Online Master of Business Administration

Admissions Requirements

To qualify for admission into the MBA you must:

- Submit the following documents:
 - Online application for admission into a graduate degree program
 - Official transcript from an accredited institution demonstrating completion of a four-year bachelor's degree (or equivalent in the case of an international institution) and official transcripts from all colleges or universities attended
 - One-page Statement of Purpose
 - Two letters of reference from professional and/or academic sources
 - Evidence demonstrating English proficiency (for non-native English speakers); see the Graduate School website for information and requirements

The GMAT or GRE are not required; you may submit these scores if you have them. All applications are reviewed by the UTEP MBA Admissions Committee.

Applicants with a GPA below 3.30 may be admitted conditionally and required to complete an online quantitative primer prior to registration.

Curriculum

The 16 month, 30-credit hour program is AACSB-accredited. In addition to the courses below, students will have access to Coursera's learning modules to complement their MBA degree with professional certificates that add to their technological skills and marketability.
