

UTEPEDGE™

CONGRATULATIONS WELCOME PARENTS & FAMILY

THIS SESSION

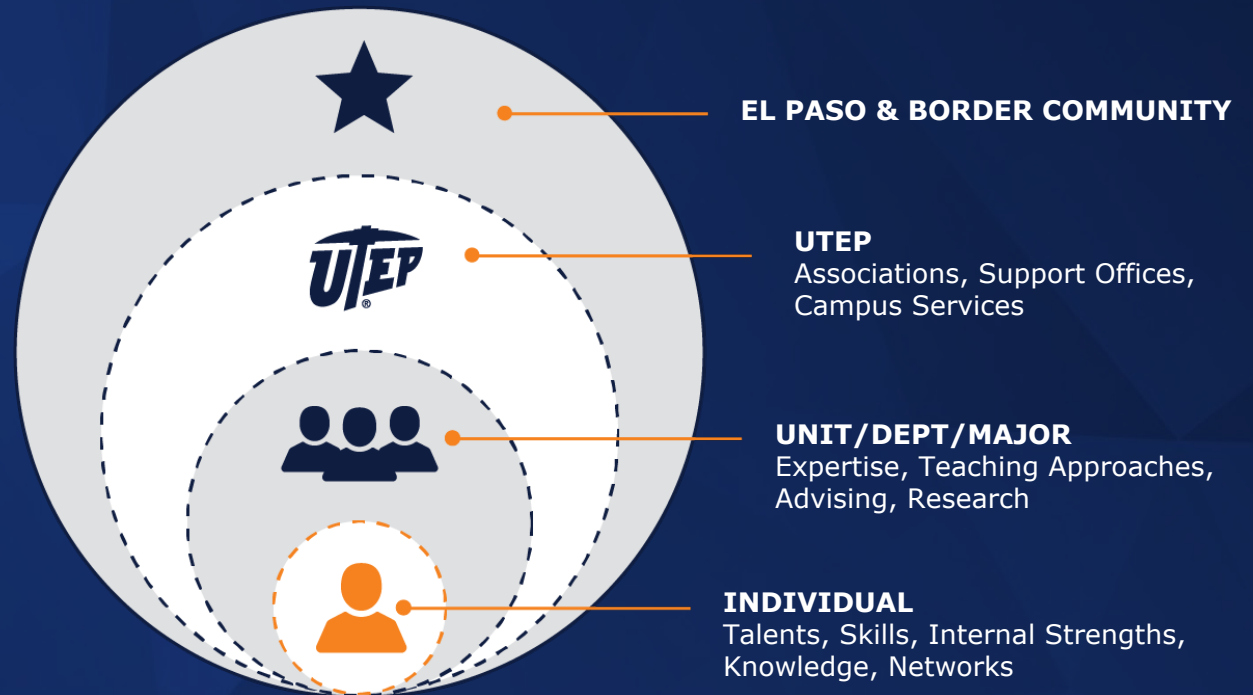

- Identify Key Assets
- Identify Edge Experiences
- Connect your daughter's or son's strengths and activities to career preparation
- Identify additional resources at UTEP

TALENTED STUDENTS

UTEP students have talent, motivation, and life experiences which will enable them to succeed on our campus, in the world of work, and in the global community

DEFINING ASSETS

Talents, skills, capacities, and strengths of individuals, associations, and communities that can be mobilized for action/change

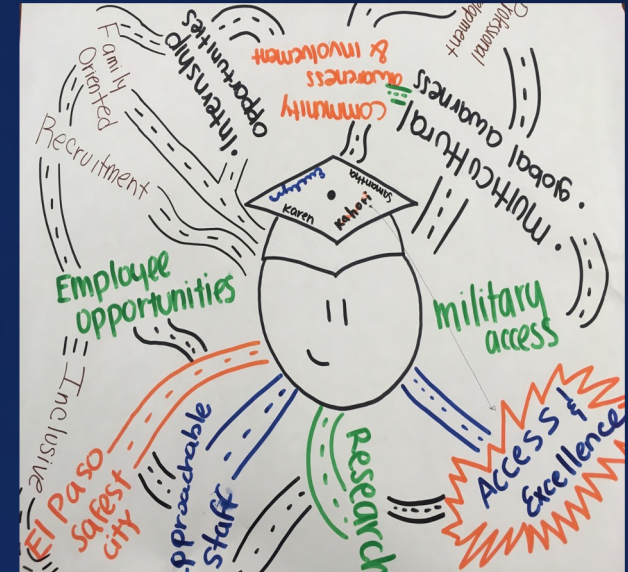

Talented students. Enriching experiences. Lifelong success.

IDENTIFYING KEY ASSETS

Who am I? What am I good at?

Create a list of:

- **Your** unique assets, talents, and strengths. Identify your Top 5 assets.
- **Your son's or daughter's** assets, talents, and strengths. Identify their Top 5 assets.
- Your **community's** assets and strengths.

ENRICHING EXPERIENCES

Students will build on these talents and skills through a variety of high-impact experiences tailored to individual needs and aspirations

EXPERIENCE

STUDENT
LEADERSHIP

Talented students. Enriching experiences. Lifelong success.

ENRICHING EXPERIENCES

Pick the top three experiences **you** would like your daughter or son to take advantage of while at UTEP.

Pick the top three experiences you believe your **daughter or son chose for herself or himself** as the top three experiences that they would like to do at UTEP.

Are they the same? Different? How can you support your daughter or son?

ENRICHING EXPERIENCES

Research tells us that students engaged in extracurricular activities
(**enriching experiences**):

- Are more likely to stay in school
- Report enjoying their college years more so than those students not engaged
- Tend to graduate college at a faster pace

LIFELONG SUCCESS

Combined, these talents and high-impact experiences equip students with a competitive advantage for success in their academic, professional, and civic lives

EDGE ADVANTAGES

Students will graduate with the following skills:

Leadership

-  Problem-solving
-  Communication
-  Entrepreneurship
-  Social responsibility
-  Confidence
-  Global awareness
-  Teamwork
-  Critical thinking

BRING IT ALL TOGETHER

What do you want your son or daughter to get out of their experience at UTEP?

Reflecting on your son or daughter's key assets and core values, **free-write** about what you would like him or her to get out of their UTEP experience.

Share with your son or daughter.
