COVID-19 PRECAUTION STATEMENT

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you have tested positive for COVID-19, prior to, after, and/or during your time enrolled in your course(s), you are highly encouraged to report your results to covidaction@utep.edu as well as to let our office know at ppp@utep.edu.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that we can take care of ourselves and others is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Daniel Montes  
Program Manager

Daniel joined P3 in 2015 as a Program Coordinator with more than five years of managerial experience in the retail industry. He was promoted to Program Manager in 2018.

Daniel has been a proud UTEP alum since 2008, and has a Bachelor in Business Administration with a concentration in Management. In 2019, he was certified as a Mental Health First Aid provider by the National Council for Behavioral Health for Youth and awarded the designation "Certified Professional Programmer" (C2P) by the Learning Resources Network (LERN), the leading association in continuing education.

Daniel's primary goal is to provide meaningful education experiences and opportunities for self-discovery to the El Paso community while fostering a UTEP Miners' mindset.

Favorite inspirational quote: "When educating the minds of our youth, we must not forget to educate their hearts." – Dalai Lama

Jorge Thompson  
Program Coordinator

Jorge Thompson was born and raised in El Paso, Texas and graduated in the summer of 2017 with a Bachelor’s degree in Psychology from The University of Texas at El Paso. Prior to joining Professional and Public programs as a Youth Coordinator, Jorge worked as a program coordinator for GEAR UP and Communities in Schools serving students at Montana Vista Elementary and Riverside High School. He also served with AmeriCorps for a nonprofit called College Forward in Austin, Texas and earned the Segal Americorps Award. In May 2021, after his experience with Americorps, he graduated with a master’s degree in education from Angelo State University with a focus in Student Development and Leadership.

Jorge has had wonderful opportunities to work with first-generation students from K-12 and college and believes he would never have developed his passion for education without these experiences. He enjoys encouraging and motivating students to chase their dreams while challenging and supporting them during their journey. His goal is to pursue a doctoral degree and either become a director in the student affairs division of a higher education institution or start his own nonprofit where he can continue to inspire students.

Favorite inspirational quote: "One of the most important things in life is to try and inspire other people so that they can be great in whatever they want to do." – Kobe Bean Bryant
