3

Some of our courses require a placement test. The test is used to determine your level of English proficiency in the course you want to take.

You will be tested in grammar, reading, listening, writing, typing and speaking. Based on your results you will placed into your initial, appropriate starting level for each of these courses: Grammar, Reading, Writing, and Listening and Speaking. This placement test cannot be scheduled unless all relevant fees are paid beforehand.

If a placement test is required for the course you want to take, here's what you need to know:

- After the application fee has been received, ELI staff will contact you to schedule a placement test.
- If you are a returning student, you may not retake the placement to try and place at a higher level the following term. Anyone who has been away from the ELI program for six months is required to retest.
- After the test, ELI staff will advise you on your placement test score and place you at the appropriate level in your chosen course.

Note:

Admission to the ELI program is not the same as admission to The University of Texas at El Paso (UTEP). If you wish to obtain admission to the University, you must apply directly to UTEP.
