As one of the most commonly-spoken languages in the world, English is certainly useful to know. In the world of business, good written and spoken English skills can be an advantage and the TOEFL is essential for international students to be admitted into American universities. At the English Language Institute (ELI) we know that no matter what your situation, learning English as an adult can be hard. So we do everything we can to make your experience the best it can be.

We offer a wide range of classes for English language learners at all levels for use at work, in the classroom and elsewhere. We also offer TOEFL prep for students who want to take the exam for admission to a university.

Our courses are

- taught by expert instructors to help improve your language proficiency
- organized to optimize engagement and active learning
- affordably priced

Admission to the ELI program is not the same as admission to The University of Texas at El Paso (UTEP). If you wish to obtain admission to the University, you must apply directly to UTEP.
ELI can design customized programs for sponsoring agencies, government entities, educational institutions and/or private companies to meet specific training needs and goals. We can also plan and teach group courses that are four weeks to six months in length at any time of the year. We would be pleased to put together a targeted English language program specifically designed for your group. For more details, contact the ELI Program Manager at p3lang@utep.edu.

For registration procedures and additional information, please email us at ppp@utep.edu with the subject line “ELI application information request,” or visit us at ppp.utep.edu/elicourses.

See page 7 for ELI’s 2022-2023 Calendar and Fees.

How to enroll in the English Language Institute:

1. Pick the course(s) you want and contact us at p3lang@utep.edu.

2. After a brief consultation with us to ensure you are getting exactly the courses you want, you’ll proceed to complete the application form and pay your fees.

To do this, go to the ELI web page, and scroll down to “New Student Enrollment Information.”

- **Fill out the application form:**
  Go to “Application Form” and click on the link for “Academic semester 2022-2023.” Then complete and submit the application form and supporting documents.

  Note: International participants must have an F-1 visa to attend the English Language Institute’s in-person classes.

- **Pay your fees:**
  Click on the “Steps to Pay Online” link for information about what you need to do to pay your application fee. You will be asked if you are a new or returning student: you are considered a new student if you have never taken any ELI courses previously. You may also email p3lang@utep.edu with the subject line: ELI Payment Information Inquiry or call 915-747-5142 to request our assistance with payment plans.

- After your application is processed, you will receive an email on the status of your application from ELI within 5 to 14 days.
Some of our courses require a placement test. The placement test is used to determine your level of English proficiency in the course you want to take. You will be tested in grammar, reading, listening, writing, typing and speaking. Based on your results you will placed into your initial, appropriate starting level for each of these courses: Grammar, Reading, Writing, and Listening and Speaking. This placement test cannot be scheduled unless all relevant fees are paid beforehand.

**If a placement test is required for the course you want to take, here’s what you need to know:**

- After the application fee has been received, ELI staff will contact you to schedule a placement test.
- If you are a returning student, you may not retake the placement to try and place at a higher level the following term. Anyone who has been away from the ELI program for six months is required to retest.
- After the test, ELI staff will advise you on your placement test score and place you at the appropriate level in your chosen course.

Admission to the ELI program is not the same as admission to The University of Texas at El Paso (UTEP). If you wish to obtain admission to the University, you must apply directly to UTEP.

See pages 8-13 to view available courses for Fall 2022.

For details, visit ppp.utep.edu/elicourses
How many levels are there?
There are seven levels (Foundation to Level 6). At Level 6, the paper-based TOEFL exam will be administered. You must attain a score of 550 or higher on the TOEFL to graduate from the Institute.

How many credits can I get?
English Language Institute courses are noncredit.

How long does it take to complete the program?
Your progression between each level depends on your language proficiency. Students can spend just three months or up to a maximum of six months on one level.

What is the minimum age to enroll?
Given the adult academic nature of the courses, we consider an ideal enrollment age to be sixteen or above.

What are the prerequisites?
There are no prerequisites to enroll. International participants must have an F-1 visa to attend the English Language Institute’s in-person classes.

Do I have to take the placement test?
Yes, the placement test is administered to establish your English proficiency and place you at the appropriate level.

Is there conditional admission to UTEP?
There is no conditional admission to UTEP; i.e., enrollment in ELI does not constitute an admission to UTEP.

Why do I need health insurance?
Medical services and medicine in the U.S. are very costly. Therefore, participants who are physically in the United States are required to have medical insurance coverage while they are enrolled in classes.
