Miner Teacher Residency

Alternative Certification Program

Internship Pathway

You could have your own classroom after as few as 8 weeks and complete your first year of teaching (with a full salary!) while receiving hands-on support and coaching!

As the region's premier program, we provide the highest quality teacher preparation, which includes:

- Wrap-around support for classroom practice, advising, testing, and certification
- Practice-based coursework taught by UTEP faculty
- The option to earn an accelerated M.A. in Education
- Scholarship and financial aid opportunities
