College of Engineering

Summer & Fall 2026 Advising

To Schedule an Appointment

You will receive an email from your academic advisor to your UTEP email with instructions and their link so you can schedule an appointment for advising. Emails will be sent out by registration priority and classification.

Appointment Preparation

Use your degree evaluation, which can be found in Goldmine and a copy of your degree plan to create a rough schedule of courses you want to register for in Summer and Fall 2026.

The Advising Appointment

You will review the classes you have selected for Summer and Fall 2026 with your advisor and make any adjustments if needed. You also have the opportunity to ask questions about experience opportunities such as internships, research, grad school and discuss any concerns you may have.
