REQUIRED CORE AND PROGRAM PREREQUISITE COURSES TO ENHANCE STUDENT SUCCESS

The faculty of the Department of Kinesiology identified specific courses in the University Core Curriculum and Program Prerequisite Courses that will increase the probability of academic success in the Kinesiology major. Students intending to become Kinesiology majors must successfully complete the required Core Curriculum and Program Prerequisite Courses listed below. Students are encouraged to complete the recommended University Core Courses.

- **Required** University Core courses (24 sch of 42 sch minimum. All courses must be completed with a grade C or better)
  - a. Communication (6 sch minimum)
    - i. RWS 1301 Rhetoric and Composition 1
    - ii. RWS 1302 Rhetoric and Composition 2
  - b. Life and Physical Sciences (6 sch minimum)
    - i. BIOL 1305 General Biology
    - ii. BIOL 2311 Human Anatomy/Physiology I
  - c. American History (6 sch minimum)
    - i. HIST 1301 History of the US to 1865
    - ii. HIST 1302 History of the US Since 1865
  - d. Government/Political Science (6 sch minimum)
    - i. POLS 2310 Intro to Politics
    - ii. POLS 2311 American Gov. and Politics

- **Recommended** University Core courses (18 sch of 42 sch minimum. All courses must be completed with a grade C or better):
  - a. Mathematics (3 sch minimum)
    - i. MATH 1320 Math for the Social Sciences is minimum requirement. MATH 1508 Precalculus preferred for CES and HFP concentrations.
  - b. Language, Philosophy and Culture (3 sch minimum)
    - i. PHIL 2306 Ethics
  - c. Creative Arts (3 sch minimum)
    - i. DAN 1304 Dance Appreciation
  - d. Social and Behavioral Sciences (3 sch minimum)
    - i. PSYC 1301 Introduction to Psychology for CES and HPF concentrations
      EDUC 1342 Action Research in Classrooms for PETE concentration
  - e. Component Area Option (6 sch minimum)
    - i. COMM 1301 Public Speaking
    - ii. UNIV 1301 Seminar for Critical Inquiry

- **Required** Kinesiology Program Prerequisites (26 sch. All courses must be completed with a grade C or better):
  - i. BIOL 1107 General Biology Lab
  - ii. BIOL 2111 Human Anatomy/Physiology Lab I
  - iii. BIOL 2313 Human Anatomy/Physiology II
  - iv. BIOL 2113 Human Anatomy/Physiology Lab II
  - v. CHEM 1407* Introductory Chemistry (May choose to take CHEM 1305/1105)
  - vi. CHEM 1408* Introductory Chemistry (May choose to take CHEM 1306/1106)
vii. HSCI 2302 Fundamentals of Nutrition
viii. PHYS 1403 General Physics I
ix. PSYC 1303 Statistical Methods

*Students in the PETE concentration do not take Chemistry courses.*
