Thank you for your service Ms. Asad. I love the way that you teach, and you’re such a great example to follow, since you’re also from another country. The last time I tried to speak English, I had trouble; but now, I feel as if I can have a conversation with anybody. God bless your family, job and anything else that you do.

- Jorge G., former ELI student

Group of international students attending an ELI social engagement activity.
I’m lucky and grateful to have been one of ELI’s students. It has been a short journey, but one filled with effective learning, happiness, and great experiences. I have learned a lot from all of the great teachers in the institute and my fellow multicultural students. I will always be thankful and proud of this experience. Thank you to all at ELI, with a special thanks to Mr. Sam.

- Hawra M., former ELI Intensive English Program student
Thanks to you and your department for the patience you have extended to my niece. She said that your program is very challenging but inspiring. She is already thinking of taking more courses so she can have more options when applying for a job with international companies.
