## Organization Overview

Great Minds in STEM™ (GMiS) is at the forefront of implementing innovative programs and partnerships focused on the continuous expansion of STEM education opportunities for our nation’s underserved communities.

The 2018-2019 Great Minds in STEM Board Of Directors.

### VISION

Be a national leader in keeping America technologically strong by promoting Science, Technology, Engineering and Math (STEM) careers especially in underserved communities.

### MISSION

To inspire and motivate underserved students to pursue careers in Science, Technology, Engineering and Math (STEM)

To enlighten and engage families, educators, communities and employers to assist underserved students pursuing STEM careers

To inspire our nation through recognition of the achievements of Hispanics and other role models in STEM

To enable and leverage Hispanic STEM talent to play a leadership role

To collaborate and cooperate nationally within the STEM community

**MIDDLE, L-R:** Verizon College Bowl team; Amirr Neal, Chevron Scholar and the 2018 Student Leadership Graduate Level winner with L. Rafael Reif, Ph.D. President MIT and the 2018 Engineer of the Year; 2018 GMiS Scholarship recipients; The Shell Oil Company team at the HENAAC Awards Show.
Great Minds in STEM™ is at the forefront of implementing innovative programs and partnerships focused on the continuous expansion of STEM education opportunities for our nation’s underserved communities. Here are some of the most significant program moments in our history.

**K-12 Programs**

2001: The Viva Technology Program was created to engage underserved and underrepresented youth, teachers and parents with STEM opportunities that provide exposure, appreciation, motivation and access to STEM-related education and career fields. Since then, Viva Technology™ has been implemented in 18 states and the District of Columbia, reaching over 135,000 students, teachers and parents!

2008: The STEM-Up Initiative, a first-of-its-kind comprehensive community-based program, was introduced in the Boyle Heights neighborhood of East Los Angeles. The initiative implements a value chain of opportunities to create Awareness, Inspiration, Motivation and Skills for students from 20 public schools, their parents, and teachers. Locally based STEM entities are actively engaged in associated activities.

**University Programs**

1999: The inaugural GMiS College Bowl is held. This very popular conference competition provides an experience unlike any other for entities to interact with students.

2000: The GMiS Scholars Program launches. Since then over 1,500 STEM students have received scholarships totaling more than $4.2 million.

2004: MentorNet becomes a division of Great Minds in STEM™. Through MentorNet, GMiS offers structured virtual mentoring year-round, leveraging technology to match STEM students with professional mentors. Any STEM student at an accredited institution of higher education in the U.S. and professionals with STEM degrees may join.

2014: GMiS is awarded the inaugural U.S. Army RDECOM HBCU/MI Student Design Competition. This competition provides undergraduate cross disciplinary teams with the opportunity to research and compete in a topic area of the Army’s interest.

2016: The CAHSI summit collocated with the HENAAC Conference to support the advancement of Hispanic students in computing.

2018: Great Minds in STEM receives a prestigious Presidential Awards for Excellence in Science, Mathematics and Engineering Mentoring (PAES-MEM) from the White House and the National Science Foundation.

1999: The first HENAAC Conference, now the GMiS Conference, was held as a means to identify, honor and document the contributions of outstanding Hispanic STEM professionals.

2015: GMiS, along with its 6 sister STEM diversity organizations, receives support from the National Science Foundation (NSF) for a collaborative research project titled ASSIST to increase the representation of underserved, early-career, engineering faculty. The success of this project led to a broader NSF INCLUDES award (#1649384) for a design and development launch project titled LEVERAGE.

**Professional Programs**

2001: The Viva Technology Program was created to engage underserved and underrepresented youth, teachers and parents with STEM opportunities that provide exposure, appreciation, motivation and access to STEM-related education and career fields. Since then, Viva Technology™ has been implemented in 18 states and the District of Columbia, reaching over 135,000 students, teachers and parents!

2008: The STEM-Up Initiative, a first-of-its-kind comprehensive community-based program, was introduced in the Boyle Heights neighborhood of East Los Angeles. The initiative implements a value chain of opportunities to create Awareness, Inspiration, Motivation and Skills for students from 20 public schools, their parents, and teachers. Locally based STEM entities are actively engaged in associated activities.

2000: The GMiS Scholars Program launches. Since then over 1,500 STEM students have received scholarships totaling more than $4.2 million.

2004: MentorNet becomes a division of Great Minds in STEM™. Through MentorNet, GMiS offers structured virtual mentoring year-round, leveraging technology to match STEM students with professional mentors. Any STEM student at an accredited institution of higher education in the U.S. and professionals with STEM degrees may join.

2014: GMiS is awarded the inaugural U.S. Army RDECOM HBCU/MI Student Design Competition. This competition provides undergraduate cross disciplinary teams with the opportunity to research and compete in a topic area of the Army’s interest.

2016: The CAHSI summit collocated with the HENAAC Conference to support the advancement of Hispanic students in computing.

2018: Great Minds in STEM receives a prestigious Presidential Awards for Excellence in Science, Mathematics and Engineering Mentoring (PAES-MEM) from the White House and the National Science Foundation.

1999: The first HENAAC Conference, now the GMiS Conference, was held as a means to identify, honor and document the contributions of outstanding Hispanic STEM professionals.

2015: GMiS, along with its 6 sister STEM diversity organizations, receives support from the National Science Foundation (NSF) for a collaborative research project titled ASSIST to increase the representation of underserved, early-career, engineering faculty. The success of this project led to a broader NSF INCLUDES award (#1649384) for a design and development launch project titled LEVERAGE.
In 2018, just under 3,500 individuals from all sectors of STEM and within academia, government, military and corporate America convened at the 30th Anniversary GMiS Conference. Great Minds in STEM proudly hosted top executives, senior management, recruiters, college students, faculty, administrators, educators, as well as middle school and high school students. Now, more than ever, the GMiS Conference continues to be an imperative to recruit top, technical STEM diversity, honor the best STEM professionals, and provide STEM pathways for our youth.

HENAAC Awards Show
Saturday Evening
$75,000

[2 Co-Sponsor Slots Available at $37,500]
[4 Event Supporter Slots Available at $18,750]

The HENAAC Awards Show is the nation’s premiere Hispanic STEM recognition event and the apex of the conference. At this formal event, inspirational award winners are recognized and have an opportunity to share their life journey to an audience of over 2,500 professional and student attendees. We will also announce and crown the 2019 GMiS College Bowl champions. Light appetizers and refreshments will be served during the show.

Co-Sponsorship Opportunity ($37,500):
• Opportunity for a top executive to present an award or participate in a key segment and show video (total time including video not to exceed 5 minutes)
• Special reserved seating area
• Logo recognition on media screens and printed program
• Logo visibility and recognition as event sponsor in conference publications
• Encouraged to provide branding items for event attendees
• Event sponsors will work with show producers on video segments

Event Supporter Opportunity ($18,750):
• Opportunity for a top executive to present an award
• Special reserved seating area
• Logo recognition on screen and printed program
• Logo visibility and recognition as event sponsor in conference publications

National Defense Awards Dinner
Thursday Evening
$70,000

[2 Co-Sponsor Slots Available at $35,000]
[4 Event Supporter Slots Available at $17,500]

GMiS will honor talented STEM professionals who have dedicated and shown their aptitude by protecting and leading the course of keeping our nation safe. Attendees include: Flag and General Military Officers, Senior Executive Service (SES) personnel, civil servants from the U.S. Department of Defense, agencies affiliated with the U.S. Department of Homeland Security, and defense contractors.

Co-Sponsorship Opportunity ($35,000):
• Up to 5 minutes of podium time including video
• Opportunity to provide branding items for event attendees
• Reserved premiere seating
• Logo placement on media screen and signage
• Logo visibility and recognition as event sponsor in conference publications

Event Supporter Opportunity ($17,500):
• Reserved seating
• Opportunity to provide branding items
• Logo placement on video screens & signage
• Logo visibility and recognition as event sponsor in conference publication
Student Leadership Awards Show $70,000

Friday Evening

[2 Co-Sponsor Slots Available at $35,000]
[4 Event Supporter Slots Available at $17,500]

Over 1,000 students and professionals are expected to attend the Student Leadership Awards Show. This amazing event showcases the accomplishments of students. Highlights include the presentation of the HENAAC Awards for student Leadership; announcement of the Class of 2019 GMiS Scholars; presentation of the Research Posters and CAHSI Hackathon winners; as well as other special award categories. Please note: final College Bowl results will be announced at the HENAAC Awards Show on Saturday evening, as will the presentation of the championship trophy.

Co-Sponsorship Opportunity ($35,000):
• Up to 5 minutes of podium time including video
• Opportunity to provide branding items
• Reserved premiere seating
• Logo placement on video screens and signage
• Logo visibility and recognition as event sponsor in conference publication

Event Supporter Opportunity ($17,500):
• Reserved seating
• Opportunity to provide branding items
• Logo placement on video screens & signage
• Logo visibility and recognition as event sponsor in conference publication

GMiS Honorees Breakfast $20,000

Friday Morning

[2 Co-Sponsor Slots Available for $10,000]

The Class of 2019 Honorees are awarded at this intimate breakfast attended by 250 conference participants. These trailblazers shine a light for others searching for a pathway to success. GMiS will showcase their work and recognize these role models in front of their peers for their significant contributions to the technical community and for their achievements in their respective fields.

Event Supporter Opportunity ($10,000):
• Up to 7 minutes (Host) or 5 minutes (Co-Sponsor) podium time including video footage
• Reserved premiere seating
• Logo placement on media screens and signage
• Logo visibility and recognition as event sponsor in conference publications
• Opportunity to provide branding items for event attendees
GMiS Scholars Program          $1,000 - $10,000 (Per Student)
Corporations, government agencies, affinity groups and individuals are invited to support the
academic pursuit of GMiS Scholars. The GMiS Scholars Program has awarded more than $4.2
million in merit-based or STEM Civic Service Leadership Scholarships to over 1,500 STEM
college students. All scholars have a minimum of a 3.0 GPA; are enrolled full-time in a STEM
degree-seeking program, at an accredited college/university in the U.S. or Puerto Rico; and are
either of Hispanic descent or demonstrate service and leadership within the Hispanic community.

Great Minds in STEM offers four types of scholarships:
1) Corporate/Government Scholarships       2) Special Recognition Scholarships
3) In Memoriam and Personal Tribute Scholarships      4) Scholar-Intern Scholarships

Sponsorship Opportunity
• Access to high-caliber STEM students
• Access to student resumes
• Award scholars at the Pinning Ceremony at the Conference
• Reserved seating at the Student Leadership Awards
• Logo visibility as program sponsor online and in print

To support the GMiS Scholars Program, please contact
Dr. Gary Cruz via email at gcruz@greatmindsinstem.org
or by phone to (323) 262-0997 ext. 775
Note: There is a 15% scholarship administrative fee on all
sponsorships up to $100,000 and 10% on sponsorships over $100,000

Future STEM Leaders Luncheon          $45,000
Thursday Mid Day
[2 Co-Sponsors Slots Available at $22,500]
[Tables of 10 at $1,000] - Limited Availability
The Future STEM Leaders Luncheon recognizes Hispanic military academy Cadets and
ROTC university students for their academic and leadership achievements. These individuals
share their aspiring journeys and inspirational stories with attendees. The Viva Technology™
middle and high school STEM challenge winners are also recognized at this event.
*A limited number of tickets are provided to military sponsors based on their
sponsorship level.

Co-Sponsorship Opportunity ($22,500):
• Up to 5 minutes of podium time including video
• Opportunity to provide branding items on tables
• Logo visibility and recognition as event sponsor in conference publications
• Reserved premiere seating
• Logo placement on media screens and signage

GMiS Scholars Program          $1,000 - $10,000 (Per Student)
Corporations, government agencies, affinity groups and individuals are invited to support the
academic pursuit of GMiS Scholars. The GMiS Scholars Program has awarded more than $4.2
million in merit-based or STEM Civic Service Leadership Scholarships to over 1,500 STEM
college students. All scholars have a minimum of a 3.0 GPA; are enrolled full-time in a STEM
degree-seeking program, at an accredited college/university in the U.S. or Puerto Rico; and are
either of Hispanic descent or demonstrate service and leadership within the Hispanic community.

Class of 2019 GMiS Honorees Welcome          $30,000
A special reception for GMiS Scholars and Professional Award Winners
Thursday Evening
[2 slots available at $15,000]
During this event, each GMiS Scholar is formally inaugurated into the GMiS Scholars Society and
is pinned with a bronze, silver or gold medallion indicative of their academic standing. Sponsors
have the opportunity to meet their scholars, present their medalion and certificate, and gain a
jump-start on networking with their scholars. Additionally, the Class of 2019 GMiS Profes-
sional Honorees are also in attendance to convene and celebrate the overall academic and career
achievements.

Sponsorship Opportunity:
• Up to 10 minutes (Sponsor) or 5 minutes (Co-sponsor) of podium time, including video
• Logo visibility and recognition as event sponsor in conference publications
• Sponsor-provided branding items and materials displayed

www.greatmindsinstem.org
Résumé Review Workshop $7,500

Thursday: (One 1 hr. 45 min. block available)
Friday: (Two 1 hr. 45 min. blocks available)
[3 slots available at $7,500 Each]

Recruiters can review the résumés of student attendees and provide them with tips and recommendations to help them showcase their skills and succeed at the career fair and throughout the conference. The workshop is free-flowing, allowing students to come in and out during the session. Organizations can also use this time to pre-screen and network with students.

Sponsorship Opportunity:
• Logo visibility and recognition as event sponsor in conference publications and in the room
• Permission to provide items promoting organization’s Career & Graduate School Fair booth

Corporate and Graduate School Hospitality Suites $5,000

Thursday and Friday Evenings (Limited Number of Suites Available)

Host your own Hospitality Suite with food and refreshments for college students. The Hospitality Suite provides an excellent forum to network with students, build relationships, and inform them about career and graduate school opportunities.

Sponsorship Opportunity:
• Logo visibility and recognition as event sponsor in conference publications
• $2,500 worth of food and drinks (inclusive of tax+service charge) in each suite
• Create a festive venue with raffles, music, products and interactive activities

Speed Networking Breakfast $40,000

Friday Morning
[2 Co-Sponsor Slots Available at $20,000]
[4 Event Supporter Slots Available at $10,000]
[$600 Individual Tables for 2 Recruiters]

Over 1,000 students attend this innovative program that maximizes interaction between companies and potential hires. This function will rotate participants over a three-course meal allowing everyone to expand their network of contacts and career opportunities. Held prior to the Career Fair, this event is an excellent primer for success in connecting with quality STEM talent.

Co-Sponsorship Opportunity ($20,000):
• Up to 10 minutes of podium time including video
• Up to 6 premiere tables (2 recruiters per table)
• Logo placement on video screens and signage
• Logo visibility and recognition as event sponsor in conference publications
• Opportunity to provide branding items on all tables

Event Supporter Opportunity ($10,000):
• Up to 5 minutes of podium time including video
• Up to 3 reserved tables (2 recruiters per table)
• Logo placement on video screens and signage
• Logo visibility and recognition as event sponsor in conference publications
• Opportunity to provide branding items on all tables

Individual Table Sponsor ($600/table)
• General seating
• Opportunity to provide branding items on sponsored table(s) only
Student Travel Grant Program
Starting at $3,000

The Student Travel Grant Program provides funding to support conference-related travel expenses – registration, lodging, airfare, and/or mileage for college students, who merit support and would otherwise not be able to attend the conference without travel assistance. Sponsors are invited to designate travel grant distribution as needed.

Sponsorship Opportunity:
• Reserved seating at the Student Leadership Awards Show
• Resumes of sponsored travel grant recipients
• Logo visibility and recognition as event sponsor in conference publications

Career Development Webinars
$5,000

75-minute live-cast webinar for college students to showcase employment opportunities while also discussing specific topics such as navigating career fairs, behavioral interviewing, financial management, negotiating a job offer, etc.

Sponsorship Opportunity:
• Access to webinar participant information
• Logo visibility and recognition as event sponsor

Technical Innovators Reception
$12,000

Friday Evening
[2 Co-Sponsor Slots Available for $6,000]

Host a reception for both the ASSIST Early-Career Faculty track and Research Posters Competition participants. Over 150 attendees from these two tracks will be in attendance at the conference. The reception provides an excellent forum to network with both early career faculty from 2-year and 4-year institutions as well as students presenting their current research posters.

Sponsorship Opportunity:
• Up to 3 minutes of podium time including video
• Logo visibility and recognition as event sponsor in conference publications
• $4,000 worth of food and drinks will be ordered
• Create a festive venue with raffles, music, products and interactive activities

Student Database Access
$5,000

Pre-conference database access includes nationwide STEM students that participate in our year-round programs. The annual access window is between 3-4 weeks before the conference and includes resumes sorted by majors.
K-12 STEM Educators Institute

$100,000
Thursday - Saturday
[5 slots available at $20,000]

The K-12 STEM Educators Institute™ provides an itinerary where new curriculum and updates on national math and science standards are shared by educators from across the country. During the Institute, educators gain access to active-learning activities and culturally-relevant materials that can be implemented in their classrooms. Educators are able to connect with one another, discover tools and techniques for teaching STEM in their classrooms, and interact with STEM role models and other stakeholders.

Sponsorship Opportunity:
• Strategic and direct branding to targeted audience
• Elementary, middle school and high school career program outreach
• Optional involvement in the hands-on projects, competitive challenges
• Speaking opportunities, including event introductions and keynotes
• Logo visibility and recognition as an event sponsor in conference publications

Viva Technology High School 150 Student Program

$35,000
Thursday, 8:00am to 12:30pm
[2 slots available at $17,500]

This extraordinary program engages 150 local high school students and challenges them through a variety of STEM-focused competitive activities that incorporate engineering, science and applied mathematics concepts. Participants receive a real-world perspective of how these ideas are utilized outside the classroom. To add to the experience, high school students work along-side STEM professionals and university students majoring in a STEM degree. All students and their accompanying chaperones are invited to attend the Future STEM Leaders Luncheon as part of this experience.

Sponsorship Opportunity:
• Provide a 5-minute welcome address at this event’s General Session
• Logo visibility and recognition as an event sponsor in conference publications
• Opportunity to provide branding items for students and chaperones
• Host raffles, product showcases and similar upbeat interactive activities

Viva Technology Middle School 300 Student Program

$45,000
Thursday, 8:00am to 12:30pm
[3 slots available at $15,000]

The Viva Technology™ middle school program brings 300 bright young minds from local and neighboring school districts to the conference and exposes them to a day of competitive STEM-oriented activities. Middle school students will participate in this variation of the program, and all students and their accompanying chaperones are invited to attend the Future STEM Leaders Luncheon.

Sponsorship Opportunity:
• Provide a 5-minute welcome address at this event’s General Session
• Logo visibility and recognition as an event sponsor in conference publications
• Opportunity to provide branding items for students and chaperones
• Host raffles, product showcases and similar upbeat interactive activities
GMiS College Bowl 20 $80,000

Thursday - Friday

[4 Co-Sponsor Slots Available at $20,000]

The GMiS College Bowl is an exciting conference tradition that both professionals and students look forward to every year! This two-day, high energy competition grants teams of STEM college students, who are coached and evaluated by industry and government representatives, the opportunity to showcase their talents, initiative, teamwork and leadership beyond the traditional framework of a career fair. Students in the top three teams earn scholarship awards and the winning organization takes home the GMiS College Bowl trophy!

Co-Sponsorship Opportunity:
• Up to 5 minutes of podium time and video segment during the College Bowl
• Co-Present championship trophy and scholarships at the HENAAC Awards Show
• Prominent showcasing of logo in the GMiS College Bowl venue
• Logo visibility and recognition as event sponsor in conference publications
• Sponsor-provided branding items and material displayed during draft
• Access to the student résumés

Goals For Students:
• Provides a fun, creative environment where students can showcase their interpersonal skills beyond the typical résumé profile
• Allows students the opportunity to gain intimate knowledge of the work environments and the hiring processes of the participating entities
• Conveys important professional skills like effective career researching strategies and résumé reviews

Goals For Coaches (Corporate and Government Agency Representatives):
• Allows for early identification of potential employees
• Enables coaches to expand their recruiter roles to develop mentor relationships with students
• Provides starting point for networking with students beyond the traditional career fair model

Research Posters Competition $32,000

Friday - Saturday

[4 Co-Sponsor Slots Available at $8,000]

The Research Posters Competition provides graduate, undergraduate, and senior high school students, from traditionally underserved and underrepresented ethnic or racial groups in science and engineering, the opportunity to compete and showcase their scientific and technical aptitude. Competition sponsorship supports award stipends to the top undergraduate and graduate winners. The sponsorship also helps support competitive travel grants for finalists and the publications of a proceedings.

Sponsorship Opportunity:
• Present the competition awards at the Student Leadership Awards Show
• Opportunity to serve as competition judges
• Prominent showcasing of logo in the competition
• Logo visibility and recognition as event sponsor in conference publications
• Opportunity to provide branding items and materials during the competition
• Access to finalists’ résumés
Student-Professional Engagement Events

**Plenary and Reception - Technology Innovation Focus**

**Friday Mid Day**

(2 Co-Sponsor Slots Available at $35,000)

(4 Event Supporter Slots Available at $17,500)

The session will include a range of content from research focused keynotes to product innovation. This event is both a networking opportunity and a chance for event sponsors to showcase their programs. Tables staffed by participating sponsors may feature contests and prize giveaways. Attendees are encouraged to mix, mingle and continue with their networking and relationship building. This event will feature complimentary snacks and refreshments.

**Co-Sponsorship Opportunity $35,000:**
- Up to 15 minutes at podium including video
- Reserved premiere seating
- Logo placement on media screens, signage and publications
- (2) Table displays or product showcase areas
- Push notifications with countdown to event
- Opportunity to provide branding items for all attendees

**Event supporter Opportunity $17,000:**
- Reserved premiere seating
- Logo placement on media screens and signage

---

**ASSIST Early-Career Faculty Symposium Workshops**

**Friday**

These faculty development workshops provide access to upwards of 80 Hispanic engineering faculty from 2-year and 4-year colleges/universities across the U.S. Topics focus on the tenure process, effective pedagogies, proposal writing, corporate engagement, and entrepreneurialism.

**Sponsorship Opportunity:**
- 75-minute workshop
- Logo visibility and recognition as event sponsor in conference publications
- Opportunity to provide branding items for attendees

---

**Special Meetings**

**Wednesday - Saturday**

[**Limited Availability - Entity covers own event planning and associated fees**]

The conference is an ideal time for organizations to host internal Employee Resource Group trainings and meetings. Large organizations with multiple divisions incorporate private team-building activities before participating in the conference. These meetings can include professional development sessions, internal networking and mentoring sessions as well as festive celebrations. Special meetings must be requested by the July Summit.

---

**Newcomers Orientation**

**Wednesday and Thursday**

(2 Co-Sponsor Slots Available at $3,500)

Designed to give first-time professionals & students a running start. Participants hear from and interact with conference veterans to learn tips for maximizing their experience and capitalizing on networking opportunities. This fun and informal setting also gives first-time attendees an opportunity to network.

**Sponsorship Opportunity:**
- Up to 6 minutes (Sponsor) or 3 minutes (Co-sponsor) of podium time, including video
- Logo visibility and recognition as event sponsor in conference publications
- $1,000 worth of food and drinks will be ordered
- Host raffles, product showcases and similar upbeat interactive activities
CAHSI is an inclusive consortium of institutions and individuals committed to creating a unified voice and consolidating their strengths and resources to increase the number of Hispanics who pursue and complete baccalaureate and advanced degrees in computing areas. We believe in preparing Hispanic students with the technical qualifications and real-world experiences to shape the future of computing; growing a geographically dispersed network of partners to achieve lasting results; and ensuring that inclusiveness accompanies diversity.

CAHSI has mainstreamed mentoring and built structured, academic networks for students that prepare them for success in course work from entry level through graduate school and into the STEM workforce. CAHSI’s efforts have resulted in student success and the human infrastructure to support its initiatives by training faculty in effective practices. CAHSI’s baccalaureate graduation rates have consistently surpassed the national graduation rates, and CAHSI has consistently graduated a high proportion of Hispanic master’s degree recipients, in particular those who are women.

The CAHSI Summit in conjunction with the GMiS Conference is an annual event that engages faculty, students, industry, and other collaborators in activities that build connections; disseminate effective and promising practices; prepare students for pursuing higher education and productive careers in computing; and promote conversations and actions that address the advancement of Hispanics in computing.

For more information about CAHSI, please visit us online at: www.cahsi.org
### CAHSI Networking Luncheon

**Thursday**

**[3 Co-Sponsor Slots Available at $10,000]**

The CAHSI Networking Luncheon brings together CAHSI faculty and students in one location to interact with sponsors. Representatives from sponsoring organizations are able to promote opportunities within their organization such as internships, job offerings, training programs, and other professional opportunities. After a keynote talk and lunch, sponsors move from table to table in set intervals to share information about their company and learn about students’ interest and capabilities in computing fields.

**Sponsorship Opportunity**
- Keynote Speaker Opportunity: Up to 15 minutes (Host) of podium time including video
- Prominent showcasing of logo at the event
- Logo visibility and recognition as event sponsor in conference publications
- Opportunity to provide branding items and materials during the luncheon
- Opportunity for representatives to attend the CAHSI Luncheon as networking mentor

### Technical Challenge Sessions

**Friday**

**[3 Co-Sponsor Slots Available at $5,000]**

The Technical Challenge session focuses on relevant workforce skills. The sponsor(s) will have the opportunity to work closely with CAHSI students on solving a challenge. The sponsor(s) will present a challenge and answer questions posed by students. Student teams will explore possible solutions, and choose and define a computing solution. The teams will present their solutions and receive constructive feedback. Sponsors can provide their own corporate workshops sessions, or they can work in collaboration with CAHSI to identify a challenge and plan the session.

**Sponsorship Opportunity**
- Prominent showcasing of logo at the session
- Logo visibility and recognition as event sponsor in conference publications
- Work closely with CAHSI students
- Attend the CAHSI Luncheon as a networking mentor (2 corporate guests)

### Industry-Faculty Exchange Session

**Friday**

**[3 Co-Sponsor Slots Available at $5,000]**

The Industry-Faculty Exchange is an interactive session to learn about industry needs and CAHSI institutions’ capabilities. The session will foster discussions among faculty and industry to exchange information about curricular and co-curricular activities at CAHSI institutions and workforce needs at the sponsoring organizations. The exchange will inform CAHSI about attributes of a successful employee that organizations seek. Possible outcomes of the session are opportunities to improve curriculum and ways to bring industry experiences into the classroom.

**Sponsorship Opportunity**
- Prominent showcasing of logo in the session
- Logo visibility and recognition as event sponsor in conference publications
- Work closely with CAHSI faculty
- Attend the CAHSI Luncheon as a networking mentor (2 corporate guests)
Take advantage of the multiple opportunities to reach conference attendees and the greater GMIS Community

**Conference Journal Print Ads**
Options starting at $1,000

Have your entity’s ad featured prominently in the Conference Journal, the official publication of the 2019 GMIS Conference. The journal features not only key conference information and logistics, but all of this year's award winners as well. This will be the only printed publication distributed at the conference, and space is limited, so be sure your company or agency takes advantage of this exclusive opportunity.

- (1 two-page Spread Slot at $5,000)
- (2 Inside Cover Slots at $2,500)
- (Half-Page Slots at $1,000)
- (1 Back Cover Slot Available $3,500)
- (5 Full Page Slots at $2,000)

**Commitment deadline:** August 16, 2019
**Artwork Submission deadline:** August 26, 2019

**EMAIL BLAST (Most Popular item!)** $650/EA.
From promoting a workshop, to driving potential prospects to particular conference events, to highlighting career opportunities, this powerful tool targets all college student attendees prior to the conference. Email blasts are complimented by posts on GMIS’ social network sites.

**WEB BANNER AD** $3,000
High visibility on the GMIS website. Banner ads run three months. 750 pixels max/600 pixels min, include hyperlinks.

**Conference MOBILE APP** $10,000
(5 slots available at $2,000 each)
The GMIS mobile app facilitates the attendee experience to help plan attendee participation. The mobile app sponsor will be recognized on the app header and linked to the website. Push notifications are used to remind attendees of key events.

Have an idea to promote your brand that you don’t see here? Contact: Bertha Haro, bharo@greatmindsinstem.org; Phone: 323-262-0977
The summit is a perfect time to discover the unique opportunities the 2019 GMiS Conference has to offer your organization. This event enables conference sponsors to gather and select the new class of HEAANAC Award recipients, finalize conference participation, engage with other sponsors, and learn about the latest programs within Great Minds in STEM™. In addition to these activities, the Summit includes a meeting of the GMiS Board of Directors.

**KEY ACTIVITIES INCLUDE:**

**SELECTION COMMITTEE**
Each year representatives comprised of conference sponsors, academicians, past honorees, and sister organizations come together to review all GMiS Awards nominations. The committee requires the commitment of a full day of revision and scoring of candidates as well as thoughtful debate, discussion and dialogue. Rankings are tallied and then presented to the Selection Committee Chairs - deans of the science and engineering schools from the universities serving as Academic Hosts - for final review and certification.

**CONFERENCE PLANNING COMMITTEE**
This is a meeting planner’s must attend event to prepare for their organization’s participation during the conference. The committee members review the line-up of events conducted during the three days of the GMiS Conference. This will help track events appropriate for executives, recruiters, honorees and general attendees. Key deadlines, templates, conference and hotel registration procedures are presented. Meetings will include a tour of Disney’s Coronado Springs Resort and its on-property convention center. Attending the meeting will help ensure each entity is ready to participate and ready to meet their outreach and recruiting objectives.

**SPECIAL MEETINGS**
This is an ideal time to schedule special meetings with GMiS staff members. Large organizations including the U.S. Army and U.S. Navy have used the Summit to bring their multiple divisions together to share best practices and common goals for the GMiS Conference. Special meetings must be requested at least 45 days in advance.
