ESLC OVERVIEW
WHAT IS ESLC

Engineering Student Leadership Council

- Provide support for all engineering student organizations in their ACADEMIC and PROFESSIONAL development.
2018-2019 ESLC Chairs

Carlo Alvarado
External Relations

Rodrigo Mesta
Finance

Shahnaz Vatankhah
Operations

Sharon Underdahl
Internal Relations
DEANS CUP

- Competition amongst engineering students to see which organization can contribute the most volunteer hours to the College
- A single point will be rewarded for 1 hour of volunteer work
- New method to winning the Dean’s Cup
  - Based on hours per student ratio
Example of the New Method of Winning

Organization A
15 members
110 volunteer hours

Organization B
10 members
90 volunteer hours

Hours/Student ratio:
Organization A: 7.33
Organization B: 9.0

Organization B wins
BUSINESS PLAN & PROPOSAL

At the end of the retreat, Aaron Cervantes will conduct a session on how to make a business plan.

In order to be considered as a validated organization by ESLC, you will need to turn in a business plan for your organization no later than FRIDAY SEPTEMBER 14.

If your organization does not submit a business plan before the deadline, your organization will not be allowed to submit proposals and thus will not be able to receive funding from ESLC.
FALL 2018 TIMELINE

- **Gold Rush**
  - Sept. 5

- **Career Expo**
  - Sept. 14
  - Sept. 20 & 21
