Youth Programs and Camps
Youth Programs and Camps

Keep your kids engaged, educated and entertained this fall with our Youth Programs and Camps. We’re welcoming kids of all ages back for a combination of in-person courses and camps, plus some online programming. Our fall courses and camps
- provide fun activities outside of schoolwork
- cover a wide range of topics including STEAM, leadership, music, digital technology and more
- teach kids valuable skills such as working with others and using new technology to communicate
See the following pages to view our Fall/Winter 2021 Youth Program and Camps course listings.

**COVID-19 PRECAUTION STATEMENT**

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you have tested positive for COVID-19, prior to, after, and/or during your time enrolled in your course(s), you are highly encouraged to report your results to covidaction@utep.edu as well as to let our office know at ppp@utep.edu.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that we can take care of ourselves and others is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

"My child enjoyed the class and learned new things. All the activities were appropriate for the kids’ age; her favorite activity was painting the canvas and the one she found most challenging was drawing. [These types of activities] help kids develop their imagination and creativity, and I would definitely recommend this class to other parents.”

Daniel Montes
Program Manager

Daniel joined P3 in 2015 as a Program Coordinator with more than five years of managerial experience in the retail industry. He was promoted to Program Manager in 2018.

Daniel has been a proud UTEP alum since 2008, and has a Bachelor in Business Administration with a concentration in Management. In 2019, he was certified as a Mental Health First Aid provider by the National Council for Behavioral Health for Youth and awarded the designation “Certified Professional Programmer” (C2P) by the Learning Resources Network (LERN), the leading association in continuing education.

Daniel’s primary goal is to provide meaningful education experiences and opportunities for self-discovery to the El Paso community while fostering a UTEP Miners’ mindset.

Favorite inspirational quote: “When educating the minds of our youth, we must not forget to educate their hearts.” – Dalai Lama
