

UNDERGRADUATE CURRICULUM CHANGE MEMO

Date: December 23, 2019

From: Louis J. Everett, Mechanical Engineering

Through: Jack Chessa, Department Chair Mechanical Engineering

Through: Louis J. Everett, Chair, Curriculum Committee, College of Engineering

Through: Norman Love, Associate Dean for Academic Affairs and Undergraduate Studies, College of Engineering

Through: Theresa Maldonado, Dean College of Engineering

To: Carla Ellis, Chair of University Curriculum Committee

Proposal Title: Changing the Schedule Type for MECH 4336 and 4366

Explain the nature of the change and the rationale.

Currently these two classes are offered in a lecture format only. In recent years, MECH faculty have begun to teach the classes to small groups of students by teaming them with industry mentors.

The department wants to be able to schedule these classes as either Lecture or as Independent Study. Independent study formats allow the flexibility to match student and industry mentor schedules.

CURRICULUM CHANGE PROPOSAL

COURSE CHANGE FORM

All fields below are required

College : Engineering

Department : Mechanical Engineering MECH

Rationale for changing the course:
To allow flexibility in scheduling class.

All fields below are required

Subject Prefix and number MECH 4336

Course Title Principles of Engineering Design

Change	From	To
Ex. Prerequisite	Ex. POLS 2310	Ex. POLS 2312
Schedule Type	Lecture	Lecture OR Independent Study

These changes will be reflected in Banner, Goldmine, and the catalog
