The University of Texas at El Paso

Last Name: _____ First Name:_____ M.I. ___

ID Number: _____ UTEP email: _____ Overall GPA: _____

Current Major: _____ College: __Engineering_____

Desired Minor: _____ College: Degree (catalog) Plan Year _____

As a student with a declared "Minor" status, I understand that:

- I must fulfill the specific requirements for a minor —which are explicitly stated in the UTEP Undergraduate Catalog—simultaneously with my major degree requirements (i.e. you cannot complete a minor after you have received your undergraduate degree);
- The courses required by the minor might or might not be utilized to fulfill the major degree requirements; and
- The extent to which the courses taken for the minor count toward my major degree requirements are by agreement with my major advisor, and may require a "course substitution" to my degree plan.
