YOUTH PROGRAMS AND CAMPS

SPRING 2023 COURSE GUIDE

915-747-5142
ppp.utep.edu
Keep your kids engaged, educated and entertained this spring with our Youth Programs and Camps. We’re welcoming kids of all ages back for a combination of in-person courses and camps, plus some online programming. Our spring courses and camps

- provide fun activities outside of schoolwork
- cover a wide range of topics including STEAM, leadership, music, digital technology and more
- teach kids valuable skills such as working with others and using new technology to communicate

- **Saturday One-Day Camps**
  See pages 4-7

BENEFITS OF CAMPS

Children who attend our camps gain a better sense of community, develop intergenerational relationships, and learn through first-hand experiences. Trained, caring adult role models help children feel capable, independent, and included. Camps help children grow by providing a supervised, positive environment that has safety as a primary commitment.

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. See page 15 for more information.

“...theater arts camp. It really allowed her to see what it takes to write, direct and put on a performance. My son loved the mBot robotics camp. He was able to see what simple coding looks like and it really piqued his interests.”

Professional and Public Programs offers two weeks (beginning March 6, 2023) of grade-specific spring camps for kids in kindergarten through 8th grade. Each week will offer educational, cultural, fun, creative and active experiences.

Camps are limited in size, and spaces are assigned on a first come, first served basis. Camps are subject to cancellation due to insufficient enrollment.

Our camps are designed to engage and inspire our young learners. Choose from morning (9 a.m.-noon) and afternoon (1-4 p.m.) courses.

Connect with us to receive special offers, updates on courses and more! #utepp3

COVID-19 PRECAUTION STATEMENT

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you have tested positive for COVID-19, prior to, after, and/or during your time enrolled in your course(s), you are highly encouraged to report your results to covidaction@utep.edu as well as to let our office know at ppp@utep.edu.

The best way that we can take care of ourselves and others is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people.

Are you looking for an experience that will make a difference in the lives of others? Do you enjoy working with youth?

If you answered “yes” to both questions, then Professional and Public Programs has the spring job for you!

Our spring assistant positions require maturity, a good sense of judgement, positive energy, accountability and the ability to communicate with children and staff. Applicants should be flexible, friendly and reliable.

For more information, contact our Youth Programs and Camps Program Manager at p3youth@utep.edu or 915-747-8474.

“‘The teachers are kind and trustworthy. Good instruction is secondary when the kids are younger, but [this is a] great service offering for El Paso!!’

- Proud parent of student in Summer 2022 Youth Camp
“This is the second year that I have had my children (ages 4-7) participate in a program. They all enjoyed each class whether it was art, math or language arts. Keep up the great work both on the administration side and via the teachers.”
- Proud parent of student in Summer 2022 Youth Camp

“My son loved his coach during camp. She was very patient and ever since he met her, he keeps saying he wants all of his school coaches to be like her.”

Daniel Montes
Program Manager

Daniel joined Professional and Public Programs in 2015 as a Program Coordinator with more than five years of managerial experience in the retail industry. He was promoted to Program Manager in 2018.

Daniel has been a proud UTEP alum since 2008, and has a Bachelor in Business Administration with a concentration in Management. In 2019, he was certified as a Mental Health First Aid provider by the National Council for Behavioral Health for Youth and awarded the designation “Certified Professional Programmer” (C2P) by the Learning Resources Network (LERN), the leading association in continuing education.

Daniel’s primary goal is to provide meaningful education experiences and opportunities for self-discovery to the El Paso community while fostering a UTEP Miners’ mindset.

Favorite inspirational quote: “When educating the minds of our youth, we must not forget to educate their hearts.” – Dalai Lama

Jorge Thompson
Program Coordinator

Jorge Thompson was born and raised in El Paso, Texas and graduated in the summer of 2017 with a Bachelor’s degree in Psychology from The University of Texas at El Paso. Prior to joining Professional and Public Programs as a Youth Coordinator, Jorge worked as a program coordinator for GEAR UP and Communities in Schools serving students at Montana Vista Elementary and Riverside High School. He also served with AmeriCorps for a nonprofit called College Forward in Austin, Texas and earned the Segal Americorps Award. In May 2021, after his experience with Americorps, he graduated with a master’s degree in education from Angelo State University with a focus in Student Development and Leadership.

Jorge has had wonderful opportunities to work with first-generation students from K-12 and college and believes he would never have developed his passion for education without these experiences. He enjoys encouraging and motivating students to chase their dreams while challenging and supporting them during their journey. His goal is to pursue a doctoral degree and either become a director in the student affairs division of a higher education institution or start his own nonprofit where he can continue to inspire students.

Favorite inspirational quote: “One of the most important things in life is to try and inspire other people so that they can be great in whatever they want to do.” – Kobe Bean Bryant
