Online Master of Defense and Strategic Studies

Admissions Requirements
To qualify for admission to the online Master of Defense and Strategic Studies program, you must:

- Complete and submit a graduate admissions application.
- Submit official transcripts in accordance with the requirements of the Graduate School.
- Have a bachelor’s degree from an accredited college or university.
- Demonstrate academic achievement and potential as indicated by the results of the Miller Analogies Test (MAT) or the Graduate Record Examination (GRE). This requirement is waived if you already possess an accredited graduate degree.
- Write a brief statement of purpose (1-2 pages) that outlines your educational and career goals, as well as your reasons for pursuing this degree.
- Provide three letters of recommendation from individuals that can evaluate your ability to succeed in a rigorous graduate program (letters from former instructors are preferred; letters from employers or work supervisors are also acceptable).

Note: Admissions packages are evaluated utilizing all of the requirements listed above. There are no minimum scores required.
