

HOW TO ORDER CENGAGE BOOKS or BOOK CODE

1. Go to Cengage Brain store website following this link: www.cengage.com/shop.

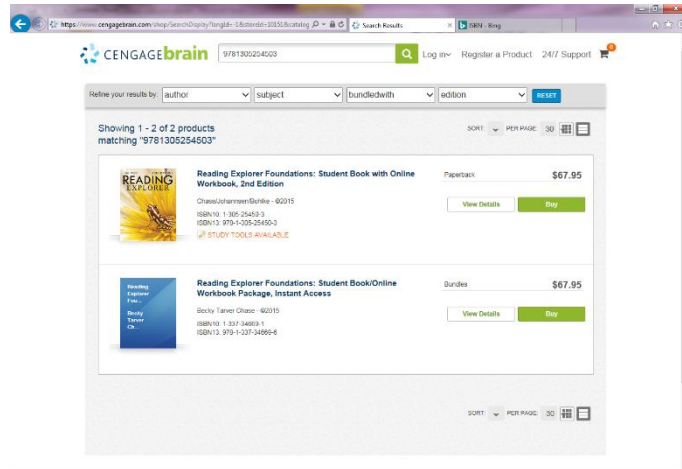

***Remember you need a debit or credit card to purchase these products.**

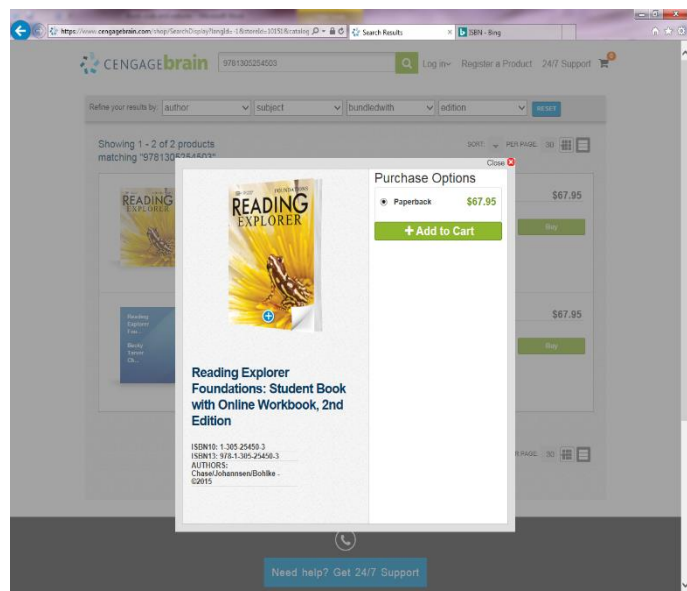

2. Enter the specific ISBN of the book you want to buy and click on the green button to start the search. ***At the end of this document you can find an appendix with these numbers and the title of the book.**

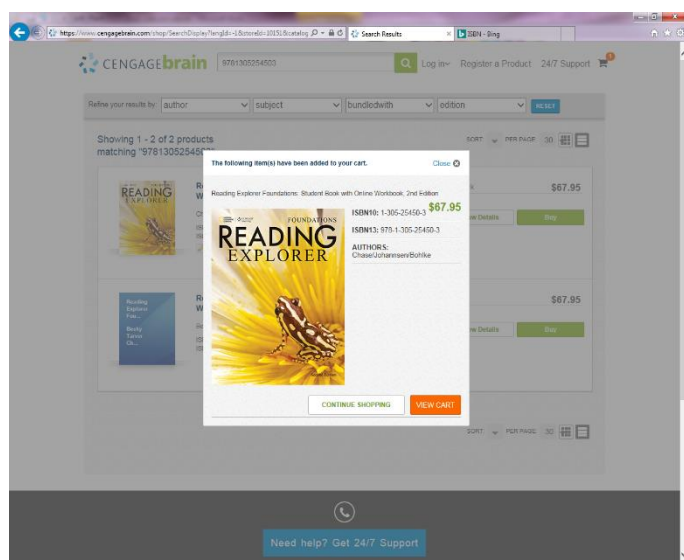

- Once you hit the green button, the products found will be displayed including several details like title, author, edition and price. Select the **“Student book with online workbook”**.
- If you are just buying the book code, search for **“online workbook”**

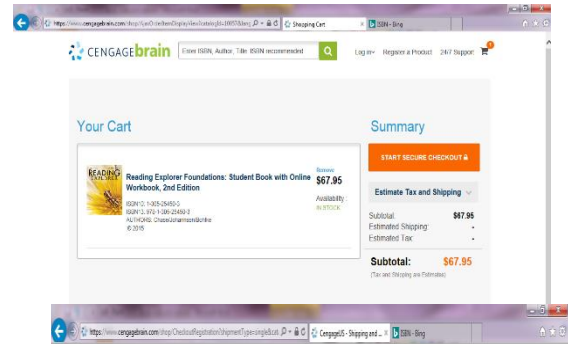

- Once you have made your choice, click on **“Buy”**. Immediately another window will appear and there you should click on **“Add to cart”**.

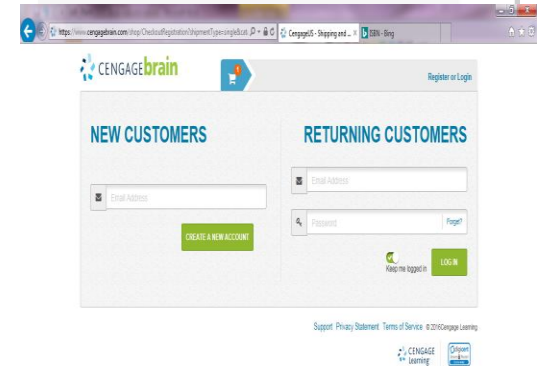

- Once you had added to the cart, a page with a summary of the item you selected will be displayed. You have the option to either **“Continue shopping”** or **“View cart”**.

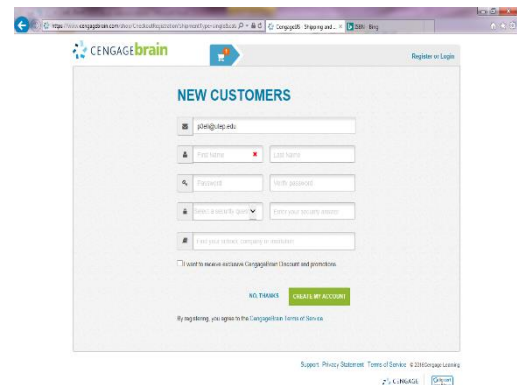

7. Supposing you click on the “View cart” button, you will be able to see another summary of what is in your cart and proceed to “Start Secure Checkout”.

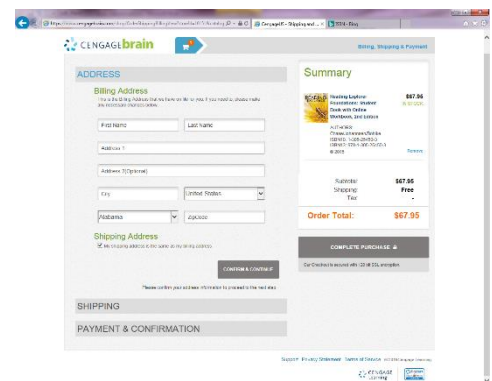

8. After clicking on “Start Secure Checkout” a menu with two options will be displayed. You can choose the new customers option and create a new account or click on returning customers and enter your email address and password.

9. Supposing you chose the new customers option, you will have to enter your email address and click on “Create a new account”.

10. Once you create your account, it will take you to the “Billing, shipping and payment” section. There you should fill out every space, continue to shipping and then to payment & confirmation. After this you will be done with your purchase.
