

# Online Bachelor of Arts in Security Studies

From cybercrime and biological weapons to transnational terrorism, worldwide security challenges continue to grow in complexity and scope. Security studies is relevant, now more than ever. Our fully online B.A. in Security Studies helps you gain the ability to confront and neutralize security threats in an effective manner.

## Connect with New Opportunities

With a focus on four major areas—cyber security, homeland security, intelligence and national security, and security operations, this program gives you a firm grasp of 21st-century security challenges.

As a graduate of this program, you will:

- Hone key analytical skills to evaluate complex security environments
- Gain a thorough understanding of intelligence analysis, cyber threats and counter-terrorism
- Develop specialized expertise within the field of security studies
