Jessica Perales

CPS Service Program and Regional Operations Support Administrator (SPA-ROSA), Child Protective Services

Jessica Perales is employed as the Service Program and Regional Operations Support Administrator for Child Protective Services in El Paso. She has been with Child Protective Services for over 16 years serving in different programs starting as a caseworker, becoming a supervisor and now is a program administrator. She received her bachelor's and master's in social work from UTEP and has supervised BSW and MSW interns at Child Protective Services. She is excited and grateful to give back to her community by serving in the UTEP Social Work Advisory Council.
