

ABOUT YOUR PROFILE

COURI provides support for URSCA experiences across campus.

Research faculty are vital to the mission of the university and our department. The information requested below will help our department with decision making.

External funding is one of the best avenues to increase UGR participation and we will gladly help you with data and/or letters of support when you include UGR funding in your proposals.

This form should be uploaded with each COURI program application and updated annually.

EXTERNAL GRANT/FUNDING APPLICATIONS (E.G. NSF, NEH, ETC.)
