WE’VEMOVED
BUT NOT TOO FAR!
Professional and Public Programs (P3) is a proud part of the University of Texas at El Paso family, and as such, is always looking for opportunities to provide support to the University’s student body. Last year, P3 offered graphic design students the opportunity to design the cover pages for three editions of our course catalogs. This summer edition marks the last installment of such collaboration.

P3 would like to give our appreciation to Antonio Castro H. (UTEP faculty member and Graphic Design Instructor), whose collaboration was critical in this endeavor, as well as to the Spring 2017 Graphic Design Level 6 class. Each design submitted was of the best quality and met the high expectations which P3 is known for.

Lastly, special congratulations to Jessica Perez, whose design allowed her the opportunity to be selected and featured in this summer catalog.

GO MINERS!

DISCOVER THE MINER IN YOU!

On the Cover:
A special thanks to our P3 students for taking an active role in providing the photo-material that is featured on the design of this Summer 2018 catalog, as well as for serving as ambassadors to the multiple services we provide through our programs in the Paso del Norte region.

Cover photos and interior photo library by: David Ghent

WELCOME TO P3 KIDZ ON CAMPUS | SUMMER 2018

P3 Kidz on Campus Summer Programs offer 9 weeks (beginning June 4, 2018) of grade-specific summer camps for kids entering kindergarten through 12th grade. Each week will offer educational, fun, creative, active and cultural experiences.

P3 Kidz on Campus camps are limited in size, and spaces are assigned on a first-come, first-serve basis.

Grade-level requirements are given in terms of the grade the student will be entering in Fall 2018.

Camps are subject to cancellation due to insufficient enrollment.

EXTENDED DAY OPTION (ENTERING KINDERGARTEN TO 8TH GRADE)
Extended stay is ideal for busy parents who need to bring their kids a little earlier in the morning and/or leave them a little later in the afternoon.

The Extended Day option offers supervised activities and fun from 7:30 to 9 a.m., 4 to 5:30 p.m., and lunch supervision through 12 to 1 p.m.

Lunch will not be provided, children must bring their own lunches. The cost is $20 per week for morning and afternoon sessions ($18 during the week of July 4th). The cost is $10 per week should you choose supervised lunch ($8 during the week of July 4th). Register for these options as you would any other course. Check our Extended Day schedule on pages 7-8.

See our Camps at a Glance Calendar on pages 10-13.
GENERAL INFORMATION

Information
For information on Professional & Public Programs course offerings, policies or registration, call (915) 747-5142, fax (915) 747-5538 or drop by the Professional & Public Programs Office on the UTEP campus, at Memorial Gym, Suite 111, Monday through Friday, 8 a.m. to 5 p.m.

Registration Confirmation & Room Assignment
A confirmation will be e-mailed to you within 48 hours with all pertinent course information. Classes are located on campus unless noted otherwise. A participation form will be attached to be filled out for each participant. Please bring the completed form to ensure prompt check in.

Course Fees
Professional & Public Programs is committed to offering quality programs at affordable prices. Course fees are based on an estimated minimum number of students. Professional & Public Programs is self–sustaining; course fees cover all expenses. No support is received from state or local taxes.

Participation Guidelines
Participants, or their representatives, who behave in a manner which is disruptive to the learning process, interferes with the well–being of other participants or staff, or causes damage to University or contracted facilities, may be asked not to return to the class.

Special Accommodations/Needs
If you have a disability and require special accommodations, please contact us at (915) 747–5142 or ppp@utep.edu.

Register Early
A course is closed when it reaches maximum enrollment, so please register early. Courses that do not meet the minimum enrollment will be canceled. Registrants will be notified of course cancellations by phone and e-mail. Please provide day and evening phone numbers, as well as an e–mail address, with your registration. Refunds will be processed automatically for courses canceled by Professional & Public Programs. Please allow two to three weeks for processing.

Professional & Public Programs reserves the right to cancel any course. Class locations, dates, times and instructors are subject to change.

Refund/Credit Voucher Policy
To keep cost as low as possible, we have instituted the following refund and credit policy. For your protection, we ask that you carefully review the terms below. Exceptions will not be made.

If you choose to withdraw from a course for any reason, your written request must be received by Professional & Public Programs three business days prior to the first class meeting. A full refund of your registration, less a $15 processing fee per course and cost of materials and/or lab fees, will be given. Please allow two to three weeks for processing. Refund requests must include your name, daytime telephone number, the course number or name, and reason for dropping the course. Telephone requests will not be accepted.

Please note: Certain courses are governed by their own refund policy.

Credit vouchers will be given when you withdraw from a class is within one to two business days prior to the first class meeting. Vouchers must be used toward another class of equal or greater value no later than Aug. 31, 2018. Each voucher will be issued in the amount of the registration, less a $15 processing fee and cost of materials and/or lab fees. Credit voucher requests must include your name, daytime telephone number, and the course number or name. Telephone requests will not be accepted.

Please note: Certain courses are governed by their own voucher policy.

No refunds will be given on or after the first class meeting. A $25 fee will be charged for returned or canceled checks.

Send your request via:

ALTERNATIVE P.M. CARE OPTIONS - YOUTH AQUATICS

Summer Cool Off Class
Beginning, Intermediate and Advance Swim Class
Grades 1st to 8th

This summer cool off course will provide participants with aquatics experience that will allow them to take the plunge and learn to swim through P3's Aquatic Youth Program. A focus is placed on safety skills and building self-confidence in the water. Swimming instruction ranges from beginner to advanced swimmers.

Please bring a change of clothes, goggles and towel. Change time is incorporated into the allotted timeframe of the course. No food allowed during pool hours, only water is allowed in pool area.

NOTE: Pool ID is NOT required for this camp. Participants will meet outside the main entrance of the Student Recreation Center for check in by a P3 staff member. Only ENROLLED participants will be allowed to stay in the Student Recreation Center after check-in. Guardians/parents must sign out participants at the end of each session in the lobby area of the Student Recreation Center with a P3 staff member at 5:30 p.m. To minimize high volume of traffic, Guardians/Parents will only be allowed in the Student Recreation Center during drop off and pick up. We greatly appreciate your support and understanding.

NOW HIRING!
Professional and Public Programs is always looking for qualified and enthusiastic educators who can teach community enrichment youth courses. For more information, contact our Community Enrichment Program Manager at 915-747-5106.

DISCOVER THE MINER IN YOU this summer with P3!

### P3 Kidz Abroad Camps

P3 Kidz Abroad offers children entering 1st through 8th grade the opportunity to participate in various one-week language and culture exploration experiences. Choose to transport your minds to France, Italy, Mexico, and Russia. Children may also participate in programs for English as a Second Language. All programs feature cultural activities and language development.

### P3 Kidz on the Move

P3 Kidz on the Move is a program component that is integrated in selective weekly camps. This program is based on the philosophy of developing strong bodies in partnership with strong minds. It focuses on skill-building, coordination, teamwork, and goal-setting in a non-competitive physical atmosphere.

### P3 Kidz Digital Technology

Look what is new, immersed in the fabulous world of Digital Technology (DT). DT includes: 2D, 3D and computer camp courses.

Register at ppp.utep.edu • 915.747.5142
Manners, Math & Art
This camp engages participants in learning proper manners, math, and art. In addition, the camp will include hands-on activities where participants can engage with one another and have fun.
18SKLH1KA1 | Fee: $80 | Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

I Am a Mini Reader
Students will learn the basics of reading by developing phonics, phonemic awareness and vocabulary through the use of sight words.
18SKRD1KP1 | Fee: $80 | Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 1 to 4 p.m.

Math is Fun
Making math fun is vital to establishing a solid foundation for your child's future academic success. Through this course, easy-to-learn techniques and fun games will be utilized in order to develop your child's understanding and confidence in basic mathematics.
18SKMT2KA1 | Fee: $80 | Meetings: 5
6/11 - 6/15 M, Tu, W, Th and F 9 a.m. to 12 N
18SKMT9KA1 | Fee: $80 | Meetings: 5
7/30 - 8/3 M, Tu, W, Th and F 9 a.m. to 12 N

Science Disaster Blasters
This camp teaches students about natural disasters, such as volcanoes, tornadoes, hurricanes and much more. In addition, students will be given the opportunity to create their own experiments based off of these natural disasters.
18SKSC3KA1 | Fee: $85 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

Magical Art Science
Participants will engage in fun activities to create art using science. Through multiple science experiments, participants will be amazed with how their artworks are created.
18SKAR3KP1 | Fee: $80 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 9 a.m. to 12 N

Mosaic Art Fun
In this camp young artist will explore their creativity with art pieces in a mosaic medium. Participants will have fun doing daily artworks while expressing their imagination.
18SKAR4KA1 | Fee: $80 | Meetings: 5
7/18 - 7/22 M, Tu, W, Th and F 9 a.m. to 12 N

Jr. Scientist
Does your child show an interest in science? This camp teaches students about natural disasters, such as volcanoes, tornadoes, hurricanes and much more. In addition, students will be given the opportunity to create their own experiments based off of these natural disasters.
18SKSC6KP1 | Fee: $85 | Meetings: 5
7/9 - 7/13 M, Tu, W, Th and F 9 a.m. to 12 N

Science: Dinosaurs Dig
Students will think like paleontologists and geologists as they explore the world of dinosaurs and investigate real and model fossils, footprints, a simulated dinosaur trackway, and excavate their own mini excavation sites.
18SKSC7KP1 | Fee: $85 | Meetings: 5
7/16 - 7/20 M, Tu, W, Th and F 9 a.m. to 12 N

Learning ABC’s & 123’s
In this camp, participants will use a variety of games, music and activities to grasp an understanding of basic pre-math and literacy skills. This camp will build a foundation for early childhood education.
18SKRD5KP1 | Fee: $75 | Meetings: 4
7/2 - 7/6 M, Tu, W, Th and F 1 to 4 p.m.
No class on 7/4 – Independence Day

Little Mathematician
Making math fun is vital to establishing a solid foundation for your child’s future academic success. Through this course, easy-to-learn techniques and fun games will be utilized in order to develop your child’s understanding and confidence in basic mathematics.
18SKMT6KA1 | Fee: $80 | Meetings: 5
7/9 - 7/13 M, Tu, W, Th and F 1 to 4 p.m.

Science: Lost in Space
Through this course, students will explore the universe and learn about the planets and solar system. Additionally, students will create their own solar system model using the knowledge acquired during the course.
18SKSC8KP1 | Fee: $85 | Meetings: 5
7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

P3 Kidz on Campus Summer Camps are listed in chronological order, see GRID calendar on pages 10-13 for additional information.
Math, Reading & Art Fun!

In this camp, participants will learn fundamental math and reading skills while incorporating art.

**Paintbrush Studio**

In this class, students will have the opportunity to experiment and learn a variety of painting techniques/approaches. They will engage in simple studio exercises, such as: color mixing, finger painting, combining paint with other media and much more.

- **18SKAR8KA1**  
  Fee: $80  
  Meetings: 5  
  7/23 - 7/27  
  M, Tu, W, Th and F 9 a.m. to 12 N

**Kidz Science: Powers On**

Throughout this course, participants will explore the science behind different types of energy. In addition to learning about these topics, students will also get the opportunity to experiment with chemical reactions, electricity and magnets.

- **18SKSC21A1**  
  Fee: $80  
  Meetings: 5  
  6/11 - 6/15  
  M, Tu, W, Th and F 9 a.m. to 12 N

**Reading Adventures!**

In this course, students will work upon their independent reading skills by further understanding the use of phonics and word-attacking techniques. Emphasis will also be placed on effective literacy that engages, motivates and helps students succeed in reading and grammar.

- **18SKRD21P1**  
  Fee: $80  
  Meetings: 5  
  6/11 - 6/15  
  M, Tu, W, Th and F 1 to 4 p.m.

- **18SKRD81P2**  
  Fee: $80  
  Meetings: 5  
  7/23 - 7/27  
  M, Tu, W, Th and F 1 to 4 p.m.

**Junior Chemical Mania!**

Get ready to learn chemistry the fun and crazy way through this fun and interactive course. Students will use the power of chemistry to create some glowing bubbles, water jelly crystals, erupting foam monsters, and super slimes. In addition, students will investigate the science behind chocolate, sugar and gooey gelatin.

- **18SKSC21P2**  
  Fee: $85  
  Meetings: 5  
  6/11 - 6/15  
  M, Tu, W, Th and F 1 to 4 p.m.

**Spanish - Español Para los Chiquitos (ENTERING 1ST & 2ND GRADE)**

The methodology used in this course is ideal for children who either, do not know how to read or are currently learning how-to in Spanish. The course material for this course places an emphasis on auditory comprehension, word recognition, as well as includes fun activities (coloring, drawing, etc.) in order to strengthen reading and writing skills.

- **18SLYS11P1**  
  Fee: $80  
  Meetings: 5  
  6/4 - 6/8  
  M, Tu, W, Th and F 1 to 4 p.m.

**Juniors' Inventors Workshop**

During their time in this course, students will invent new machines and explore creative design solutions through the use of the engineering design process. Discover how a wind-up toy works, design your own drawing robot, and much more.

- **18SKED11P2**  
  Fee: $149  
  Meetings: 5  
  6/4 - 6/8  
  M, Tu, W, Th and F 1 to 4 p.m.

- **18SKED61A2**  
  Fee: $149  
  Meetings: 5  
  7/9 - 7/13  
  M, Tu, W, Th and F 9 a.m. to 12 N

**ENTERING GRADES 1-2**

A Mix of Art

In this class, students will learn to use mixed media in art. They will use various art materials and mediums including printmaking, collaging, painting, shaving cream and more as they learn about different art techniques.

- **18SKAR11A1**  
  Fee: $80  
  Meetings: 5  
  6/4 - 6/8  
  M, Tu, W, Th and F 9 a.m. to 12 N

**Little Veterinarians**

Does your child want to be a vet or do you have an animal lover at home? In this camp we give our little vets a great introduction to the fascinating field of Veterinary Medicine. We cover topics real veterinarians use every day, such as animal behavior, first aid, dentistry care, and lab tests. In addition, students will use some cool lab tools, view X-rays, as well as interact and hold live animals, such as pigs, bearded dragons, snakes, frogs and more.

- **18SKAR21A1**  
  Fee: $80  
  Meetings: 5  
  6/11 - 6/15  
  M, Tu, W, Th and F 9 a.m. to 12 N

**Spanish - Español Para los Chiquitos (ENTERING 1ST & 2ND GRADE)**

The methodology used in this course is ideal for children who either, do not know how to read or are currently learning how-to in Spanish. The course material for this course places an emphasis on auditory comprehension, word recognition, as well as includes fun activities (coloring, drawing, etc.) in order to strengthen reading and writing skills.

- **18SLYS11A2**  
  Fee: $85  
  Meetings: 5  
  6/4 - 6/8  
  M, Tu, W, Th and F 9 a.m. to 12 N

**Fundamentals of Writing**

Through this course, students will enhance their artistic and writing skills, through various interactive activities. Some of these activities include: daily writing prompts, use of picture books, letters and much more.

- **18SKWR31P2**  
  Fee: $80  
  Meetings: 5  
  6/18 - 6/22  
  M, Tu, W, Th and F 1 to 4 p.m.

**Junior Engineers Under Construction**

Through this course, students work hard to apply their knowledge of construction to save the beach from erosion, as well as build their very own city from the ground up. From roads and tunnels to buildings and skyscrapers, students will discover that no job’s too tough.

- **18SKRD31P1**  
  Fee: $149  
  Meetings: 5  
  6/18 - 6/22  
  M, Tu, W, Th and F 1 to 4 p.m.

**Karate Camp (AGES 6-12)**

In this class, physical coordination and self-defense skills will be emphasized in an effort to teach students how to work as a team and develop respect, support and cooperation towards others. Additionally, karate helps children by promoting concentration, mobility, flexibility, psychomotor coordination, discipline and much more.

- **18SKHF33P2**  
  Fee: $80  
  Meetings: 5  
  6/18 - 6/22  
  M, Tu, W, Th and F 1 to 4 p.m.

- **18SKHF63P2**  
  Fee: $80  
  Meetings: 5  
  7/9 - 7/13  
  M, Tu, W, Th and F 1 to 4 p.m.

**Engineering: Pirate Academy**

Through this course, students will build their very own pirate ship, go fishing for treasure, and work together in a crew to create delicious treats, more precious than gold. Hop aboard this course to set sail and explore.

- **18SKED41A2**  
  Fee: $149  
  Meetings: 5  
  6/25 - 6/29  
  M, Tu, W, Th and F 9 a.m. to 12 N

Cheer Fundamentals:
BEGINNERS AND INTERMEDIATE (AGES 6-12)
This course addresses cheering fundamentals and is designed for individuals of all skill levels. Topics which will be addressed in class include: fundamental and proper technique, stretching, jumping, learning cheers/chants, dancing and much more. At the completion of this course, students will be able to successfully preform an exciting and energized routine with synchronized movements.

18SKHF5000  |  Fee: $80  | Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 9 a.m. to 12 N

Artful Abstract Adventures
Students will be immersed in the creative world of abstract art. This course will allow students to have fun, as they create their own forms of abstract art through the use various techniques and art materials, such as newspaper, tissue paper, tape, acrylics and much more.

18SKAR41P1  |  Fee: $80  | Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 1 to 4 p.m.

Magic School Bus Science Lab!
This course will bring the excitement of the Magic School Bus science to life as we focus on different episodes of the wonderful Magic School Bus series. Join the fun as we conduct our own science experiments and wackiest hands-on activities to spark an interest and curiosity for different sciences in kids. Themes will include: the engineering lab, soaring into flight, the ocean floor, inside the earth, the rain forest, and much more.

18SKSC41P2  |  Fee: $85  | Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 1 to 4 p.m.

FUN-damental Math!
Students will learn the basic foundations of math. They will practice through activities of addition, subtraction, number operations, as well as number charts. Students will also learn fun strategies that will make math easy and understandable.

18SKMT51A1  |  Fee: $75  | Meetings: 4
7/2 - 7/6    |  M, Tu, Th and F 9 a.m. to 12 N
No class on 7/4 – Independence Day

Animal Science: Beaks, Fur, Spikes, Scales & Tails!
Young zoologists will discover the wonders of the animal kingdom as they meet all five vertebrate groups and get to meet some incredible live creatures. Investigate what it means to be warm blooded, cold blooded, an omnivore, and learn about some awesome animal facts. Students will interact with small, furry mammals to investigate how smart gerbils, mice and rats really are, as well as work with reptiles, such as snakes and turtles.

18SKC561A2  |  Fee: $80  | Meetings: 4
7/2 - 7/6    |  M, Tu, Th and F 9 a.m. to 12 N
No class on 7/4 – Independence Day

Working on Spelling & Vocabulary
In this course, participants will work upon their spelling skills with activities to further enhance their vocabulary. Emphasis will also be placed upon effective literacy that engages, motivates and helps participants succeed in reading and grammar.

18SKWR51P1  |  Fee: $75  | Meetings: 4
7/2 - 7/6    |  M, Tu, Th and F 1 to 4 p.m.
No class on 7/4 – Independence Day

Kidz Sports Zone
This camp utilizes sports and physical activity to promote the development of motor skills and cooperation in young children. Through this physical education program, participants will build strength, self-esteem and confidence, all while having fun with teamwork sporting activities.

18SKH61P2  |  Fee: $75  | Meetings: 4
7/2 - 7/6    |  M, Tu, Th and F 1 to 4 p.m.
No class on 7/4 – Independence Day

18SKHF61P1  |  Fee: $80  | Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 1 to 4 p.m.

Artist in Training
This course allows students to use various creative techniques (watercolors, resist art, chalk, stamping) to make lovely works of art. Additionally, they will learn how to improve on their drawing skills. This course serves as a basis for other activities, such as painting, printmaking and other mixed media.

18SKAR61A1  |  Fee: $80  | Meetings: 5
7/9 - 7/13   |  M, W, Th and F 9 a.m. to 12 N

Kidz Theatre Camp
This course will help your child develop artistic, expressive and cognitive skills through acting. Students will learn acting techniques through the use of their voices, bodies and emotions. They will work with short scenes and plays which will be showcased at the end of the course.

18SKPA61P1  |  Fee: $80  | Meetings: 5
7/9 – 7/13   |  M, Tu, W, Th and F 1 to 4 p.m.

18SKAR91A1  |  Fee: $80  | Meetings: 5
7/30 - 8/3   |  M, Tu, W, Th and F 9 a.m. to 12 N

How to Be a Science Wizard!
Join us for a magical adventure as we unlock the secrets of the world of wizardry. Students will mix up oozing potions, pour fizzy, bubbling liquids, make glowing locust slime, explore spider eggs, wormwood leaves, levitate objects high in the air, and much more.

18SKC61P2  |  Fee: $85  | Meetings: 5
7/9 - 7/13   |  M, Tu, W, Th and F 1 to 4 p.m.

18SKS71A2  |  Fee: $85  | Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 12 N

Spanish for Kidz
In this introductory course, students will learn about basic Spanish language elements, such as vocabulary and phrases. In addition, students will learn how to communicate numbers, colors, shapes, the days of the week, and much more.

18SML51P1  |  Fee: $80  | Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 9 a.m. to 12 N

18SKAR81A1  |  Fee: $80  | Meetings: 5
7/9 - 7/13   |  M, W, Th and F 9 a.m. to 12 N

Science & Art Adventures for Kidz
Science, math, and art are all combined in this course to make experiments and unique art pieces. Participants will learn about geometric shapes, chemical reactions, engineering designs in nature and much more.

18SKC81A2  |  Fee: $85  | Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 9 a.m. to 12 N

One, Two, Three Draw!
This course will help students discover the possibilities of basic drawing. They will focus on sketching, shading, cross hatching, contour and blind contour. Students will also learn to use different drawing techniques (watercolors, resist art, chalk, stamping) to make artworks.

18SKAR91A1  |  Fee: $80  | Meetings: 5
7/30 - 8/3   |  M, Tu, W, Th and F 9 a.m. to 12 N

Boo! Haunted Scientists' Lab!
Are you ready for a camp that is sure to send shivers down your spine? Students will engage in a wide array of fun and spooky experiments, such as making ghost bubbles, candy glass, green fire, ghoulish green goo and much more. In addition, students will learn about skeletons, snakes, slimy night crawlers, and more spooky topics.

18SKS71A2  |  Fee: $85  | Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 12 N

Kidz Micro Science
Participants will learn about microscopic organisms and materials through this hands-on course. In addition, germs and a variety of artifacts will be seen under the lens of a microscope.

18SKS71A2  |  Fee: $85  | Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 12 N

Kidz Acting Camp
This course will use theatrical exercises, games, and processes to help develop your child's artistic, expressive and cognitive skills. Students will learn a variety of theatrical techniques that will benefit all aspects of their education, including listening skills, reading comprehension, vocabulary and team work.

18SKPA81A1  |  Fee: $80  | Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 9 a.m. to 12 N

P3 KIDZ ON CAMPUS
SUMMER CAMPS
ENTERING GRADES 1-2

18SKSC71A2  |  Fee: $85  | Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 12 N

18SKSC61P2  |  Fee: $80  | Meetings: 4
7/9 - 7/13   |  M, Tu, W, Th and F 9 a.m. to 12 N
No class on 7/4 – Independence Day

P3 CONTINUING EDUCATION AT UTEP • SUMMER 2018 • ENTERING GRADES 1-2
Kidz Extreme STEM Challenge
Participants will design and build bridges, cars, and other fun structures with a variety of materials to show off their creativity. Subjects, such as science, technology, engineering, and math are all combined in these projects.

**18SKSC91A2**  Fee: $85  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Improving Vocabulary & Reading Skills
This course allows students to expand their vocabulary and reading skills through a variety of fun in-class activities.

**18SKWR91P1**  Fee: $80  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Egyptian Tombs, Treasures & Secret Mummies
Students will investigate the mysteries of ancient Egypt through the use of hands-on activities in this fun and interactive course. Some of the topics to be discussed include: temples, pharaohs, ancient artifacts, scorpions, mummies, gemstones, erosion, sandstorms, quicksand pits, and much more.

**18SKSC91P2**  Fee: $85  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Mini Gardens
In this camp, participants will use their imagination to create a miniature fairy garden. Participants will craft mini furniture and decorations, as well as learn about gardening techniques, as they care for small plants.

**18SKLH13A3**  Fee: $80  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Kidz Lego Robots
Using a Mindstorm Lego robot, students will design objects, such as vehicles, animals, dinosaurs, robots, or whatever else they can imagine. Their robot will then be programmed through a phone app to move and perform different tasks. Overall, this course teaches students basic concepts in programming, math and robotics.

**18SKIT13A4**  Fee: $185  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N
**18SKIT73A4**  Fee: $185  Meetings: 5
7/16 - 7/20 M, Tu, W, Th and F 9 a.m. to 12 N

Kids’ Super Maker Lab!
When it comes to inventing, a kid’s imagination has no limits. Through this course, students will design, build, and test engineering projects that incorporate common household materials. Some of these projects include: a ball launching catapult, trash grabber, newspaper fort, DIY toys and gadgets, balloon hovercraft, and much more.

**18SKSC13P1**  Fee: $85  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Sign Language Camp
Basic elements, such as the alphabet, greetings, numbers, and much more will be discussed through this course. In addition, students will practice essential vocabulary and phrases to communicate properly with basic signs.

**18SLYN13P2**  Fee: $80  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N
**18SLYN63A2**  Fee: $80  Meetings: 5
7/9 - 7/13 M, Tu, W, Th and F 9 a.m. to 12 N

Multicultural Cooking & Baking Recipes for Kidz
In this course, students will learn about 4 different food cuisines (Italian, Asian, Mexican, American), as well as engage in cooking and baking to understand and experience the differences in each cultural cuisine. Two broad areas will be addressed: food safety preparation and sanitation rules; and cooking techniques and recipes. Lectures are enhanced by classroom activities and handouts.

**18SKSC23A1**  Fee: $85  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Swimming Conditioning and Fitness for Youth (Entering Grades 3-12)
Take the plunge into our pool through this camp. This camp will help you develop your technique, fitness and conditioning. The camp is designed for those who wish to perform four different swimming styles (front crawl, backstroke, breaststroke and butterfly).

**18SKLH23A2**  Fee: $125  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Chemical Mania!
Get ready to learn chemistry the fun and crazy way through this fun and interactive course. Students will use the power of chemistry to create some glowing bubbles, water jelly crystals, erupting foam monsters, and super slimes. In addition, students will investigate the science behind chocolate, sugar and gooey gelatin.

**18SKAQ1061**  Fee: $143  Meetings: 5
6/4 - 6/8 M, Tu, W, Th and F 9 a.m. to 12 N

Easy Grilling and Baking for Kids
Allow your child to engage with hands-on grilling and baking through this course. Students will learn how to prepare food on a grill both outdoors and indoors, as well as learn a variety of new recipies/cooking techniques, such as: cooking ribs, homemade hamburgers, grilled pizza and much more. Two broad areas will be addressed: grilling food safety guidelines and cooking techniques.

**18SKAQ1062**  Fee: $143  Meetings: 5
6/11 - 6/15 M, Tu, W, Th and F 9 a.m. to 12 N

**18SKAQ1063**  Fee: $143  Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

**18SKAQ1064**  Fee: $143  Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 9 a.m. to 12 N

**18SKAQ1065**  Fee: $125  Meetings: 5
7/2 - 7/6 M, Tu, W, Th and F 9 a.m. to 12 N

No class on 7/4 – Independence Day

**18SKAQ1066**  Fee: $143  Meetings: 5
7/9 - 7/13 M, Tu, W, Th and F 9 a.m. to 12 N

SUMMER CAMPS

Get On Your Feet Dance Camp
This fun dance class will teach your child the most creative and modern dance moves, while also helping develop locomotor skills, leadership and self-esteem. The world of dance can be a fun place in which children interact with one another and express themselves in a safe, judgment-free space.

**Required:** Students must bring comfortable clothes to dance with and wear closed shoes.

**18SKPA23A3** | Fee: $80 | Meetings: 5
6/11 - 6/15 | M, Tu, W, Th and F 9 a.m. to 12 N

Math Counts
This camp is designed to introduce fundamental math skills. Participants will develop critical reasoning skills and obtain a genuine understanding of the logical reasoning processes needed to solve math problems. This course will help participants develop a understanding of numbers, sets, real-life applications, and much more.

**18SKMT23A4** | Fee: $80 | Meetings: 5
6/11 - 6/15 | M, Tu, W, Th and F 9 a.m. to 12 N
**18SKMT73P3** | Fee: $80 | Meetings: 5
7/16 - 7/20 | M, Tu, W, Th and F 1 to 4 p.m.

Youth Science: Powers On
Throughout this course, participants will explore the science behind different types of energy. In addition to learning about these topics, students will also get the opportunity to experiment with chemical reactions, electricity and magnets.

**18SKC23P1** | Fee: $85 | Meetings: 5
6/11 - 6/15 | M, Tu, W, Th and F 1 to 4 p.m.

Youth Empowerment Sport Camps
This course will incorporate core values such as teamwork, sportsmanship and leadership. The various drills and games will provide participants with a solid foundation in sports and enable participants to retain skills learned in a fun, friendly environment. Our program is designed to teach sports skills through games, exercise and conditioning, with an additional emphasis on nutrition and health.

**18SKEPHF23P** | Fee: $80 | Meetings: 5
6/11 - 6/15 | M, Tu, W, Th and F 1 to 4 p.m.

Kidz 2D Mobile Game Development: Space
In this course, students will program and design a 2D mobile space game. Students will learn about math, coding, design and space, as they bring their creation to life. At the end of the course, students will be able to take their project home, share it with friends on a mobile (Android) device, or play it from any PC.

**18SKIT32P3** | Fee: $185 | Meetings: 5
6/11 - 6/15 | M, Tu, W, Th and F 1 to 4 p.m.

Youth Theatre Camp
This course will help your child develop artistic, expressive and cognitive skills through acting. Students will learn acting techniques through the use of their voices, bodies and emotions. They will work with short scenes and plays which will be showcased at the end of the course.

**18SKPA33A1** | Fee: $80 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 9 a.m. to 12 N

Art Works Explosion
In this class, students will participate in various experiments that involve mixing different substances to create paint, glue, watercolor, and clay. In addition, students will experiment with items, such as flour, salt, sugar, water, glue, and shaving cream to create unique works of art.

**18SKAR33A2** | Fee: $80 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 9 a.m. to 12 N

Tackling the Tools of Reading
This class enhances a student’s understanding of reading strategies and comprehension. Students will learn to understand, distinguish differences and similarities, and draw conclusions on the structure and elements of a passage.

**18SKWR33A3** | Fee: $80 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 9 a.m. to 12 N

Kidz 3D Game Development: Sci-Fi
In this course, students will create a 3D game from the ground up. They will learn the basics of 3D modeling, animation, and coding, as they create a game environment that takes players across a futuristic city. At the end of the course, students will be able to take their project home, share it with friends, or play it from any PC. They will also be given the opportunity to turn their game into a VR experience by signing on to that separate course.

**18SKIT32A4** | Fee: $185 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 9 a.m. to 12 N

Delicious Dessert Treats for Youth
In this course, students will learn how to bake and decorate different delicious cakes and cupcakes for special events. Two broad areas will be addressed through lectures, hands on activities, and handouts: food safety guidelines and baking techniques.

**18SKLH33A5** | Fee: $125 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 9 a.m. to 12 N

Space Engineers, Prehistoric Earth and Dinosaurs!
Dig into the mysteries of prehistoric Earth or investigate the wonders of space science through this interactive course. Students will conduct a wide array of experiments as they engage with the subject material, such as: investigating tar pits, breaking open geodes, creating plaster replicas of dinosaur teeth and claws, design a planet rover, space crafts, and much more.

**18SKC33P1** | Fee: $85 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 1 to 4 p.m.

Karate Camp **(AGES 6-12)**
For complete course listing, see page 15.

Guitar 101
In this class, participants will learn the fundamental skills of reading music, playing chords and songs. This course is suitable to beginners or intermediate guitarists.

**18SKPA33P3** | Fee: $80 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 1 to 4 p.m.

Russian for Youth **NEW**
Through this introductory course, students will learn the basics of the Russian language, with a focus on developing listening, speaking, reading, and writing skills. In addition, students will explore Russian culture through interactive games, songs, theater and more.

**18SLR33P4** | Fee: $80 | Meetings: 5
6/18 - 6/22 | M, Tu, W, Th and F 1 to 4 p.m.

Brain Tickling DIY Science!
Every scientist needs their DIY space to experiment and explore new fields of science. Through this course, students will learn how to make an iceberg in a bottle, test water balloon launchers, craft a slime volcano, create a DIY Bug-bot, and much more. In addition, students will explore topics such as: engineering, water, energy, nature, animals and the human body.

**18SKC43A1** | Fee: $85 | Meetings: 5
6/25 - 6/29 | M, Tu, W, Th and F 9 a.m. to 12 N

Reading Extravaganza
This course is specially designed to assist students from grades 3-5 by enhancing their reading skills in areas that are critical to future learning. The course will cover high-frequency words, vocabulary, oral
Cheer Fundamentals:
BEGINNERS AND INTERMEDIATE (AGES 6-12)
For complete course listing, see page 16.

Spanish for Youth
In this introductory course, students will learn about basic Spanish language elements, such as vocabulary and phrases. In addition, students will learn how to communicate numbers, colors, shapes, the days of the week, and much more.

Paint Strokes for Artist
In this course, participants will learn different painting techniques and styles in order to inspire creativity and foster originality. Participants will cover basic color schemes/harmonies, as well as painting techniques, such as gradient blending, wet on wet, underpainting, etc.

Kotm: Multi-Sport Camp
Each student will receive professional instruction on how to practice and play various sports in a safe and positive environment. Additionally, students will learn about the history and rules of each sport, while building upon their current fitness level.

Candy Creations for Youth
In this course, students will learn how to prepare easy-to-bake scrumptious candy treats for special occasions. Two broad areas will be addressed through lectures, hands on activities, and handouts: food safety guidelines and baking techniques.

Math Wizards
This class will help your child develop the math skills required to succeed in the third, fourth and fifth grades. The curriculum will cover whole numbers, decimals, number theory, fractions, probability and much more. In addition, students in grades four and five will study percentages, while students in grade five will also study algebra.

The Art of Recycling
This class will allow students to turn recycled materials into original and fun pieces of art. Students will be encouraged to use recycled materials to create simple yet innovative projects into art. These activities will encourage them to recycle and get creative, as well as develop fine motor skills.

Kotm: Creating Your Own Virtual Friends
Create an animated 3D virtual character, just like the ones you see on video games through this interactive course. Using voice recognition, students will create their own personal assistants, virtual friends, or interesting characters that listen, understand, react and talk back. In addition, students will learn how “agents” like Siri, Cortana, or Alexa work, as well as what limitations they are under.

ZSI: Zoo Science Investigators
Did you know, although porcupines and hedgehogs seem so similar, they have very little in common? Through this course, students will learn about different ecosystems and habitats, study live animals, learn about reptiles, furry creatures, amphibians, and much more.

Italian Cuisine for Kidz
Students will engage in cooking and baking in order to experience different Italian cuisines. Two broad areas are addressed: food safety preparation and sanitation rules; and cooking techniques and recipes.

Youth Voice Carry
This class allows students to improve upon their singing/music skills by focusing on voice techniques, such as: breathing, support, projection and much more. Additionally, students will learn how to read music, how to use their voice as an instrument, and discover their personal voice.

Speaking to Be Heard
Individuals shape their identity through the use of their voice, and as such, communication skills are important for the development of one’s self. This course prepares students with the experience needed for superior and dynamic communication throughout life.

Magical Science Wizards
Join us for a magical adventure as we unlock the secrets of the world of wizardry. Students will mix up oozing potions, pour fizzy, bubbling liquids, make glowing locust slime, explore spider eggs, wormwood leaves, levitate objects high in the air, and much more.

Exploring Creative Writing
Students enhance their ability to express themselves, by building upon their writing skills. This course gives students the opportunity to learn different writing techniques, as well as how to utilize their emotion.

Italian Cuisine for Kidz
Students will engage in cooking and baking in order to experience different Italian cuisines. Two broad areas are addressed: food safety preparation and sanitation rules; and cooking techniques and recipes.
P3 KIDZ ON CAMPUS
SUMMER CAMPS
ENTERING GRADES 3-5

Art Explorations
Participants in this camp will learn about the different art movements in history and create original artwork inspired by artists from the movements covered.
18SKAR63P1  | Fee: $80  | Meetings: 5
7/9 - 7/13  | M, Tu, W, Th and F 1 to 4 p.m.

Kidz Makey Makey: Controlling Computers with Everyday Objects
Computers cannot “feel,” but they understand mouse clicks and keystrokes. Using a MakeyMakey, students will connect real-world objects and make them touch sensitive. They will start by creating simple popular projects, such as a banana piano, or a water drum set, then move on to create more advanced projects like “the floor is lava” or an obstacle course.
18SKIT63P3  | Fee: $185  | Meetings: 5
7/9 - 7/13  | M, Tu, W, Th and F 1 to 4 p.m.

Youth Micro Science
Participants will learn about microscopic organisms and materials through this hands-on course. In addition, germs and a variety of artifacts will be seen under the lens of a microscope.
18SKSC73A1  | Fee: $85  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 9 a.m. to 12 N

Krafty Kidz
In this course, students will have the opportunity to exercise their craftsmanship, dexterity, and creativity skills by making cool and exciting art crafts/projects. These activities will include using materials like fabric, buttons, popsicle sticks, markers, wax paper, watercolor and much more.
18SKAR73A2  | Fee: $80  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 9 a.m. to 12 N

Monster Science: Vampires, Werewolves, & Zombies
Are you ready for a camp that is sure to send shivers down your spine? Students will engage in a wide array of fun and spooky experiments, such as making ghost bubbles, candy glass, green fire, ghoulish green goo and much more. In addition, students will learn about skeletons, snakes, slimy night crawlers, and more spooky topics.
18SKC73P1  | Fee: $85  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 1 to 4 p.m.

Fun and Easy 30 Minute Meals for Kidz
In this course, students will prepare a home cooked meal, including dessert in just 30 minutes. This course will help your student learn how to make easy and delicious meals in order to fit family pleasing home cooking into your busy day. Students will be cooking in culinary style with fresh ingredients and fast food preparation. Two broad areas are addressed: food safety guidelines and cooking techniques. Lectures are enhanced by classroom activities and handouts.
18SKLH73P2  | Fee: $125  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 1 to 4 p.m.

Preparing for Basketball with Coach Samaniego
In this course, participants will engage with basketball drills and conditioning methods in order to play the game of basketball more effectively and efficiently. Students will participate in skill orientated basketball games and developmental techniques, all while having fun. This course is for participants beginning to learn the game of basketball.
18SKHF73P4  | Fee: $80  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 1 to 4 p.m.

Youth Micro Science
Participants will learn about microscopic organisms and materials through this hands-on course. In addition, germs and a variety of artifacts will be seen under the lens of a microscope.
18SKSC73A1  | Fee: $85  | Meetings: 5
7/16 - 7/20  | M, Tu, W, Th and F 9 a.m. to 12 N

Engineering: Momentum Madness
Through this course, students will explore four fields of engineering: industrial, electrical, mechanical, and aerospace. In addition, they will design and construct vehicles that will achieve breaking speeds (but not at the expense of safe racing conditions).
18SKED83A1  | Fee: $149  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 9 a.m. to 12 N

Scribbles and Sculptures
This course will give students the chance to build and transform interesting sculptures. They will learn to see art from a three-dimensional perspective by drawing/planning out their sculpture, and then bringing it to life. To that end, they will use interesting and unique materials, such as clay, straws, pipe cleaners, to paper rolls and much more.
18SKAR83A3  | Fee: $80  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 9 a.m. to 12 N

A Trip to the Arab World
A fun, unique course designed to introduce kids to the Arabic language and culture. Kids will learn how to introduce themselves and others, exchange simple conversations, and recognize Arabic letters, numbers, colors and shapes. The goal of this course is to equip students with the basic reading, writing, listening and speaking skills in Arabic.
18SLYA83A4  | Fee: $80  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 9 a.m. to 12 N

Science & Art Adventures for Youth
Science, math, and art are all combined in this course to make experiments and unique art pieces. Students will learn about geometric shapes, chemical reactions, engineering designs in nature and much more.
18SKSC83P1  | Fee: $85  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 1 to 4 p.m.

French Camp
This class is designed to immerse students in French language and culture, through a host of fun/interactive activities. In addition, a focus is placed on enhancing the student’s reading, writing and listening skills.
18SLYF83P2  | Fee: $80  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 1 to 4 p.m.

Speak Up: Public Speaking
In this course, students will be introduced to the art of public speaking in the effort of improving their communication skills, confidence, and ability to communicate clearly and effectively.
18SKLH83P3  | Fee: $80  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 1 to 4 p.m.

Kidz 3D Game Development: Scary Games
In this course, students will create a 3D game from the ground up. They will learn the basics of 3D modeling, animation, and coding, as they create a game environment that takes players across a scary mansion. At the end of the course, students will be able to take their project home, share it with friends, or play it from any PC. They will also be given the opportunity to turn their game into a VR experience by signing on to that separate course.
18SKIT83P4  | Fee: $185  | Meetings: 5
7/23 - 7/27  | M, Tu, W, Th and F 1 to 4 p.m.

Ancient Egyptian Science Lab!
Students will investigate the mysteries of ancient Egypt through the use of hands-on activities in this fun and interactive course. Some of the topics to be discussed include: temples, pharaohs, ancient artifacts, scorpions, mummies, gemstones, erosion, sandstorms, quicksand pits, and much more.
18SKSC93A1  | Fee: $85  | Meetings: 5
7/30 - 8/3  | M, Tu, W, Th and F 9 a.m. to 12 N

Youth Acting Camp
This course will help your child develop artistic, expressive and cognitive skills through acting. Students will learn acting techniques through the use of their voices, bodies and emotions. They will work with short scenes and plays which will be showcased at the end of the course.
18SKPA93A3  | Fee: $80  | Meetings: 5
7/30 - 8/3  | M, Tu, W, Th and F 9 a.m. to 12 N
Extreme STEM Challenge
Participants will design and build bridges, cars, and other fun structures with a variety of materials to show off their creativity. Subjects, such as science, technology, engineering, and math are all combined in these projects.
18SKSC93P1  Fee: $85  Meetings: 5
7/30 - 8/3  M, Tu, W, Th and F 1 to 4 p.m.

Young Artists
This course takes the students on a journey through various art movements, wherein they will learn artistic ideals, styles and technical approaches. Everyday there will be a main artist from each movement discussed and studied; after this, students will create their own original artworks in their style.
18SKAR93P2  Fee: $80  Meetings: 5
7/30 - 8/3  M, Tu, W, Th and F 1 to 4 p.m.

Succeed in Math
This camp is designed to introduce fundamental math skills. Participants will develop critical reasoning skills and obtain a genuine understanding of the logical reasoning processes needed to solve math problems. This course will help participants develop a understanding of numbers, sets, real-life applications, and much more.
18SKMT93P4  Fee: $80  Meetings: 5
7/30 - 8/3  M, Tu, W, Th and F 1 to 4 p.m.

Engineering: Design the Future
Through this course, students will explore the future of transportation, manufacturing and structural engineering. In addition, they will observe innovations of today and apply them to create the designs of tomorrow, as well as explore ways to harness clean energy.
18SKED16A3  Fee: $149  Meetings: 5
6/4 - 6/8  M, Tu, W, Th and F 9 a.m. to 12 N

Lego Robots
Using a Mindstorm Lego robot, students will design objects, such as vehicles, animals, dinosaurs, robots, or whatever else they can imagine. Their robot will then be programmed through a phone app to move and perform different tasks. Overall, this course teaches students basic concepts in programming, math and robotics.
18SKIT16P1  Fee: $185  Meetings: 5
6/4 - 6/8  M, Tu, W, Th and F 1 to 4 p.m.
18SKIT76P1  Fee: $185  Meetings: 5
7/16 - 7/20  M, Tu, W, Th and F 1 to 4 p.m.

Mini Gardens For Teens
In this camp, participants will use their imagination to create a miniature fairy garden. Participants will craft mini furniture and decorations, as well as learn about gardening techniques, as they care for small plants.
18SKLH16P2  Fee: $80  Meetings: 5
6/4 - 6/8  M, Tu, W, Th and F 1 to 4 p.m.

Brush Strokes of Impressionism:
Arts of Van Gogh
In this course, participants will recreate some of Vincent Van Gogh’s famous artworks in their own vision, such as Starry Night, Sunflower and self-portraits. Students will also learn to mix different shades of color, brush strokes techniques and much more.
18SKAR16P3  Fee: $80  Meetings: 5
6/4 - 6/8  M, Tu, W, Th and F 1 to 4 p.m.

Swimming Conditioning and Fitness for Youth (ENTERING GRADES 3-12)
For complete course listing, see page 17.

2D Mobile Game Development: Space
In this course, students will program and design a 2D mobile space game. Students will learn about math, coding, design and space, as they bring their creation to life. At the end of the course, students will be able to take their project home, share it with friends on a mobile (Android) device, or play it from any PC.
18SKIT26A1  Fee: $185  Meetings: 5
6/11 - 6/15  M, Tu, W, Th and F 9 a.m. to 12 N

Babysitter Certification (AGES 11-17)
This training helps participants develop leadership skills, learn how to develop a babysitting business, as well as what it takes to be a safe and responsible babysitter. Babysitter, CPR and first-aid certification are included.
Required: Students are encouraged to wear comfortable clothing; however, tank tops are not permitted.
18SKLH26A2  Fee: $80  Meetings: 5
6/11 - 6/15  M, Tu, W, Th and F 9 a.m. to 12 N
18SKLH46A3  Fee: $80  Meetings: 5
6/25 - 6/29  M, Tu, W, Th and F 9 a.m. to 12 N
18SKLH66A3  Fee: $80  Meetings: 5
7/9 - 7/13  M, Tu, W, Th and F 9 a.m. to 12 N

Teen Empowerment Sport Camps
This course will incorporate core values such as teamwork, sportsmanship and leadership. The various drills and games will provide participants with a solid foundation in sports and enable participants to retain skills learned in a fun, friendly environment. Our program is designed to teach sports skills through games, exercise and conditioning, with an additional emphasis on nutrition and health.
18SKEPHF26A  Fee: $80  Meetings: 5
6/11 - 6/15  M, Tu, W, Th and F 9 a.m. to 12 N
18SKEPHF46B  Fee: $80  Meetings: 5
6/25 - 6/29  M, Tu, W, Th and F 1 to 4 p.m.
18SKEPHF86A  Fee: $80  Meetings: 5
7/23 - 7/27  M, Tu, W, Th and F 9 a.m. to 12 N

Insight to Algebra
This class is designed to help students understand topics related to Algebra. Students will develop strong math skills based on applications involving critical thinking and problem solving. Topics include: operations with real numbers, linear equations and inequalities, relations and functions, polynomials, algebraic fractions, and nonlinear equations.
18SKMT26P1  Fee: $80  Meetings: 5
6/11 - 6/15  M, Tu, W, Th and F 1 to 4 p.m.

Life Drawing
Do you like to draw? This course will teach students the fundamentals of drawing people and everyday objects.
18SKAR26P2  Fee: $80  Meetings: 5
6/11 - 6/15  M, Tu, W, Th and F 1 to 4 p.m.
18SKAR56P2  Fee: $75  Meetings: 4
7/2 - 7/6  M, Tu, Th and F 1 to 4 p.m.

No class on 7/4 – Independence Day

DISCOVER THE MINER IN YOU
this summer with P3!
register at ppp.utep.edu  •  915.747.5142
Easy Grilling and Baking for Teens
Allow your child to engage with hands-on grilling and baking through this course. Students will learn how to prepare food on a grill both outdoors and indoors, as well as learn a variety of new recipies/cooking techniques, such as: cooking ribs, homemade hamburgers, grilled pizza and much more. Two broad areas will be addressed: grilling food safety guidelines and cooking techniques.

**Easy Grilling and Baking for Teens**
18SKLH26P3 | Fee: $125 | Meetings: 5
6/11 - 6/15 M, Tu, W, Th and F 1 to 4 p.m.

Engineer Investigators
Using principles of investigative science and forensic engineering, students will analyze evidence in the simulated crime scene. Your child will embark new journey each day to decipher cryptic clues and biological codes, as well as use math, science, and technology to get the job done.

**Engineer Investigators**
18SKED36A1 | Fee: $149 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

Guitar Rocks
In this class, participants will be introduced to the basics of learning how to play guitar. Topics covered include chords, proper hand placement, musical notes and rhythms and simple melodies. This course is designed for students with very little or no prior guitar experience.

**Guitar Rocks**
18SKPA36A2 | Fee: $80 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

Introduction to Photography and Photoshop
This course lays the foundation for understanding the basics of digital photography and photoshop. Specific topics that will be discussed include: how to alter existing images, enhance colors, the art of lighting, the use of lenses and much more.

**Introduction to Photography and Photoshop**
18SKLH36A3 | Fee: $80 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

3D Game Development: Sci-Fi
In this course, students will create a 3D game from the ground up. They will learn the basics of 3D modeling, animation, and coding, as they create a game environment that takes players across a futuristic city. At the end of the course, students will be able to take their project home, share it with friends, or play it from any PC. They will also be given the opportunity to turn their game into a VR experience by signing on to that separate course.

**3D Game Development: Sci-Fi**
18SKIT36P1 | Fee: $185 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 1 to 4 p.m.

Perfecting Drawing Techniques
Student’s eyes and hands will work together, as they learn drawing techniques to better help them render the human body and face. In addition, they will be exposed to realistic and abstract artists, as a means of inspiration.

**Perfecting Drawing Techniques**
18SKAR36P2 | Fee: $80 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 1 to 4 p.m.

Youth Boxing & Conditioning
Young boxers will learn the fundamentals of boxing, while also building self-confidence, discipline and work ethic. It is often best to learn the sport at an early age, as it implements good habits, while also staying in shape.

**Youth Boxing & Conditioning**
18SKHF36P3 | Fee: $80 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 1 to 4 p.m.

Delicious Dessert Treats for Youth
In this course students will learn how to bake and decorate different delicious cakes and cupcakes for special events. Two broad areas will be addressed through lectures, hands on activities, and handouts: food safety guidelines and baking techniques.

**Delicious Dessert Treats for Youth**
18SKLH36P4 | Fee: $125 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 1 to 4 p.m.

Russian for Teens
This introductory Russian course is for those who would like to learn more about Russian language and culture. Through this course, students will review basic grammatical structures and language foundation techniques in regards to the Russian language.

**Russian for Teens**
18SLYR36A4 | Fee: $80 | Meetings: 5
6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

Oculus Rift: Virtual Reality Development
In this course, students will learn how to create virtual reality (VR) projects for the Oculus Rift. After taking this course, students will understand the differences between virtual reality, augmented reality, and mixed reality. In addition, they will learn how to create exciting 3D experiences. Finished projects may also be taken home, so long as students have the necessary hardware (Rift VR headset) to operate it.

**Oculus Rift: Virtual Reality Development**
18SKIT46A1 | Fee: $185 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 9 a.m. to 12 N

Teen Theatre Camp
This course will help your child develop artistic, expressive and cognitive skills through acting. Students will learn acting techniques through the use of their voices, bodies and emotions. They will work with short scenes and plays which will be showcased at the end of the course.

**Teen Theatre Camp**
18SKPA46A2 | Fee: $80 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 9 a.m. to 12 N

Candy Creations for Youth
In this course, students will learn how to prepare easy-to-bake scrumptious candy treats for special occasions. Two broad areas will be addressed through lectures, hands on activities, and handouts: food safety guidelines and baking techniques.

**Candy Creations for Youth**
18SKLH46A4 | Fee: $125 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 9 a.m. to 12 N

Jiu Jitsu for Kids (AGES 11-17)
Children will learn the basics of Jiu Jitsu for the purpose of self-defense and building confidence in a safe and monitored environment. Jiu Jitsu is a martial art based on controlling opponents through the use of joint locks, various body holds and positioning. In addition, it serves as a great cardiovascular workout.

**Jiu Jitsu for Kids (AGES 11-17)**
18SKHF46P1 | Fee: $80 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 1 to 4 p.m.

Introduction to Graphic Design
This class lays the foundation for understanding graphic art and design. Areas of emphasis include: how graphic design is used in advertising and marketing, elements of product promotion, photoshop and much more.

**Introduction to Graphic Design**
18SKLH46P2 | Fee: $80 | Meetings: 5
6/25 - 6/29 M, Tu, W, Th and F 1 to 4 p.m.

18SKLH76A3 | Fee: $80 | Meetings: 5
7/16 - 7/20 M, Tu, W, Th and F 9 a.m. to 12 N
## Engineering: How Amusing Week

Through this course, students will explore the fields of marine engineering, mechanical engineering, and chemical engineering as they design and create the ultimate theme park.

## Creating your Own Virtual Friends

Create an animated 3D virtual character, just like the ones you see on video games through this interactive course. Using voice recognition, students will create their own personal assistants, virtual friends, or interesting characters that listen, understand, react and talk back. In addition, students will learn how “agents” like Siri, Cortana, or Alexa work, as well as what limitations they are under.

## Makey Makey: Controlling Computers with Everyday Objects

Computers cannot “feel,” but they understand mouse clicks and keystrokes. Using a MakeyMakey, students will connect real-world objects and make them touch sensitive. They will start by creating simple popular projects, such as a banana piano, or a water drum set, then move on to create more advanced projects like “the floor is lava” or an obstacle course.

## 3D Game Development: Scary Games

In this course, students will create a 3D game from the ground up. They will learn the basics of 3D modeling, animation, and coding, as they create a game environment that takes players across a scary mansion. At the end of the course, students will be able to take their project home, share it with friends, or play it from any PC. They will also be given the opportunity to turn their game into a VR experience by signing on to that separate course.

## ONLINE SUMMER

**Early Bird**

**APRIL 10-12**

Discounts Available through ONLINE Registrations ONLY!*
Preparing for Basketball with Coach Samaniego

In this course, participants will engage with basketball drills and conditioning methods in order to play the game of basketball more effectively and efficiently. Students will participate in skill-oriented basketball games and developmental techniques, all while having fun. This course is for participants beginning to learn the game of basketball.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

MIDDLE SCHOOL MATH APPLICATION PREP

This course focuses on strategies for success in mathematics. This course teaches fundamental math skills in different areas, such as: pre-algebra, algebra, geometry and pre-calculus. Students will develop good mathematical study skills and learning strategies as an integral part of this course. This course covers a wide array of topics, such as: number systems, fractions, decimals, linear exponents, ratios and much more.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

ENGINEERING OLYMPIAD

Through this interactive course, students will explore the fields of mechanical engineering, marine engineering, electrical engineering, and civil engineering.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $149

ARABIC SUMMER

This fun and unique course introduces students to Arabic language and culture. Students will learn how to introduce themselves, exchange simple conversations, as well as recognize Arabic letters, numbers, colors and shapes. The goal of this course is to equip students with a basic understanding of Arabic in regards to reading, writing, listening and speaking.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

REINFORCING YOUR ALGEBRA SKILLS

This class is designed to aid participants in mathematics. Participants will strengthen their math skills by expanding their knowledge of key concepts in algebra.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

SAT MATH PREPARATION

This class prepares students to succeed on the math section of the SAT examination. In addition to reviewing major math subjects (pre-algebra, algebra and geometry), students will learn about the format of the test, time-saving strategies and how to deal with anxiety through different test preparation strategies. Note: All materials included.

MEETINGS: 6/18 - 6/22 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $143

INTRODUCTION TO PHOTOGRAPHY AND PHOTOSHOP

This course lays the foundation for understanding the basics of digital photography and photo shop. Specific topics that will be discussed include: how to alter existing images, enhance colors, the art of lighting, the use of lenses and much more.

MEETINGS: 6/11 - 6/15 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

BABYSITTER CERTIFICATION (AGES 11-17)

For complete course listing, see page 21.

MEETINGS: 6/11 - 6/15 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $75

YOUTH BOXING & CONDITIONING (AGES 11-17)

For complete course listing, see page 22.

MEETINGS: 7/23 - 7/27 M, Tu, W, Th and F 9 a.m. to 12 N

Fee: $80

JIU - JITSU FOR KIDS (AGES 11-17)

For complete course listing, see page 22.

MEETINGS: 7/30 - 8/3 M, Tu, W, Th and F 1 to 4 p.m.

Fee: $80
Introduction to Graphic Design
This class lays the foundation for understanding graphic art and design. Areas of emphasis include: how graphic design is used in advertising and marketing, elements of product promotion, Photoshop and much more.

18SKLH49A1  |  Fee: $80  |  Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 9 a.m. to 12 N

18SKLH79P1  |  Fee: $80  |  Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 1 to 4 p.m.

SAT Reading/Writing Preparation
This class prepares students to succeed on the reading/writing section of the SAT examination. Topics, such as the format of the test, strategies on critical reading, memorization and understanding proper writing functions will be discussed. At the completion of this course, students will be able to organize their thoughts, interpret reading passages and use diverse vocabulary. All materials included.

18SKT549P2  |  Fee: $143  |  Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 1 to 4 p.m.

18SKT599A1  |  Fee: $143  |  Meetings: 5
7/30 - 8/3  |  M, Tu, W, Th and F 9 a.m. to 12 N

Reading and Writing Strategies for High School
The course explores the essay writing process from the pre-writing stage to the revision stage. Students will work on practicing and mastering each step of the writing process before moving on to the next step. This course prepares students for writing essays for school assignments.

18SKRD69P1  |  Fee: $80  |  Meetings: 5
7/9 - 7/13  |  M, Tu, W, Th and F 1 to 4 p.m.

Acing AP-Calculus
This course focuses on strategies for success in the AP-Calculus Test. Some of the areas addressed include: graphical, numerical, analytical, or verbal functions; effective problem solving, good habits for success, derivatives, rate of change, linear approximation and much more. Lectures are enhanced by classroom activities, such as visiting the student support services on available on campus.

18SKMT79A1  |  Fee: $80  |  Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 12 N

High School Math Applications
This camp is designed to introduce fundamental math skills. Participants will develop critical reasoning skills and obtain a genuine understanding of the logical reasoning processes needed to solve math problems. This course will help participants develop an understanding of numbers, sets, real-life applications, and much more.

18SKMT89P1  |  Fee: $80  |  Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 1 to 4 p.m.

Empowerment 4Girls by Women
(ENTERING GRADES 6-9)
This engaging course will teach students how to deal with whatever challenge that may present itself to them. Facilitated by a dynamic group of professional women and community leaders, this course, which is tailored towards young girls, will help them identify values in order for them to withstand the many temptations that they face. This course also focuses on positively shaping self-esteem and character, developing interpersonal skills, goal-setting, health, nutrition, career building and much more.

18SKEPLH46D  |  Fee: $150  |  Meetings: 5
6/4 - 6/8  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLH46D  |  Fee: $150  |  Meetings: 5
6/4 - 6/8  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLH76D  |  Fee: $150  |  Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

Leadership Institute
(ENTERING GRADES 6-9)
This class will teach participants leadership skills and values which can be applied to one’s intellectual, professional and personal life. Additionally, students will be taught self-empowerment techniques, how to make good choices, as well as how to plan for the future.

18SKEPLHL26D  |  Fee: $150  |  Meetings: 5
6/11 - 6/15  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLHL46D  |  Fee: $150  |  Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLHL76D  |  Fee: $150  |  Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

Criminal Science Investigation and Forensic Science Institute 2018
(ENTERING GRADES 4-8)
Students will utilize the scientific method in an effort to better understand forensic and criminal science methods and procedures. Additionally, students will engage in hypothetical crimes, learn how to collect and analyze information/evidence, as well as apply chemistry and biology to uncover hidden clues at a crime scene.

18SKSC2000  |  Fee: $225  |  Meetings: 5
7/23 - 7/27  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

Public Speaking: Debate Strategies Institute
(ENTERING GRADES 6-9)
This course will enhance a students’ public speaking, logic and rhetoric skills. Two main topics (public speaking and debate strategies) will be discussed in order to teach participants how to craft and deliver convincing speeches, as well as how to defend and/or attack other’s arguments.

18SKEPLHB26D  |  Fee: $150  |  Meetings: 5
6/11 - 6/15  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLHB46D  |  Fee: $150  |  Meetings: 5
6/25 - 6/29  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

18SKEPLHB76D  |  Fee: $150  |  Meetings: 5
7/16 - 7/20  |  M, Tu, W, Th and F 9 a.m. to 4 p.m.

Lunch Policy for Summer Institutes weekly camps: Students must bring their own lunch, beverages and snacks. See page 8 for more details about our supervised lunch options.
**Kidz Crafty Camp**  
Stir up your creativity through this fun course. Students will create hands on projects, such as a bird feeder, hanging plant holder, summer fans and much more.  
18SYLH0040 | Fee: $55 | Meetings: 1  
6/9 | Sa 9 a.m. to 4 p.m.

**Engineer It Lab**  
Explore engineering through hands-on activities in this fun and interactive course. Students will construct, through the use of recycled materials, a wide array of projects, such as: spinning toys, helicopters, catapults, rockets, mini-dams, towers, parachutes and much more.  
18SKSC2100 | Fee: $65 | Meetings: 1  
6/16 | Sa 9 a.m. to 4 p.m.

**Top Secret Chemistry!**  
Have you ever wondered how soaps, bubble gum, ice-cream, playdoh and fireworks are made? Discover the secret formulas behind captivating chemistry activities through this hands-on course. Investigate the secret ingredients of bouncy balls, Pop Rocks, no-glue slimes, smoky bubbles, and much more.  
18SKSC2101 | Fee: $65 | Meetings: 1  
6/23 | Sa 9 a.m. to 4 p.m.

**Junior Vet Day Camp**  
Kids that love animals will enjoy coming to this camp where they will discover the exciting world of animal science and veterinary medicine. As they explore what it is like to be a vet and work closely with live animals they will use some cool tools and instruments, view X-rays, take apart body models, perform some tests and analyze the results.  
18SKSC2102 | Fee: $65 | Meetings: 1  
6/30 | Sa 9 a.m. to 4 p.m.

**Dissection Discoveries for Kids**  
Through this course, students will engage in hands-on dissection through the use of dissection instruments and preserved animals to study basic body structures. Students will obtain a better understanding of animal anatomy and body systems, as they engage with a wide array of animals, insects, and birds.  
18SKSC2103 | Fee: $65 | Meetings: 1  
7/7 | Sa 9 a.m. to 4 p.m.

**Little Medical School**  
Through this course, students will learn all about the many fields of medicine and biology. In addition, they will learn about body systems, see how organs work, observe vital signs, discover the science behind bones and blood, read x-rays, perform simulated tests, and much more.  
18SKSC2104 | Fee: $65 | Meetings: 1  
7/14 | Sa 9 a.m. to 4 p.m.

**Junkbots and Robots!**  
Students will have a blast creating and building junkbots through the use of recycled materials and their imaginations. They’ll investigate what makes a robot a robot and how scientists use them to explore amazing places from outer space to the deep oceans. Some of the items to be used include: motors, batteries and wires, and much more.  
18SKSC2105 | Fee: $65 | Meetings: 1  
7/21 | Sa 9 a.m. to 4 p.m.

**Kidz Felt Class & More**  
Through this course, students will get a hands-on chance to create wands, bookmakers, flowers and much more.  
18SYLH0041 | Fee: $55 | Meetings: 1  
7/28 | Sa 9 a.m. to 4 p.m.

**Marine Mysteries and Underwater Adventures**  
What secrets do oceans and their creatures hold? This camp will introduce students to marine ecosystems as they explore a simulated undersea landscape, collect samples, fossils, construct an underwater viewer, and even perform an animal dissection. Students will also get a hands-on look at living aquatic invertebrates, crabs, and much more.  
18SKSC2106 | Fee: $65 | Meetings: 1  
7/28 | Sa 9 a.m. to 4 p.m.

**ER Veterinarians!**  
This course is designed for children with an interest in veterinary science. Topics that will be discussed include: animal behavior, handling techniques, basic animal examinations, distinguishing and looking for parasites, and much more. In addition, students will engage hands-on with a wide array of animal visitors.  
18SKSC2107 | Fee: $65 | Meetings: 1  
8/4 | Sa 9 a.m. to 4 p.m.

**Crime Lab Detectives**  
A crime has been committed and it’s up to you to search the mysterious evidence left behind at the crime scene. Gather evidence, dust for fingerprints, collect fiber samples, footprints, use blood typing tests, and much more to solve the case.  
18SKSC2108 | Fee: $65 | Meetings: 5  
8/11 | Sa 9 a.m. to 4 p.m.
COMMUNITY ENRICHMENT – YOUTH

SPECIAL DAYS OFF (no class) AND HOLIDAYS ARE LISTED ON YOUR CONFIRMATION RECEIPT AND THE P3 WEBSITE (ppp.utep.edu).

AQUATICS - LIMITED SPACE
Take the plunge and learn to swim with P3’s Aquatic Youth Program! The program teaches students swimming techniques in logical and progressive stages, focusing on safety skills in and around the water. It is designed to give students a positive learning experience and self-confidence in the water from a very young age.

Required: Students must bring goggles to class.

REGISTRATION WILL BE CLOSED TWO BUSINESS DAYS PRIOR TO THE BEGINNING OF THE CLASS.

FOR POOL ACCESS INFORMATION OR TO REGISTER, PLEASE CALL (915) 747-5142 OR VISIT OUR OFFICES AT MEMORIAL GYM, SUITE 111, MONDAY TO FRIDAY, 8 A.M. TO 5 P.M.

P3 POOL ID CARD
All swimming pool participants must purchase a P3 Pool ID Card to enter the Student Recreation Center. The P3 Pool ID Card is offered for a one-time fee of $15 and can be used for future paid swimming courses as long as it is for the same person. P3 Pool ID Cards are activated and usable ONLY during the time and schedule of the purchased course.

Purchased cards will be provided on the first day of the class. Access to the Student Recreation Center will be granted only to those who have registered for the swimming course and pre-paid for their card. Payment cannot be made at the Student Recreation Center.

If you are unable to attend the first day of class, you must pick up your P3 Pool ID card at the Professional and Public Programs office located at Memorial Gym, Room 111.

TADPOLES: Introduction Swimming Classes (AGES 3 & 4)
(Must be accompanied by parent or guardian)
In this course, swimmers will learn the basics of swimming with help of their Guardian. Swimming basics will include the following: bobbing, going under water, supported front and back floating, supported rolling over from front to back and back to front, supported gliding, supported flutter kick and jumping in.

Note: For ages 3 and 4, a parent or guardian must accompany each child in the water!

FROGS: Beginner to Intermediate Swimming Classes (AGES 4-7)
In this course, swimmers will develop: gliding, freestyle with side breathing, backstroke, breast stroke, dolphin kick, retrieving underwater objects and treading water.

Requirements: Swimmers should be able to do a front and back crawl, flip, breaststroke, butterfly, sidestroke turn, tread water and basic water rescue.

SHARKS: Advanced Swimming Classes (AGES 9-17)
In this course, swimmers will develop: alternating breathing, stride jump, refinement of freestyle, backstroke, elementary backstroke, sidestroke, breaststroke, dolphin kick and much more.

DIGITAL TECHNOLOGY
Kidz Tech - [Coding] (GRADES 3-8)
Through this course, students will learn introductory coding through hands-on and computer-based activities. In addition, students will create a video game, Android application, website, code a Star Wars BB8 robot and much more.

FITNESS FUN
Preparing for Basketball with Coach Samaniego - Recreational (AGES 8-11)
In this course, participants will engage with basketball drills and conditioning methods in order to play the game of basketball more effectively and efficiently. Students will participate in skill-oriented basketball games and developmental techniques, all while having fun. This course is for participants beginning to learn the game of basketball.

SEA LIONS: Stroke Skills Classes (AGES 9-17)
In this course, swimmers will learn to be proficient with all strokes as well as the following: front and back crawl, flip, breaststroke, butterfly, sidestroke turn, tread water and basic water rescue.

Requirements: Swimmers should be able to do the front and back crawl, elementary backstroke, breaststroke, butterfly, sidestroke and tread water.

STINGRAYS: Intermediate to Advanced Swimming Classes (AGES 5-12)
In this course, swimmers will develop: gliding, freestyle with side breathing, backstroke, breaststroke, butterfly, sidestroke turn, as well as treading water with modified scissors.

Requirements: Swimmers should be able to complete a front and back stroke effectively.

SHARKS: Advanced Swimming Classes (AGES 9-17)
In this course, swimmers will develop: alternating breathing, stride jump, refinement of freestyle, backstroke, elementary backstroke, sidestroke, breaststroke, dolphin kick and much more.

Requirements: Swimmers should be able to swim freestyle, breaststroke and backstroke, scissors kick and tread water.

SEA LIONS: Stroke Skills Classes (AGES 9-17)
In this course, swimmers will learn to be proficient with all strokes as well as the following: front and back crawl, flip, breaststroke, butterfly, sidestroke turn, tread water and basic water rescue.

Requirements: Swimmers should be able to do the front and back crawl, elementary backstroke, breaststroke, butterfly, sidestroke and tread water.

STINGRAYS: Intermediate to Advanced Swimming Classes (AGES 5-12)
In this course, swimmers will develop: gliding, freestyle with side breathing, backstroke, breaststroke, butterfly, sidestroke turn, as well as treading water with modified scissors.

Requirements: Swimmers should be able to complete a front and back stroke effectively.

SHARKS: Advanced Swimming Classes (AGES 9-17)
In this course, swimmers will develop: alternating breathing, stride jump, refinement of freestyle, backstroke, elementary backstroke, sidestroke, breaststroke, dolphin kick and much more.

Requirements: Swimmers should be able to swim freestyle, breaststroke and backstroke, scissors kick and tread water.

register at ppp.utep.edu • 915.747.5142
Golf for Juniors (AGES 7-16) OFF CAMPUS
Do you have a budding golf pro at home? Give your son or daughter the opportunity to explore the fundamentals of the golf swing from a modern standpoint. Video analysis of your child’s golf swing will be provided during the course. Golf clubs are available if needed and range balls can be purchased at the driving range.

18SYHF3325 | Fee: $69 | Meetings: 3
7/14 - 7/28   Sa 9:30 to 11 a.m.

Preparing for Basketball with Coach Samaniego - Competitive (AGES 12-14)
In this course, participants will engage with basketball drills and conditioning methods in order to compete in the game of basketball more effectively and efficiently. Students will participate in skill-orientated basketball games and developmental techniques. This course is for participants familiar with basketball.

18SYHF5005 | Fee: $47 | Meetings: 5
7/14 - 8/11   Sa 9 to 10:30 a.m.

Music, Dance and Theater
Basic Ballet (AGES 5-6) - OFF CAMPUS
Interpretive movement, creative games, and solid ballet technique will introduce your child to the art of dance. This class, designed for children ages 5-6, follows a basic ballet syllabus that includes plies, tendus, chasses, gallops skips, and other preparatory ballet exercises that will, in turn, lead to further studies in dance.

18SYPA5000 | Fee: $43 | Meetings: 4
6/9 - 6/30    Sa 9:15 to 10:15 a.m.
18SYPA5001 | Fee: $43 | Meetings: 4
7/7 - 7/28    Sa 9:15 to 10:15 a.m.

AQUATICS - LIMITED SPACE
REGISTRATION WILL BE CLOSED TWO BUSINESS DAYS PRIOR TO THE BEGINNING OF THE CLASS.

FOR POOL ACCESS INFORMATION OR TO REGISTER, PLEASE CALL (915) 747-5142 OR VISIT OUR OFFICES AT MEMORIAL GYM, SUITE 111, MONDAY TO FRIDAY, 8 A.M. TO 5 P.M.

P3 POOL ID CARD

All swimming pool participants must purchase a P3 Pool ID Card to enter the Student Recreation Center. The P3 Pool ID Card is offered for a one-time fee of $15 and can be used for future paid swimming courses as long as it is for the same person. P3 Pool ID Cards are activated and usable ONLY during the time and schedule of the purchased course.

Purchased cards will be provided on the first day of the course. Access to the Student Recreation Center will be granted only to those who have registered for the swimming course and pre-paid for their card. Payment cannot be made at the Student Recreation Center.

If you are unable to attend the first day of class, you must pick up your P3 Pool ID card at the Professional and Public Programs office located at Memorial Gym, Room 111.

Swimming Classes:
Beginner and Intermediate
This class is designed for those with an interest in learning the basics of swimming and/or improving upon their current performance. All sessions will be suited to the comfort and skill level of each individual swimmer. Beginner swimmers will practice basic skills, such as breathing, floating, etc. Intermediate swimmers will learn strokes and to perform endurance-based exercises.

Required materials: a pair of swimming goggles.

18SCAQ2000 | Fee: $87 | Meetings: 8
6/4 - 7/23    M 6:30 to 7:30 p.m.

Strokes and Endurance
This class will focus on stroke development and perfecting techniques on all major competitive styles. Students will practice stroke drills and work on endurance through set training as well as aerobic and anaerobic workouts.

18SCAQ3000 | Fee: $67 | Meetings: 8
6/5 - 6/28    Tu and Th 6:30 to 7:30 p.m.
18SCAQ3001 | Fee: $67 | Meetings: 8
7/3 - 7/26    Tu and Th 6:30 to 7:30 p.m.
Water Aerobics
This water aerobics class will employ a variety of training concepts while emphasizing safety and proper technique. Working against the resistance of the water will help you tone and shape your figure, reduce stress and improve overall self-confidence. You are not required to know how to swim; the only requirement is a swimsuit.

18SCAQ1200 | Fee: $67 | Meetings: 8
6/5 - 6/28 | Tu and Th 6:30 to 7:30 p.m.

18SCAQ1201 | Fee: $67 | Meetings: 8

Firearm courses include:
- **Basic Firearms**: An introduction to and overview of the rifle, pistol and shotgun. The course focuses on safety, selection criteria, ammunition characteristics and firearm use. Instructor will inform student in this course how to select, and use the correct firearm and ammunition. Electronic training devices will be used. NON live firing class. **Course fee is $73.**
- **Texas License to Carry**: One-day course for first-time license applicants. The first 5 hours of course will be a classroom lecture. The last hour of the course will focus on proficiency skills and shooting on the range.

Note: participants can schedule an hour of shooting time with the instructor on another day, if necessary. **Course fee is $90.**
- **Firearms Forum**: This four-hour course will cover hot button community firearms issues.
  - **Note**: This is a non-live firing class. **Course fee is $49.**
- **Coaches Corner**: This course invites regional shooting coaches to discuss various firearms-related topics such as care, cleaning, maintenance, selection, ammunition testing, use, etc.
  - **Note**: This is a non-live firing class. **Course fee is $40.**

**Refund Policies:**

a) **Refunds for ELI Core Program:** A participant who chooses to drop a course three days or more prior to the first class meeting can be issued a full refund of the registration, less a $75 processing fee.

b) **Refunds for ELI Elective Courses:** A participant who chooses to drop a course three days or more prior to the first class meeting can be issued a full refund, less a $15 processing fee.

c) **Credit Vouchers for ELI Core or Elective Program:** A participant who chooses to withdraw from a course within one to two business days prior to the first class meeting will be issued a credit voucher, less a $15 processing fee.

**Languages and Culture Studies**

**English Language Institute**

**You Must Be 16 and Older to Register for the Following Courses, Except Where Indicated Otherwise.**

**How To Apply to the English Language Institute (ELI):**

1. Visit us at [ppp.utep.edu](http://ppp.utep.edu)
2. Scroll down and click on the ‘Learn More’ button under **Languages and Culture Studies**
3. Scroll down and click on **English Language Institute**
4. Complete and submit your application form and supporting documents by the application deadline as listed in the Calendar and Fees document.
5. Application fees must be paid before application can be processed. After your application is processed, you will receive an email from ELI within 5 to 14 days on the status of your application.

Admission to the ELI is not the same as admission to the University of Texas at El Paso. If you wish to obtain admission to the University, you must apply there directly.
ELI CORE SUMMER PROGRAM

ELI: Intensive English Program

This program is designed to help learners gain a functional command of English in grammar, listening, speaking, reading and writing. It caters to the beginning English speaker as well as advanced students seeking to enter a higher-education program. Our Summer programs run as intensive ten-week sessions. New students will be placed in appropriate levels according to their performance on a placement test.

Classes meet Monday through Friday, from 8 a.m. to 1:20 p.m. In addition to core courses (25 hours a week), students may register for elective courses for an additional fee. Electives take place Monday through Friday from 1:30 to 2:45 p.m., evening classes take place Monday through Friday from 6 to 8 p.m. and Saturday from 9 a.m. to 12 noon.

The Intensive English Program offers the following:

- Individualized attention
- Highly skilled instructors
- Exam preparation for the Test of English as a Foreign Language (TOEFL)

NOTE: Prospective students must register in order to take the placement test. Registration for the following courses is required in order to take the placement test.

**Summer I 2018**

Intensive ten week sessions.

**18SELI1000**
- Fee: $1400
- Meetings: 49
- 6/4 – 8/10
  - M, Tu, W, Th and F
  - 8 a.m. to 1:20 p.m.

Placement test will be administered on Wednesday, May 30th at 9 a.m. in Miners Hall. Likewise, the program orientation will take place on Thursday, May 31st at 9 a.m. in Miners Hall (unless otherwise noted).

**Summer II 2018**

Intensive six week sessions (Summer II curriculum continues from Summer I).

**18SELI1002**
- Fee: $980
- Meetings: 29
- 7/2 – 8/10
  - M, Tu, W, Th and F
  - 8 a.m. to 1:20 p.m.

Placement test will be administered on Wednesday, June 27th at 2 p.m. in Miners Hall. Likewise, the program orientation will take place on Thursday, June 28th at 2 p.m. in Miners Hall (unless otherwise noted).

**TOEFL iBT Preparation Course (Internet-based Test)**

This course is designed to prepare students for the internet-based test (iBT) of English as a Foreign Language (TOEFL). Successful completion of the TOEFL iBT is required for admittance into American undergraduate and/or graduate programs.

It will cover all knowledge and skills evaluated by the TOEFL iBT, such as: listening and reading comprehension, vocabulary, English language structure and essay writing skills. In addition, test-taking strategies will be addressed to help students make the most of their time when taking the test.

NOTE: Registration for the following courses is required in order to take the placement test.

**18SELI3600**
- Fee: $1400*
- Meetings: 49
- 6/4 – 8/10
  - M, Tu, W, Th and F
  - 8 a.m. to 1:20 p.m.

Placement test will be administered on Wednesday, May 30th at 9 a.m. in Miners Hall. Likewise, the program orientation will take place on Thursday, May 31st at 9 a.m. in Miners Hall (unless otherwise noted).

**IELTS Preparation Course**

This course is designed to prepare students for the International English Language Testing System (IELTS). The IELTS measures the language proficiency of people who want to study or work where English is used as a primary language. All knowledge and skills assessed by the IELTS will be addressed, such as: listening, reading, writing and speaking.

**BASIC ENGLISH INTENSIVE TWO-WEEK COURSES**

**Summer I 2018**

Basic Intensive Grammar Course

This course provides students with an overview of basic English sentence structures, such as word order, simple and progressive verb tenses, and much more. Additionally, students will begin to recognize certain English sentence patterns when observing other’s communication and prose.

**18SELI7001**
- Fee: $410
- Meetings: 10
- 6/11 – 6/22
  - M, Tu, W, Th and F
  - 9 a.m. to 3 p.m.

Basic Intensive Writing Course

This course is designed for ESL students planning to live and/or work in an English-speaking environment, as well as those seeking to enhance their writing skills. This course addresses core competencies, such as writing a message or thank-you note, then builds to advanced skills, such as creating a resume or bibliography. Overall, students will develop the basic writing skills needed to function and succeed in everyday life (home, job and school).

**18SELI7002**
- Fee: $410
- Meetings: 10
- 6/25 – 7/9
  - M, Tu, W, Th and F
  - 9 a.m. to 3 p.m.

The refund/credit policy for the following courses can be found on pages 4 and 33.
Summer II 2018
Basic Intensive Listening and Speaking Course
Would you like to speak English with confidence? This course will improve your conversational English skills, including pronunciation and listening. Developing confidence in your ability to speak English is the primary emphasis, however, the course also focuses on vocabulary, student presentations and discussions of current affairs.

18SELI7004  Fee: $410  Meetings: 10
7/10 – 7/23  M, Tu, W, Th and F
9 a.m. to 3 p.m.

ELI CORE – AFTERNOON
ELI: Intensive English Program
Course

ELI: Core Intensive English Conversation
Would you like to speak English with confidence? This course will improve your conversational English skills, including pronunciation and listening. Developing confidence in your ability to speak English is the primary emphasis, however, the course also focuses on vocabulary, student presentations and discussions of current affairs.

Level I

6/11 – 6/26  M, Tu, W and Th 1:30 to 2:45 p.m.

Level II
18SELI2001  Fee: $119  Meetings: 10
7/2 – 7/18  M, Tu, W and Th 1:30 to 2:45 p.m.
No class on 7/4 – Independence Day

Level III
18SELI2002  Fee: $119  Meetings: 10
7/23 – 8/7  M, Tu, W and Th 1:30 to 2:45 p.m.

EVENING
ELI: Intensive English Program Summer 2018 – Basic
This intensive 28 session program is designed to help beginning English speakers obtain an introductory understanding of listening, speaking, reading and writing skills in regards to English. In this highly interactive course, students will focus on the English pronunciation skills needed for daily conversation. The course also integrates grammar rules as part of the reading and writing package.

NOTE: Registration for the following courses is required in order to take the placement test.
18SELI1003  Fee: $350  Meetings: 28
6/18 – 8/6  M, Tu, W and Th 6 to 8 p.m.

ELI: Intensive English Program
English Conversation: Level I
Linguists have found that people learn a second language more quickly when in a relaxed atmosphere. We will put you in a state of ease, as you learn to converse in English. This course is for those with basic English skills. You will learn how to make small talk, end a conversation, order food in a restaurant, speak to co-workers in a business setting, and more.

18SELI2801  Fee: $129  Meetings: 10
6/5 – 7/5  Tu and Th 6 to 8 p.m.

English Conversation: Level II
For those who want to sharpen their conversational skills, this intermediate to the advanced level course in English as a second language expands on speaking and listening skills for effective communication in English by emphasizing the use of common idioms, role-play and short debate.

18SELI2802  Fee: $129  Meetings: 10
7/10 – 8/9  Tu and Th 6 to 8 p.m.

Pronunciation of English and Accent Reduction: Level I
In this course, students will strengthen their listening, speaking and pronunciation skills. The course emphasizes phonological rules (much like grammar rules), phonetic environments, stress, rhythm, and inflection. Lastly, and through this highly interactive class, students will learn how to properly self-monitor their pronunciation.

18SELI2810  Fee: $129  Meetings: 10
6/4 – 7/9  M and W 6 to 8 p.m.

Pronunciation of English and Accent Reduction: Level II
Students will continue to build on their listening, speaking and pronunciation skills learned in Level I. The course emphasizes higher level phonological rules, phonetic environments, stress, rhythm and inflection. Students will learn how to self-monitor and improve their English pronunciation in this highly interactive class.

18SELI2811  Fee: $129  Meetings: 10
7/11 – 8/13  M and W 6 to 8 p.m.

Social Conversation 101
Come and join this super fun conversational English class. This course is designed to help you overcome the fear and anxiety that comes with speaking and learning a foreign language. By the end of this course, you will be very comfortable and confident when communicating in English. There are no tests or books, just English conversation.

18SELI2901  Fee: $129  Meetings: 10
6/8 – 8/10  F 6 to 8 p.m.

English for Academic Purposes (EAP)
English for Academic Purposes (EAP) I and II is a learner-centered course is focused on helping international students acquire advanced competencies in academic English (reading, writing, listening and speaking). This course will teach students the conventions of research, composition, and documentation necessary to produce rigorous academic and professional work. This course assumes a fairly advanced level of English proficiency, and as such, is not suitable for beginner-level English students.

6/9 – 8/11  Sa 9 a.m. to 12 N

NOW HIRING!
Professional and Public Programs is always looking for qualified and enthusiastic educators who can teach English as a Second Language courses. For those interested, please send your resume to our ELI Program Manager via e-mail at gparthiban@utep.edu.

Thank you for your service Ms. Asad. I love the way that you teach, and you’re such a great example to follow, since you’re also from another country. The last time I tried to speak English, I had trouble; but now, I feel as if I can have a conversation with anybody. God bless your family, job and anything else that you do.

~ Jorge G., former ELI student

CORPORATE AND BUSINESS TRAINING

GENERAL INFORMATION

REGISTRATION INFORMATION
By Phone: Call (915) 747-5142 Monday - Friday from 8 a.m. to 5 p.m.; Visa, MasterCard, American Express and Discover are accepted forms of payment.

Mail: Mail your registration form with a check, money order, credit card information, or purchase order to UTEP Professional and Public Programs; Memorial Gym, Suite 111; 101 West Robinson Avenue; El Paso, TX 79968-0602. Please make checks payable to UTEP.

Online: Find the class you want and register securely online at www.ppp.utep.edu, 24 hours a day. For assistance, please call (915) 747-5142.

In Person: Visit our offices located at Memorial Gym, Suite 111, Monday - Friday from 8 a.m. to 5 p.m.

Early Registration: Early registration fees end two weeks prior to start of class date.

COURSE OFFERINGS & FEES
Professional and Public Programs is committed to offering quality programs at affordable prices. Course fees are based on an estimated minimum number of students. Professional and Public Programs is self-sustaining and course fees cover all expenses. No support is received from state or local taxes. All courses are prepaid courses.

CONFIRMING YOUR ENROLLMENT & COURSE LOCATION
When you enroll in a P3 course by phone, mail or online, you will receive a confirmation email; however, you may also request your confirmation be sent by mail. If you do not receive your enrollment confirmation within 48 hours of the course start date, please call (915) 747-5142 during office hours. If there are any changes to the class, you will be promptly notified.

SPECIAL ACcommodations/needs
If you have a disability and require special accommodations, please call (915) 747-5142. Please contact our office three weeks prior to start of a class.

COURSE CANCELLATION POLICY
In order to ensure courses reach their minimum number of participants, we highly recommend you register early. P3 reserves the right to cancel any class that does not meet the minimum enrollment required or in case of any unforeseen circumstances. Registrants will be notified of course cancellations by phone and e-mail. Refunds will be processed automatically for courses canceled by Professional and Public Programs. NOTE: P3 reserves the right to change the location, day, time and instructor.

PAYMENT OPTIONS

FOR LIVE LECTURE COURSES
Professional and Public Programs (P3) has a new Pre-Payment Plan designed to make registration payments even easier for your educational needs. In order to utilize this payment service, you must first enroll in a P3 live course, either in person at Memorial Gym, suite 111 (located on the UTEP Campus) or by phone at (915) 747-5142. This free payment plan will allow you to make payments up to 5 days before the course is scheduled to begin, allowing the course to be paid in full before the start date. Please note that any class not paid in full prior to the 5-day start date will incur a $25 processing fee and result in the participant being dropped from the class.

FINANCING OPTIONS
The Sallie Mae Smart Option Student Loan and other private loans are available for selected courses with registration fees greater than $500. These interest-free payment plans allow you to spread out the registration fees cost over the course duration. Plans are administered directly by Sallie Mae. Visit www.salliemae.com/00366198 for more information.

PRIVATE LOAN OPTIONS
Private student loans are not part of the federal student loan program and require a credit check. You may borrow from any lender you choose; however, some private loans are only eligible for credit courses and do not cover continuing education classes. Borrowing fees and coverage vary between lenders, so compare costs and choose the program that’s right for you.

THIRD PARTY BILLING
Professional and Public Programs will accept third party billing on behalf of a participant as a form of payment. The participant must submit a letter of credit from his/her employer, in which the employer agrees to make payment for the participant’s registration fees. The letter must state that the employer will make payment upon receipt of an invoice from P3. It must also state that payment is not contingent upon the participant’s course grades. Please contact (915) 747-5142 or ppp@utep.edu for more information.

ED2GO CERTIFICATE COURSES ONLY

REFUND POLICY
Refunds will be issued, minus a 15% cancellation fee per course, cost of materials, and/or lab fees, if a written request is faxed to (915) 747-5538, emailed, or mailed and received three business days prior to the first day of a scheduled course. Refund requests must include your name, daytime telephone number, and the course number or name. This policy applies to all registrations, regardless of the payment method. Phone requests will not be accepted for a refund.

Exceptions for refunds:
• There are no refunds for online courses.
• Other refund policies may apply to Conferences, Customized Training & Services, and other special programs.

NOTE: Please allow 2 to 3 weeks for processing of refunds. No refunds will be given on or after the first class meeting. A $25 fee will be charged for returned or canceled checks.

Send your request via:
E-mail: ppp@utep.edu
Fax: (915) 747-5538
Mail: UTEP Professional and Public Programs
101 West Robinson Avenue
Memorial Gym, Suite 111
El Paso, TX 79968-0602

VOCATIONAL REHABILITATION FUNDING FOR DISABLED VETERANS (CH. 31)
The Department of Veterans Affairs offers funding for disabled Veterans with a disability of 10% or more. P3 accepts Vocational Rehabilitation Funding for approved live and online certificate courses. To begin the funding process, please visit www.ebenefits.va.gov and register with vonapp or contact your local Vocational Rehabilitation Employment Office. The El Paso/Las Cruces local office number is (915) 772-2195.

Inform your case manager you have chosen to take a UTEP certification course.

NOTE: Not all payment plan options are applicable to all courses.

INCLEMENT WEATHER AND EMERGENCY POLICY
If UTEP is closed due to inclement weather or emergency situations, area radio and TV stations will make an announcement. P3 adheres to the assessment of University officials to close the campus. Please tune in to your local radio stations and TV news stations to learn of campus closures. P3 cannot guarantee that they can contact course participants when the campus is closed due to inclement weather or emergencies.

When in doubt, contact UTEP Police at (915) 747-5611; call P3 for announcements; or visit the UTEP website (www.utep.edu) or Facebook page. Refunds cannot be issued under this policy, but P3 will make every effort to make up canceled courses, on a case-by-case basis.

**BUSINESS ACTION PLAN FOR GROWTH (0.9 CEUs / 9 HOURS)**

This course is designed for small business owners who want to develop a plan for business growth. Most growth occurs via hard work, planning, as well as through an increase in sales. This course will present a critical look at business operations and structure, identify possible growth hindering gaps and essential systems, as well as review a growth plan to align with the purpose, vision, mission and objectives of the business entity.

**Note:** The following book is required, *The 1 Hour Plan for Growth: How a Single Sheet of Paper Can Take Your Business to the Next Level*, Joe Calhoon; John Wiley & Sons, 2011.

**18SPPD2013**

Meetings: 3
6/12 – 6/26 Tu 6 to 9 p.m.
Registration Fee: $270

**ENHANCE YOUR ORATORY SKILLS (0.6 CEUs / 6 HOURS)**

Reduce your fear of public speaking, by learning to organize, write and deliver talks confidently. Whether you’re speaking at conferences, delivering plans to associates, or asked to “say a few words,” this course will instill the confidence you need to communicate orally with others.

**18SPPD2017**

Meetings: 1
8/3 F 9 a.m. to 4 p.m.
Registration Fee: $125

**ÜBER CUSTOMER SERVICE – THE BUSINESS MEASUREMENT TO SERVICE EXCELLENCE (0.6 CEUs / 6 HOURS)**

Customer service is an attitude not a department! Through this course, learn how to develop, track and report key performance measurements to improve operational efficiency. Identify variables or traits that establish excellent customer service; then provide that same high level of service to your internal customers to create a healthier work environment. A company that demonstrates best-in-class customer service characteristics will always have a distinct competitive advantage.

**18SPPD2019**

Meetings: 1
8/10 F 9 a.m. to 4 p.m.
Registration Fee: $125

**ENTREPRENEURIAL LEADERSHIP FOR SMALL BUSINESS GROWTH (1.2 CEUs / 12 HOURS)**

This course stresses the role of the entrepreneur to inspire, lead, build teams, and delegate effectively. The why, who, how, and what of business will also be discussed, as well as how values and core principles of the business owner manifest themselves through business culture. This course encourages the development of essential leadership skills and strengthening of the inherent individual traits in order to achieve success.

**18SPPD2012**

Meetings: 4
7/10 – 7/31 Tu 6 to 9 p.m.
Registration Fee: $255

**TECHNOLOGY 3D PRINTING HANDS-ON (1.5 CEUs / 15 HOURS)**

Do you own a 3D Printer or are looking to buy one? Through this course, students will learn the basics of 3D Printing, so that they may utilize this technology to its maximum potential. They will learn how to operate 2 of the most utilized 3D printing technologies in the market (Stereolithography and Fused Deposition Modeling). Participants will be able to print their own parts following the guidelines and take them home.

**Note:** For more information about this course, please call (915) 747-5142.

**18SPTC1001**

Meetings: 5
6/2 – 6/30 Sa 9 a.m. to 12 N
Registration Fee: $300
