavender Spice	Shrub 3' x 3'	M 3'	F/P 10° F	H	Fragrant foliage, white fading to purple flowers. A woody mint. Used as oregano.
Polygonum aubertii Silverlace Vine	Vine 15- x 15- 25' 25'	M	F/P -30° F		Fragrant showy white flowers. Drought and shade tolerant.
* Prosopis glandulosa Texas Honey Mesquite, 'Maverick'	Tree 30' x 30'	L 25'	F -10° F	Fruit	Excellent filtered shade tree. Drought tolerant. Thornless selection.
Prosopis juliflora Arizona Native Mesquite	Tree 30' x 30'	L 30'	F 0° F		Found in the NW Chihuahuan Desert.
* Prosopis pubescens Screwbean Mesquite, Tornillo	Small Tree 10- x 10- 25' 25"	L/M 10-25'	F/P 10° F	Fruit	Tolerates poor drainage, mineralized soils. Thorns.
Prosopis glandulosa Western Honey Mesquite	Tree 30' x 30'	L 30'	F -5 - 0° F	Fruit, Bees	Edible fruit. Deciduous. Provides filtered shade.
Prunus mexicana Mexican Plum	Small Tree 25' x 25'	L/M	F/P 10° F	Fruit	Drooping leaves, white spring flwrs, edible fruit.
Punica granatum Pomegranate, 'Mesilla'	Tree 15- x 15- 20' 20'	M 15-20'	F 10° F	Fruit	Very sweet, medium pink fruit.
Purshia (Cowania) plicata Pink Cliffrose	Shrub 5' x 6'	L	F 10° F		Pink flowers, summer bloomer. Rare plant.
Quercus buckleyi Texas Red Oak	Tree 40' x 30'	L 25'	F 0° F	Acorn	Good fall red color, tolerates alkaline soil.
Quercus macrocarpa Bur oak, Fringed oak	Tree 60- x 60- 80' 80'	L/M 60-80'	F -30° F	Acorn	A deciduous white oak with a broad-spreading and rounded crown.
Quercus muhlenbergii Chinquapin Oak	Large Tree 40' x 40'	M	F -10° F	Acorn	Large shade tree, needs deep soil.
Rhus lanceolata Flameleaf Sumac	Small Tree 18' x 10'	M	F -10° F	Fruit	Flaming red and orange fall foliage. Patio use.
Rosmarinus officinalis 'Tuscan Blue' 'Tuscan Blue'	Shrub 4' x 3'	L/M	F 10° F		Upright form. Cooking herb.
Rosmarinus officinalis 'Prostrata' Creeping or Prostrate Rosemary	Ground Cover 1' x 3'	L/M 3'	F/P 15° F	Bees	Low growing evergreen plant with lavender blue flowers and dark green foliage.
Russelia X 'St. Elmo's Fire'	Shrub 4' x 4'	M	F	H	This native of Mexico has long arching green branches w/very few leaves. In summer the branches are loaded w/coral-red flowers. Freeze sensitive.
Salvia chamaedryoides Mexican Blue Sage	Shrub 2' x 2'	L 2'	F 10° F		Semi-woody, must be well drained, electric blue flowers in spring.
Salvia clevelandii Chaparral Sage	Shrub 5' x 5'	L 5'	F 10° F	H	Requires good drainage. Fragrant purple flowers.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Salvia farinacea Mealycup Sage	Perennial 2-3' x 1'	M 1'	F/P 5° F		Short-lived. Blue flowers on tall stalks. Wild selection of a popular budding plant.
Salvia greggii Autumn/Cherry Sage	Tree 3' x 3'	L/M 3'	F 10-15° F	H	Red flowers. Alkaline soils.
Salvia greggii 'Sierra Linda' Autumn/Cherry Sage, 'Sierra Linda'	Shrub 3' x 3'	M 3'	F/P -10° F	H	Medium sized. Hot pink-flowers. Good bloomer, fall & spring. Excellent for hummers
Salvia greggii 'Wild Thing' Autumn/Cherry Sage, 'Wild Thing'	Shrub 3' x 3'	M 3'	F/P -10° F	H	Medium sized. Variety of flower colors. Good bloomer, fall & spring. Excellent for hummers.
Salvia greggii x greggii 'Ruby Slippers' Autumn Sage, 'Ruby Slippers'	Shrub 3' x 3'	M 3'	F/P -10° F	H	Medium sized. Pinkish flowers. Good bloomer, fall & spring. Excellent for hummers.
Salvia greggii x lycioides 'Ultra Violet' Ornamental Sage, 'Ultra Violet', Salvia 'Ultra Violet' PPAF	Shrub 18- x 24- 20" 28"	L 2'	F -10° F		Violet-pink flowers in late summer through fall. Plant in well-drained soil. Deer and rabbit resistant.
Salvia leucantha Mexican Bush Sage	Shrub 3' x 5'	M 3'	F 15° F	H	Cut to ground in winter, purple flower spikes.
Salvia leucantha Mexican Bush Sage, 'Cislano'	Shrub 1-2' x 1-2'	M 1-2'	F/P 10° F	H, B	Small shrub with purple flowers Spring through Summer. Good for hummers.
Salvia microphylla x greggii 'Hot Lips' Autumn/Cherry Sage, 'Hot Lips'	Shrub 4' x 4'	M 3'	F/P 20° F	H	Frost tender, usually root hardy. Semi woody shrub...
Salvia microphylla x greggii 'Red Velvet' Red Velvet Sage, 'Red Velvet'	Shrub 3' x 4'	L/M 4'	F/P 15° F	B, H	Bushy plant with glossy green leaves and large very red flowers.
Salvia x greggii 'Raspberry Delight' Raspberry Autumn Sage	Shrub 3' x 3'	L 3'	F/P -10° F	H	Raspberry red flowers.
Salvia x microphylla Heatwave Sparkle Sage, 'Sparkle'	Shrub 2.5' x 3'	L/M 3'	F/P 0° F	B, H	Compact deciduous shrub with deep pink flowers with white throats.
* Sambucus nigra v. cerulea Mexican Elderberry	Small Tree 15' x 15'	M	F/P 15° F	B	Small tree, edible berries, summer & winter deciduous.
* Sapindus saponaria Western Soapberry	Tree 30' x 25'	L	F -10° F	B	Local native, good shade. White flowers, gold berries.
Sapindus saponaria var. drummondii Western Soapberry	Tree 10- x 20- 50' 30'	L 30'	F/P 5-10° F	Birds	Deer resistant. Berries are poisonous.
Scutellaria x 'Starrfire' 'Starrfire'	Groundcover 12" x 15"	L/M 15"	F 0° F		Bright purple to red flowers that bloom from Spring to Fall.
Senna nemophila Australian Senna	Shrub 3' x 3'	L	F		Well adapted. Yellow spring bloomer.
* Sophora secundiflora Texas Mountain Laurel	Shrub 10' x 15'	L	F/P 0° F		Xeric evergreen, purple fragrant flowers in spring, good screening plant.
Sphaeralcea ambigua Globemallow	Perennial 3' x 3'	L 3'	F -10° F	B	Orange, white, pink, red, and lavender multi-colored flowers.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Sphaeralcea ambigua 'Louis Hamilton' Globemallow, 'Louis Hamilton'	Perennial 3' x 3'	L 3'	F/P	B	Red-orange flowers like miniature Hollyhocks.
Sporobolus airoides Alkali Sacaton	Grass 3' x 4'	L 4'	F -20° F	Seeds	Clump grass that turns golden in the Fall and tan in the Winter. Good in alkaline soils.
* Sporobolus wrightii Giant Sacaton	Grass 7' x 5'	L 5'	F 0° F	Seeds	Large perennial bunch grass, tolerates poor/saline soil.
Tagetes lemmonii Mt. Lemmon Marigold, 'Compacta'	Perennial 4' x 5'	L	F 20° F	B	Late fall bloom, aromatic foliage. Yellow-orange daisy-like flowers. Frost tender, root hardy.
Tecoma stans v. angustata Arizona Yellow Bells	Shrub 5-10' x 6-8'	L/M 6-8"	F/P 20° F	H	Narrow-leaved Tecoma.
Tecoma stans v. stans 'Gold Star' Esperanza	Shrub 3'+ x 3'	M 3'	F/P 25° F	H	Frost tender. Superior yellow bloomer, best as an annual or in pots.
Tecoma X 'Crimson Flare' Esperanza	Shrub 6' x 6'	L/M 6'	F 15° F	H	Cluster of red flowers fading to pink w/dark green glossy leaves as a backdrop. Semi-hardy.
Tecoma X alata 'Orange Jubilee' Esperanza	Shrub 10' x 5'	M 5'	F/P 20° F	H	Root hardy, may go to ground in winter. Orange flowers.
Tecoma X species 'Sierra Apricot' Esperanza	Shrub 6' x 5'	M 5'	F/P 20° F	H	Frost tender hybrid. Good for pots. Yellow/orange flowers.
Tecoma X species 'Sunrise' Esperanza	Shrub 6' x 5'	M 5'	F/P 20° F	H	Frost tender hybrid. Good for pots. Yellow/orange flowers.
Tetrameuris acaulis Angelita Daisy	Perennial 1' x 1'	L	F	B	Yellow flowers, xeric, long blooming. Mass for effect.
Teucrium chamaedrys Prostrate Germander, 'Prostratum'	Groundcover 6" x 3'+	L 4'	F 15° F		Lush evergreen, blue purple flowering groundcover.
Teucrium majoricum Germander, 'Mediterranean Carpet'	Perennial 1' x 2-5'	L/M 2'	F/P -10° F		Low growing, drought and heat tolerant, silvery-green foliage, tiny clusters of fragrant purple flowers Spring to Fall.
Ulmus parviflora Lacebark Elm	Small Tree 30' x 25'	L	F		Well-adapted Asiatic shade tree.
* Ungnadia speciosa Mexican Buckeye	Large Shrub 10' x 5'	L 5'	F/P 0° F		Early spring pink flowers, 3 cell fruitpods, lush foliage.
Vauquelinia californica Arizona Rosewood	Shrub 15' x 10'	L 10'	F 0° F		White fragrant flowers, evergreen. Good screen with formal upright look.
Vitex agnus-castus Chaste Tree, 'Montrose Purple'	Small Tree 20' x 20'	L/M	F 0° F		Adapted Chinese tree. Blue-purple flowers. Seed litter.
Vitis californica 'Roger's Red' Grape	Vine 25' x	L/M	F 0° F	Fruit	Dark red fall foliage, edible fruit. Trellis plant.

Name	Type: H x W:	Water: Spacing:	Sun: ColdHardy:	Wildlife:	Notes:
Vitis vinifera Grape 'Flame Seedless'	Vine 20- x 15- 25' 20'	L/M 15-20'	F/P 0° F		Light red fruit ripens in July. Needs 100 chill hours to set fruit. Fruit is edible.
Wedelia texana 'Devil's River'	Perennial 2' x 2'	M 2'	F 10° F		Long stem yellow sunflower bush. Dies to the ground in winter.
* Yucca baccata Banana Yucca	Shrub 3' x 5'	L	F/P -20° F		Low trunkless yucca, forms clumps. Edible flowers.
* Yucca elata Soaptree Yucca	Shrub/Tree 15' x 8'	L 10'	F -10° F		Very xeric, needs deep sandy soil. NM State flower.
Yucca madrensis Schott's Yucca, Mountain Yucca	Shrub/Tree 6- x 3-6' 12'	L 3-6'	F/P -20° F		Tree form yucca from Sierra Madre's of Mexico. The only shade tolerant yucca. Blue-green leaf blades.
Yucca pallida Pale Yucca	Shrub 3' x 2'	L	F/P -10° F		Small, low, clump forming yucca, pale flexible leaves.
Yucca rigida Blue Yucca	Shrub/Tree 12' x 6'	L	F 0° F		Tree forming, multi-heads with blue cast to foliage. Makes an attractive accent.
Yucca rupicola Twisted leaf Yucca	Shrub 2' x 2-3'	L 2-3'	F/P -10° F		Small, low, clumping yucca with twisted leaves
Zephyranthes candida White Rain Lily	Bulb 6" x 6"	M 6"	F/P 10° F		Blooms after fall rains, white flowers, grass-like leaves. Good border plant. Mass for effect or use as accent.
Zephyranthes sulphurea Yellow Rain Lily	Bulb 12" x	M 6"	F/P 10° F		Yellow blooms after fall rains. Mass for best effect.
Zephyranthes X species Rain Lily, 'Prairie Sunset'	Bulb 1' x 1'	M	F 0° F		Showy apricot flowers after summer rains.

*Native to El Paso/South-central NM region
B = butterflies, M = moths, H = hummingbirds
F = full sun; P = part shade
L = low water, M = medium water; H = high water use
