The Big American Mule, the Tough Mexican Mule and Their Contribution to America

William Key

Mules produced by American breeders are considered the world’s best. However, the breeder must arrange for the mating of a horse and donkey to “make” a mule. These two lectures will discuss how the American Colonists went about this, the mules they bred, and how the Mexican mule breeders used the horses and donkeys that they inherited from the Spaniards to breed their mules. Both types made a significant contribution to America. This is a 2-week course with classes on 6/13 and 6/20.
Explore these neighborhoods and gain insights into places that have contributed to the city's uniqueness. OLI's tours will take you to neighborhoods rich with remnants of history from the past and present. Meeting locations will be sent to your email in advance of the tour. About Parking

You must be an OLLI member for parking benefits. Your parking hanglers or decal permits are good through August 15, 2024. Consider carpooling or ridesharing to get to campus: easier on your wallet AND the planet!

1. OLLI students may do one of two things:
   Park free of charge in remote lot SB7 on Sun Bowl Drive. The WEST shuttle will take you directly to Miners Hall, where OLLI has its offices and holds most classes. You will need a permit to put on your windshield; this will identify you as an OLLI student. If you do not have a decal permit, please apply for one at the OLLI office.

2. You may choose to purchase an annual permit to park in the Sun Bowl Parking Garage (SBG). The SBG is located across from Miners Hall. To purchase an SBG permit, you must fill out a parking request form when you register. Contact the OLLI office to do this. The pro-rated SBG parking permit for Summer 2024 is $88 and is good until August 15, 2024.

PARKING FOR REGISTRATION

OLLI members may park in the visitor lot at SBG. There is a fee.

Note: Drivers are responsible for keeping permits visible on the dashboard or they may be cited. OLLI will not be responsible for parking citations.
