

Program Overview

TCM Day

- **March 23, 2018**
- **Event: TCM Day is the longest-running tradition on campus where participants unite to do three things**
 1. **to remember the university's roots of mining and engineering**
 2. **to pay homage to the patron saint of engineering, St. Pat.**
 3. **to grow our school spirit of being UTEP Miners.**
- **Ninjaner Need: Coordinate and execute team-building activities that are integrated throughout the day that will challenge and engage all participants (students, faculty, and staff) from around the campus**

Order of the Engineer

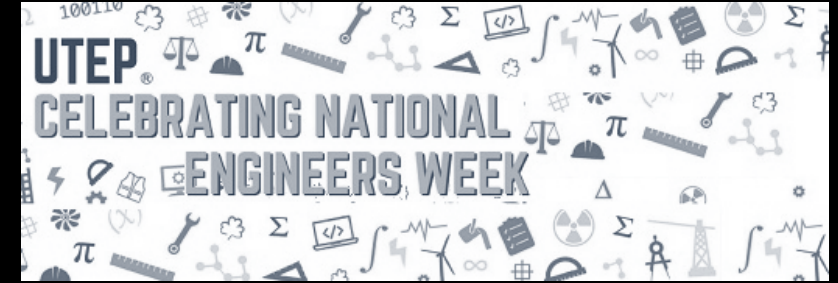

- **Dec 16, 2017 and May 12, 2018**
- **Event: In recognition of their academic accomplishments, all graduating students are recognized individually on stage. Students receiving a Bachelor of Science degree will receive an official Order of the Engineer stainless steel ring to be worn on the pinky finger of their working hand to show their obligation to the engineering profession**
- **Ninjaner Need: Serve as ushers to host family and friends to this very special ceremony for our graduating seniors**

Tutoring Services at

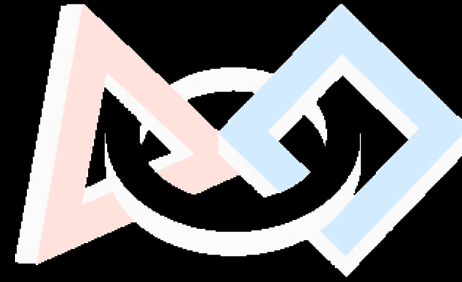

- **Fall and Spring Semesters**
- **Service: maximize the potential of fellow students seeking academic support and success. At ACES we believe a tutor facilitates appropriate learning attitudes and behaviors that will lead to a commitment of life-long learning.**
- **Ninjaner Requirement: qualified students who are part of engineering honor societies or from trained peer-led programs. Student not meeting the previous must provide a letter of recommendation from a professor in the content area and interview prior to being accepted**

Discover-E and E-Week Tours

- **Oct 9-13, Oct 30-Nov 3 and Feb 12-16, 2018**
- **Event: high school students from various T-STEM schools are given a tour custom tour of the College of Engineering research centers/labs and premier facilities while educating them on the degrees and opportunities the college has to offer**
- **Ninjaner Need: Serve as tour guides to host students and teachers to this very special visit to our College of Engineering. Must be willing to attend a training session prior to the event.**

FLL, FTC & FRC Robotics

FIRST[®]
ROBOTICS
COMPETITION

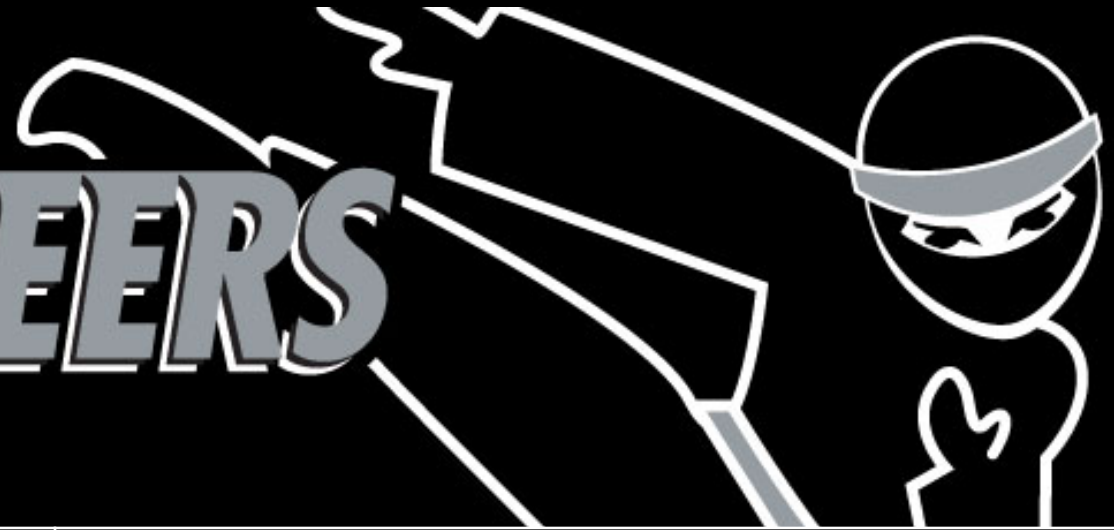

- FLL - Jan 27, 2018
- FTC - Nov 11, Dec 2, Jan 13 and Feb 3
- FRC - March 28-31, 2018
- Event: See robotics.utep.edu for details
- Ninjaneeer Need: various positions need that include:
 - Work and Communicate WITH
 - Think Critically & Problem-solve USING
 - Set-up and Tear-down
 - Ushers and Tour Guides
 - Promote and Publicize

Recognition

- **Milestone Awards**
 - +20 hours → Ninjaneer T-shirt
 - 100 hours → Stole for Graduation
- **Annual Awards:**
 - TCM Day – APO Student Service Award
 - FLL Robotics Program – Outstanding Volunteer Award

NINJANEERS

Opportunities	Annual Event In
TCM Day: Longest Tradition on Campus	Mar
Order of the Engineer Ceremony	Dec and May
Tutoring Services at ACES	Fall and Spring Semesters
Discover-E and E-Week Tours for STEM HS	Oct and Feb
Robotics Competitions for K-12	Nov thru Feb
Career Days at K-12 Schools	varies
