Instructional leaders in early childhood education are in high demand and job opportunities are available in a variety of settings that cater to young children. While many graduates work in early childhood education settings and classrooms, other opportunities are also available, including in:

- Children’s clothing
- Children’s literature/publishing
- Curriculum design and development
- Children’s museums and community-based educational programming
- Children’s entertainment industries (television, theater, toy design)
- Health and human services/early intervention
- Early childhood education advocacy
