

Cover Page:**TA Positions**

Appointments are made depending on the needs of the department and may include the responsibilities of supervision, preparation and clean-up, field work, grading, and the proctoring of tests.

Appointments are normally $\frac{1}{2}$ or $\frac{1}{4}$ time. A $\frac{1}{2}$ time appointment usually consists of an assignment to 3 or 4 lab sessions (20 hours per week), whereas a $\frac{1}{4}$ time appointment consists of a 2 lab section assignment (10 hours per week).

To apply please fill out the [attached form](#):
