Proposal Title: Minor in Painting: Change of Required Courses

The Department of Art minor in Painting requires an updating of its current curriculum to more accurately and wisely use its existing 21 required hours for a more complete studio minor experience. This change will then reflect the majority of other Department of Art Studio minors already in the catalog.

The current required 6 hours of ARTH 1305 History of Art I and ARTH 1306 History of Art II will be removed and replaced with ARTF 1302 Basic Drawing I and ARTF 1304 Basic Drawing II. These foundational drawing courses are the underpinning requirement of all the upper division studio courses.

Subject: April LACC proposals

Denis,

The LACC meet through email this week and voted to pass the two attached proposals from Art.

We also voted to approve the CEL ratification system that we previously discussed. Basically, the CEL task for will give the LACC a list of classes to designated as CEL every semester and the LACC will vote to approve the list before it is forwarded to the registrar. Think of the system as the same way the Faculty Senate approves each semester’s list of graduates. This step keeps the curriculum in the hands of the faculty for official purposes.

Please respond to this email to both me and Julie, with your decision of the Art proposals in place of your signature.

Thank you.
