

Celeste Alvidrez is an alum of The University of Texas at El Paso. She received her Bachelor of Science in Health Promotion degree with a minor in community health in 2019. Alvidrez also became a certified health education specialist in 2019. She is currently a graduate student in the Master of Public Health program at UTEP. She is also employed with the El Paso Department of Public Health as a disease intervention specialist (DIS). In her position, Alvidrez works to help stop the spread of HIV and STD's through counseling, testing, prevention and education.
