Design a degree that fits your specific educational goals and interests with UTEP’s online Bachelor of Multidisciplinary Studies. Unlike traditional degree programs that follow a predetermined curriculum, our online program gives you the flexibility and freedom to build your own course of study. You will also receive credit for most coursework completed at previous institutions and/or programs.

Connect with Your Future
The solid academic foundation provided by this program will let you explore your interests while preparing you for success, either in a profession of your choice or graduate study.
Online Bachelor of Multidisciplinary Studies

Admissions Requirements
To qualify for enrollment into the online BMS program, all prospective students must submit a completed admission application and the following materials:

- High school graduates:
  a) Official high school transcript(s)
     - Your transcript(s) must be mailed to UTEP directly from the school(s) attended
     - Please make sure that your school includes your diploma type, rank and GPA
  b) Official test scores
     - SAT (Scholastic Assessment Test), ACT (American College Test), GED (Test of General Educational Development) and/or TAKS (Texas Assessment of Knowledge and Skills) scores must be mailed to UTEP’s Office of Admissions and Recruitment directly from the testing agency or must appear in your official high school transcript

- Transfer and/or military applicants:
  - Official college transcripts mailed to UTEP directly from all applicable institutions
  - Official military transcripts to receive credit for coursework completed while on active duty

- International applicants:
  - Official transcripts, provisional certificates
  - Official TOEFL scores (if required)
  - Confirmation of financial resources

Curriculum
As a student in the online BMS program, you’re required to successfully complete a total of 120 semester credit hours of coursework and work with a BMS counselor to choose three areas of concentration. In addition to completing organized courses, you will also be required to submit a final paper or project completed in an upper-level class to a BMS advisor during your final year of study.
