YOUTH PROGRAMS AND CAMPS

Keep your kids engaged, educated and entertained this summer with our Youth Programs and Camps.

This summer, we’re offering a combination of in-person courses and camps, plus some online programming for kids of all ages. Our summer courses and camps

• provide fun activities outside of schoolwork
• cover a wide range of topics including STEAM, leadership, music, digital technology and more
• teach kids valuable skills such as working with others and using new technology to communicate

• Summer Camps At a Glance
  See pages 5-11

• Kidz on Campus Summer Camps
  See pages 12-33

• Saturday One-Day Camps
  See pages 34-36

• Face-to-Face Courses

BENEFITS OF CAMPS
Children who attend our camps gain a better sense of community, develop intergenerational relationships, and learn through first-hand experiences. Trained, caring adult role models help children feel capable, independent and included. Camps help children grow by providing a supervised, positive environment that has safety as a primary commitment.

See pages 5-54 to view our Summer 2024 Youth Programs and Camps course listings.

For additional information or to register, go to ppp.utep.edu/youthcourses
Our new registration process is a faster and more efficient way to sign up for our summer programming (Kidz on Campus Summer Camps, Extended Care services, and Saturday One-Day Camps). Click here to see for yourself how easy it is! [https://pace.utep.edu/wconnect/quickpick.awp](https://pace.utep.edu/wconnect/quickpick.awp)

The enrollment deadline for Extended Care options will close at 3 p.m. on the Friday prior to each camp’s start date. Make sure you sign up for Extended Care (if you need it) before this deadline.

A service fee will be applied to all Kidz on Campus Summer Camp registrations made on the weekend prior to the camp’s start date. Sign up early to avoid this fee.

The designated parking areas for participants attending our program are the UTEP Sun Bowl Parking Garage and Memorial Gym. Give yourself extra time to make sure you arrive at your camp on time and avoid parking in non-designated areas around the University.

To expedite the check-in process at our camps, please complete the Minor Participation Form seven (7) days prior to the start of the camp. The form is at: [https://utep.questionpro.com/MinorStudentINPERSONParticipationForm](https://utep.questionpro.com/MinorStudentINPERSONParticipationForm) If you have not completed it in advance, you will have to complete the form on site as part of the check-in process.

COVID-19 PRECAUTION STATEMENT

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you have tested positive for COVID-19, prior to, after, and/or during your time enrolled in your course(s), you are highly encouraged to report your results to covidaction@utep.edu as well as to let our office know at ppp@utep.edu.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people.

The best way that we can take care of ourselves and others is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Supervised Lunchtime Care
All campers staying on campus for both the morning and afternoon sessions must register for the supervised lunch hour from noon to 1 p.m.

NOTE: Lunch is not included. These are non-refundable.

Professional and Public Programs offers 9 weeks (beginning June 3, 2024) of grade-specific summer camps for kids entering kindergarten through 12th grade. Each week will offer educational, fun, creative, active and cultural experiences. Professional and Public Programs Kidz on Campus Summer Camps are limited in size and spaces are assigned on a first come, first served basis.

Grade-level requirements are assessed in terms of the grade the student will be entering in Fall 2024. Camps are subject to cancellation due to insufficient enrollment.

Our Kidz Spring Camps are designed to engage and inspire young learners, ages seventeen and under. Choose from morning (9 a.m.-noon) and afternoon (1-4 p.m.) courses.

This summer, we’re offering a small selection of face-to-face courses for kids ages 6-12. These courses are offered as one-day camps (from 9 a.m. to 4 p.m. on Saturdays) that have a limited capacity and follow safety guidelines.

All face-to-face courses are subject to migration online depending on the local COVID-19 guidance at the time the courses are offered. If the courses are moved online, registrants will be contacted at that time to go over their options.

Courses are listed chronologically within each category.

Daniel Montes
Program Manager

Daniel joined Professional and Public in 2015 as a Program Coordinator with more than five years of managerial experience in the retail industry. He was promoted to Program Manager in 2018.

Daniel has been a proud UTEP alum since 2008, and has a Bachelor in Business Administration with a concentration in Management. In 2019, he was certified as a Mental Health First Aid provider by the National Council for Behavioral Health for Youth and awarded the designation “Certified Professional Programmer” (C2P) by the Learning Resources Network (LERN), the leading association in continuing education.

Daniel’s primary goal is to provide meaningful education experiences and opportunities for self-discovery to the El Paso community while fostering a UTEP Miners’ mindset.

Favorite inspirational quote: “When educating the minds of our youth, we must not forget to educate their hearts.” ~ Dalai Lama

Jorge Thompson
Program Coordinator

Jorge Thompson was born and raised in El Paso, Texas and graduated in the summer of 2017 with a Bachelor’s degree in Psychology from The University of Texas at El Paso. Prior to joining Professional and Public Programs as a Youth Coordinator, Jorge worked as a program coordinator for GEAR UP and Communities in Schools serving students at Montana Vista Elementary and Riverside High School. He also served with AmeriCorps for a nonprofit called College Forward in Austin, Texas and earned the Segal AmeriCorps Award. In May 2021, after his experience with AmeriCorps, he graduated with a master’s degree in education from Angelo State University with a focus in Student Development and Leadership.

Jorge has had wonderful opportunities to work with first-generation students from K-12 and college and believes he would never have developed his passion for education without these experiences. He enjoys encouraging and motivating students to chase their dreams while challenging and supporting them during their journey. His goal is to pursue a doctoral degree and either become a director in the student affairs division of a higher education institution or start his own nonprofit where he can continue to inspire students.

Favorite inspirational quote: “One of the most important things in life is to try and inspire other people so that they can be great in whatever they want to do.” ~ Kobe Bean Bryant
