

Coursera: Faculty and Staff Login Instructions

1. Click on the **designated link** that is specific to Faculty and Staff.
2. Once you get to the page below click on “Join”.

3. Navigate to where it says, “Sign Up”. **Do not use UTEP Login.**

4. Create your account and verify your email address. (**Note:** Sometimes the verification email is sent to SPAM or to Quarantine. Please check those folders prior to emailing for help).
5. Once you return to the home page, you should be able to see the full catalog and enroll in any certificate by selecting the certificate and clicking “Enroll”.

Support

For issues with the Coursera Website, please visit the [Learner Help Center](#) and use the chat feature. This resource is for issues related to playing videos, grades & assignments, or account settings.

For support with issues related to enrolling in the Coursera Learning Academy Program, please email coursea@utep.edu.
