DISTINGUISHED ALUMNI

The University of Texas at El Paso is proud to recognize its 2008 Distinguished Alumni presented by the UTEP Alumni Association. The award is the highest honor bestowed upon graduates who have excelled in their professions and sustained a commitment to the university.

Our 2008 Distinguished Alumni are J. James Rohack, Ruben Salazar and R. Paul Yetter.

J. James Rohack

J. James Rohack has been named president-elect of the American Medical Association, the nation's largest physician

organization. He will assume the presidency in June 2009, followed by a term as immediate past president ending in 2010.

A senior staff cardiologist at Scott & White Clinic in Temple, Texas, Rohack received a bachelor of science in psychology with high honors from UTEP in 1976 and his doctor of medicine degree from the University of Texas Medical Branch at Galveston in 1980.

Rohack was first elected to the AMA Board of Trustees in 2001 and served as chair in 2004-2005. He was re-elected to a final four-year term in 2005. He chairs the

AMA commissioners on the Joint Commission and represents the AMA as a principal of the Hospital Quality Alliance. Rohack also chairs the National Advisory Council to the Agency for Healthcare Research and Quality.

Rohack is a professor in both the Department of Medicine and the Department of Medical Humanities in Medicine at the Texas A&M Health Science Center College of Medicine. He continues his clinical practice at Scott & White where he serves as director of the Center for Healthcare Policy and medical director for system improvement of the Scott & White Health Plan.

He received the Gold Nugget Award from UTEP's College of Liberal Arts in 2002 and was named the Ashbel Smith Distinguished Alumnus by the UTMB in 2000.

Ruben Salazar

Ruben Salazar was a groundbreaking journalist who gave a voice to Hispanic Americans during the 1960s. Salazar was

honored on a U.S. postage stamp as part of the American Journalists Series in 2008.

He is most recognized for his award-winning articles on the lives of the Los Angeles Hispanic community. At the age of 42, he was killed while covering the National Chicano Moratorium March in East Los Angeles in 1970.

Salazar is believed to be the first Mexican-American journalist to work as a reporter for the Los Angeles Times, have a column in a major English-language newspaper, and work as a foreign correspondent.

Born in Ciudad Juárez, Mexico, and raised in El Paso, he earned his bachelor's degree in journalism from Texas Western College (now UTEP) in 1954.

In 2003, the UTEP Department of Communication honored the trailblazing newsman by creating the Ruben Salazar Spanish-Language Media Program under the Sam Donaldson Center for Communication Studies.

Yetter is a nationally recognized attorney who received his bachelor of arts in business from UTEP in 1980. He later earned his juris doctor from Columbia University in 1983.

Yetter serves as chair of the Alliance for Judicial Funding Inc., a nonprofit, nonpartisan group that assists the legislative efforts of the Texas state judiciary. He also serves as trustee of the Texas Judicial Foundation, which funds state judicial education programs. Yetter is a member of the Southern District of Texas Committee on Admissions; and a member of the Columbia Law School Board of Visitors.

He has been named a Texas Super Lawyer by Texas Monthly magazine and among the Top Ten Trial Lawyers in the Country by the National Law Journal. He received a Presidential Citation for service to the State Bar in 1996 and was honored in 2005 as a Gold Nugget Award recipient by UTEP's College of Business Administration as an outstanding alumnus.

R. Paul Yetter

R. Paul Yetter is co-founder of Yetter, Warden & Coleman L.L.P., a high-stakes business and technology litigation firm

that has won more than \$1 billion in judgments and settlements.

EX ALUMNOS DISTINGUIDOS

La Universidad de Texas en El Paso se enorgullece en anunciar a los ganadores del Reconocimiento al Ex - Alumno Distinguido 2008, que presenta la Asociación de Ex -Alumnos de UTEP. Este galardón es la distinción de mayor rango que se otorga a los ex -alumnos que han sobresalido en sus profesiones y por su compromiso hacia la universidad.

Los reconocimientos al Ex-Alumno Distinguido 2008 se otorgan a J. James Rohack, Ruben Salazar y R. Paul Yetter.

J. James Rohack

J. James Rohack fue nombrado Presidente Electo de la Asociación Médica Norteamericana (AMA, por sus siglas en inglés), la organización de

médicos más grande del país. Asumirá la presidencia en junio del 2009 y se desempeñará en este puesto hasta el 2010.

Rohack, Cardiólogo Senior de la Clínica Scott & White en Temple, Texas, obtuvo en 1976 su Licenciatura en Ciencias de la Psicología en UTEP con los más altos honores y el Título de Doctor en Medicina en 1980 en la Facultad de Medicina de la Universidad de Texas en Galveston.

Rohack fue primeramente electo como parte del Consejo de Administración de la AMA en el 2001 y fungió como Director del 2004 al

2005. En el 2005, fue reelegido para un periodo final de cuatro años. Dirige a los comisionados de la AMA en la Comisión Conjunta y representa a la misma como Director de la Alianza de Calidad de Hospitales. También preside el Consejo Nacional de Asesoría para la Agencia de Investigación y Calidad en el Cuidado de la Salud.

Rohack es maestro tanto del Departamento de Medicina como del de Humanidades Médicas en el Centro de Ciencias de la Salud de la Facultad de Medicina de la Universidad Texas A & M. Continúa ejerciendo la medicina en Scott & White, donde es Director del Centro para las Normas de Cuidado de la Salud y funge como Director Médico para el mejoramiento del Plan de Salud de Scott & White.

En el 2002, se hizo acreedor al premio Gold Nugget por parte de la Facultad de Artes Liberales de UTEP y fue nombrado Ex-alumno Distinguido Ashbel Smith, por la UTMB en el 2000.

Ruben Salazar

Rubén Salazar fue un periodista revolucionario que le dio voz a los hispanoamericanos durante los 60's.

En el 2008, fue reconocido a través de una estampilla postal como parte de la Serie de Periodistas Norteamericanos. Es reconocido principalmente por sus artículos sobre la vida de la comunidad hispana en Los Ángeles, los cuales han sido galardonados. Fue asesinado a la edad de 42 años, mientras cubría la Marcha Nacional de la Moratoria Chicana al este de Los Ángeles en 1970.

Se cree que Salazar fue el primer periodista mexicano americano en trabajar como reportero para Los Ángeles Times, en contar con una columna en un importante periódico escrito en inglés y en desempeñarse como corresponsal extranjero. Oriundo de Ciudad Juárez, México y criado en El Paso, obtuvo en 1954 su Licenciatura en Periodismo de la Texas Western College (hoy UTEP).

En el 2003, el Departamento de Comunicaciones de UTEP honró a este pionero del periodismo, creando el Programa de Medios de Comunicación en Español Rubén Salazar bajo el auspicio del Centro para el Estudio de la Comunicación Sam Donaldson.

R. Paul Yetter

R. Paul Yetter es cofundador de Yetter, Warden & Coleman L.L.P., un despacho jurídico especializado en empresas de alto riesgo así como

tecnológicas, que ha ganado miles de millones de dólares en fallos y resoluciones.

Yetter, Abogado reconocido a nivel nacional, se recibió de UTEP en 1980 con una Licenciatura en Administración. Años más tarde, obtuvo su Doctorado en Jurisprudencia en la Universidad de Columbia en 1983.

Yetter es Director de Alliance for Judicial Funding Inc., un grupo independiente no lucrativo que ayuda en los esfuerzos de la judicatura del Estado de Texas. También forma parte del Consejo de Administración de la Fundación Judicial de Texas que financia los programas de educación judicial en el estado. Fue nombrado "Súper Abogado de Texas" por la revista Texas Monthly y se encuentra entre los diez mejores abogados litigantes del país, según la publicación National Law Journal. Recibió una Mención Presidencial por sus servicios a la Barra de Abogados del Estado en 1996 y se hizo acreedor al reconocimiento Gold Nugget en el 2005, por parte de la Facultad de Administración como exalumno sobresaliente.

“NO MAN IS AN ISLAND NO MAN STANDS ALONE”

-John Donne

Today we pay tribute to the accomplishments of the graduates of the University of Texas at El Paso. For them, this ceremony marks both the culmination of years of hard work and commitment to this goal, and a prelude to many future opportunities. We congratulate them and wish them well as they pass this major milestone in their lives.

Of equal importance to us, however, is the opportunity to recognize you, the family members and friends of the graduates. For today as we honor these graduates, we honor you as well. We see in their success the love and support of parents, grandparents, brothers, sisters, spouses and children – all of you who have so willingly made many sacrifices because you believed in the importance of their education.

You invest many todays to achieve a brighter tomorrow, and we are all enriched by your commitment. The faculty and staff of the University of Texas at El Paso thank you for your support, and we congratulate you, too, for we know that these graduates' achievements are not theirs alone. Your presence here today illuminates this ceremony with warmth and love.

“NINGÚN HOMBRE ES UNA ISLA NINGUNO EXISTE SOLO”

-John Donne

Rendimos homenaje hoy a los logros de quienes se reciben de la Universidad de Texas en El Paso. Para ellos, esta ceremonia representa no sólo sino también la culminación de años de trabajo y de compromiso personal hacia esta meta, el preludio a innumerables oportunidades en el futuro. Los felicitamos y les deseamos lo mejor en esta ocasión de crucial importancia en su vida.

Pero nos parece indispensable también aprovecharnos del momento presente para brindarles nuestro reconocimiento a ustedes, los familiares y amigos de los graduados, puesto que al honrar éstos honramos además a todos ustedes. Vemos en el éxito de ellos el amor y el apoyo de padres, abuelos, hermanos, esposos e hijos-todos los que han hecho de buen grado sacrificios porque han creído firmemente en la importancia de la educación de sus seres queridos.

Ustedes han hecho la inversión provechosa de su presente para alcanzar un porvenir mejor, y todos nosotros nos hemos beneficiado por su empeño en esta labor. Los profesores y empleados de la Universidad de Texas en El Paso les agradecemos su apoyo y los felicitamos también, porque comprendemos que lo que han conseguido estos graduados no lo han conseguido solos. Iluminan ustedes nuestra ceremonia hoy con su presencia aquí, con su calor humano y su cariño.

REGALIA

HISTORY

Prior to 1980, The University of Texas at El Paso (and its predecessors, the Texas College of Mines and Metallurgy and Texas Western College) borrowed regalia for ceremonial occasions. In 1980, Drama Department faculty member C.L. Etheridge suggested that the time had come for UTEP to have its own unique regalia. President Haskell Monroe established the University Heritage Commission to raise funds for the creation of official regalia, to include a mace, chains of office for the President and the Vice President for Academic Affairs, a UTEP banner and seal, and a banner and seal for each of the colleges.

A University seal, depicting El Paso's sun, mountains and river, had been created for Texas Western College in 1949 by renowned local artist José Cisneros. This seal was incorporated into the official heraldic layout for the University banner designed by Art Department faculty member Sally Bishop Segal, who also designed seals for the colleges of Liberal Arts, Science, Nursing and Allied Health (now the College of Health Sciences), and the Graduate School. Albert Ronke, Drama Department faculty member, designed the seals for the colleges of Business Administration, Education, and Engineering. All eight seal designs in their heraldic

layout were then crafted into fabric by Esther "Terrie" Cornell. In 2001, the seals for Engineering, Business and Health Sciences were updated by Sally Segal to reflect new programs offered by those colleges.

UTEP alumnus James Love created the Chain of Office for the President, consisting of eight seals reproduced on two-inch-diameter enameled disks; the Chain of Office for the Vice President for Academic Affairs; and the University Mace.

C.L. Etheridge developed the ceremonial rituals used in University commencement since 1981.

BANNERS

Among the many traditions associated with commencement, the presentation of the ceremonial University and College banners symbolizes the accomplishments of the graduates whom we honor on this occasion and the University's commitment to their success. Each banner bears a unique seal placed on a 4 x 6-foot heraldic field, or *saltire*, and each incorporates symbols and colors that define it:

MACE

The mace, originally a weapon of combat, has been associated with civil and academic ceremonies from at least the 14th century, and symbolizes the authority and dignity of office.

The University Mace is made of materials indigenous to this region. The head of the Mace, which is joined to the shaft by the University Seal, consists of

a group of flanges which are made of silver and gold-plated copper; within these is mounted a rose quartz stone. The design resembles an abstract flower bud, with the rose quartz about to break through the flanges that surround it. This symbolizes the attainment of knowledge, the student's growth from novice to scholar.

GOWNS, CAPS AND HOODS

The tradition of the gown, cap and hood worn at UTEP events dates back to universities in the Middle Ages, when such garments had very practical applications. The gown and hood kept the chill away as students and teachers labored in halls of learning that were often damp and drafty.

Originally, the mortar board, or flat square cap, was a hat which, when removed, provided its wearer with a flat writing surface. Writing instruments and paper were kept in the long sleeves of the gown.

Until modern times, caps and gowns were made of black fabric to illustrate the gravity of learning. Although today's gowns, caps and tassels are available in a variety of colors, the symbolism of color remains. For example, students who graduate from UTEP wear a tassel whose color represents the college from which they receive their degrees.

The hood drapes over the shoulders and is worn by those who have earned a master's or

doctoral degree. It consists of a black shell, lined in satin, and bears the color of the institution that conferred the degree. The hoods worn by UTEP graduates have an orange lining crossed with a white chevron. The velvet on the border bears the color of the field of learning in which the degree was earned.

COMMENCEMENT STOLES

The University of Texas at El Paso Alumni Association honors the Student Marshals, Banner Bearers and University Banner Bearer with an orange satin stole bearing the Class Medallion and Alumni Association logo.

Inaugurated in May 2004, the stoles are proudly worn by students who were selected to represent their college based on their exceptional academic achievement.

The **University Banner Bearer** — selected based on academic achievement, leadership and campus involvement — is considered the highest honor bestowed upon a student during commencement. This student follows the Grand Marshal and leads the college banners in the processional. The University Banner Bearer is the second to receive their diploma in their respective college.

In the second phase of the processional, undergraduate and graduate **Student Marshals** lead their fellow candidates and are the first in their college to receive their diploma.

The **College Banner Bearers** carry their college banner and lead their college in the second phase of the processional. These students are second in their college to receive their diploma except in the college represented by the University Banner Bearer.

CLASS MEDALLION

The first class medallion was created to commemorate UTEP's 100th Commencement ceremony in May 1998 at the Sun Bowl featuring The Honorable George W. Bush, then Governor of Texas.

Because of the medallion's popularity, University officials decided to create a Class Medallion for each year's graduating class starting in the new millennium. The proceeds from the sale of these medallions go to the Medallion Endowed Scholarship Fund. The sale of the medallions has endowed the scholarship fund to ensure opportunities for future students.

Now in their eleventh year, the medallions have become a tradition and part of the regalia worn by graduates at commencement ceremonies.

DECORACIONES, INSIGNIAS Y TRAJES CEREMONIALES

HISTORIA

La Universidad de Texas en El Paso, al igual que sus antecesoras, Texas College of Mines and Metallurgy y Texas Western College, pedían prestados los trajes que se usaban en algunas ocasiones solemnes que tuvieron lugar antes de 1980. En el verano de dicho año, el profesor C.L Etheridge, miembro del cuerpo docente del Departamento de Arte Dramático, sugirió que ya era hora de que UTEP contara con sus propios trajes de ceremonia. El Presidente Haskell Monroe fundó la Comisión Patrimonial de la Universidad con el fin de recaudar fondos destinados a la creación de una serie de elementos decorativos oficiales, que incluirían un bastón de mando, collares emblemáticos de los cargos de Rector y Vicerrector de Asuntos Académicos, el estandarte universitario y el escudo, así como estandartes y escudos para cada una de las facultades.

En 1949, el renombrado pintor paseño José Cisneros creó un escudo universitario para Texas Western College. Más tarde, se incluyó el escudo que representaba el sol, las montañas y el río de El Paso en el diseño heráldico oficial del estandarte de la universidad, diseñado por la profesora y pintora Sally Bishop, quién también creó los diseños de los emblemas para las facultades de Artes Liberales, Ciencias, Enfermería y Ciencias Afines (actual facultad de Ciencias de la Salud), y la Escuela de Graduados. A su vez,

Albert Ronke, profesor de arte dramático y escenógrafo, concibió los diseños de los escudos para las Facultades de Administración de Empresas, Educación e Ingeniería. Los ocho diseños de los escudos y su disposición heráldica fueron plasmados en tela por Esther "Terrie" Cornell. En el 2001, los escudos de la Facultad de Ingeniería, de Administración de Empresas y de Ciencias de la Salud fueron rediseñados para que se incluyeran los nuevos programas ofrecidos por dichas facultades.

Un ex-alumno, James Love, artista y joyero de El Paso, elaboró el collar del cargo oficial de Rector, que comprendía ocho escudos reproducidos sobre discos esmaltados de dos pulgadas de diámetro, así como el collar de cargo de Vicerrector de Asuntos Académicos y el bastón de mando de la Universidad.

Los procedimientos y procesiones ceremoniales que se siguen actualmente fueron ideados por C.L Etheridge y fueron puestos en práctica desde 1981.

ESTANDARTES

Entre las diversas tradiciones relacionadas con la Ceremonia de Graduación, la presentación de los estandartes ceremoniales de la Universidad y de las Facultades simboliza los logros alcanzados por los graduados a los cuales honramos en cada ocasión, así como el compromiso de la Universidad para que tengan éxito. Cada estandarte ostenta el escudo oficial de la

EL BASTÓN DE MANDO

El bastón de mando, un arma de origen bélico, está asociado con las ceremonias académicas y civiles por lo menos desde el siglo catorce y simboliza la autoridad y dignidad de un cargo.

El bastón de mando universitario está hecho de materiales autóctonos de esta región. La cabeza del bastón está unida al asta por medio del escudo de la Universidad y tiene un grupo de rebordes hechos de plata y de cobre bañados en oro dentro de los cuales se haya incrustada una piedra de cuarzo color rosa. El diseño semeja un capullo abstracto de una flor a punto de brotar a través de los rebordes que lo encierran y simboliza el florecimiento del intelecto, la trayectoria recorrida por el estudiante de neófito a erudito.

TOGAS, BIRRETES Y ESCLAVINAS

La tradición del uso de las togas, birretes y esclavinas que se utilizan en las ceremonias de UTEP tiene su origen en los albores de las universidades medievales, cuando dicha vestimenta tenía usos prácticos. La toga y la esclavina eran utilizadas por los estudiantes y profesores para abrigarse del frío y la humedad imperantes dentro de los salones de aprendizaje.

En un principio, el birrete, o sea la gorra plana cuadrada, se utilizaba para cubrir la cabeza del estudiante, y cuando se quitaba podía emplearse como una superficie plana para escribir (el papel y los instrumentos para escribir se guardaban en las amplias mangas de la toga).

Incluso actualmente, las togas y los birretes se fabrican con tela negra para simbolizar el aspecto sombrío de la educación. Aunque hoy en día existe variedad en los colores de las togas, birretes y borlas, el simbolismo del color permanece. Por ejemplo, los estudiantes que se gradúan de UTEP utilizan borlas cuyo color representa la facultad de la cual se están graduando.

La esclavina la portan únicamente aquellos que han obtenido un grado de Maestría o Doctorado. Consiste en una capa negra forrada en satín que cuelga sobre la espalda de la toga; el color del forro varía según el color de la institución que confiere el título. Las esclavinas que portan los graduandos de UTEP ostentan un forro color naranja atravesado

por un listón blanco. El terciopelo del borde ostenta el color del campo de estudios del cuál se está obteniendo el título.

ESTOLAS DISTINTIVAS DE GRADUACIÓN

La Asociación de Ex-Alumnos de la Universidad de Texas en El Paso honra con una estola de satín color naranja que ostenta el Medallón de la Generación y el Emblema de la Asociación a aquellos estudiantes que fueron distinguidos para fungir como Marshals, como portadores del estandarte universitario y de la insignia de cada facultad.

Los estudiantes que llevan con orgullo estas estolas instauradas en mayo de 2004, son seleccionados para representar a su escuela en base a sus logros académicos.

Ser Portador del Estandarte Universitario, es el mayor honor que se otorga durante la ceremonia de graduación a un estudiante que ha sido elegido por su desempeño académico, liderazgo y participación en el campus. El galardonado sigue al Grand Marshal, guía a los estandartes de las facultades durante la ceremonia y es el segundo en recibir el diploma en la facultad que le corresponde.

En la segunda fase de la procesión ceremonial, los estudiantes de licenciatura y de posgrado que fueron designados como **Marshals** guían a sus compañeros graduandos y son los

primeros en recibir el diploma de su facultad.

Los Portadores del Estandarte de la Facultad llevan el que representa a su escuela, sirven de guía para los graduandos de la misma en la segunda fase de la ceremonia y son los segundos en recibir el diploma de su facultad, a excepción de la representada por el **Portador del Estandarte Universitario**.

MEDALLÓN DE LA GENERACIÓN

El primer Medallón de la Generación fue ideado con el fin de conmemorar la Ceremonia de Graduación del Centenario de UTEP en mayo de 1998 en el Estadio Sun Bowl. La ceremonia contó con la presencia del Honorable George W. Bush en ese entonces, Gobernador de Texas.

Debido a la popularidad del medallón, los funcionarios universitarios decidieron crear uno para cada generación a partir del nuevo milenio. La recaudación de la venta de estos medallones se destina al Fondo de Becas del Medallón, que garantiza oportunidades a los futuros estudiantes.

Los medallones, ahora en su onceavo año, se han convertido en toda una tradición y en parte de las decoraciones, insignias y trajes que los graduados portan en las ceremonias de graduación.
