- Affordable business degree from a top-tier, AACSB-accredited College of Business
- Designed for new business students as well as students who have completed some classes in business and are now ready to complete their degree
- Allows students to develop a broad understanding of all business areas including marketing, management, operations and supply chain management, accounting, economics and finance
- Classes are taught by the same excellent faculty who teach in the face-to-face program
- Students can take advantage of UTEP’s College of Business Administration’s unique connections with companies throughout the country
- Offers the flexibility of online classes in a format that allows students to incorporate classes in their daily lives without interrupting other important daily responsibilities
- Designed to allow students to complete classes in 7-week periods and make valuable progress toward completing their degrees

Advance Your Career Prospects With a Degree in General Business

A degree in business is a valuable asset in today’s world. The BBA in General Business from UTEP’s College of Business Administration is designed to make one of the country’s most sought-after degrees accessible and provide the flexibility of the online format. It is suitable for new business students or those who have already earned course credit in business and are interested in completing a bachelor’s degree entirely online. Students who have completed a two-year degree at a community college and would now like to pursue a bachelor’s degree in business would find this a worthwhile option.

Students who complete this program will

- gain the basic knowledge, skills, and abilities to secure a job in business, perhaps start their own business, or enhance their opportunities for promotion at their current place of employment
- receive a well-rounded review of business
- develop the necessary know-how to effectively overcome most business challenges
